

**DEADLOCK WILL  
LIKELY BE BROKEN**

Councilmen Preece and Newhau-  
sen May Come to the Support  
Of Mayor Morris.

**TO CONFIRM APPOINTMENTS.**

Give Notice on the Republican Can-  
didates That They Will Not Be Bound  
By Its Future Actions.

It now looks as though Mayor Morris  
is going to secure the support of two  
of the Republican members of the coun-  
cil in the confirmation of the appoint-  
ment of the heads of departments sub-  
mitted by him several weeks ago, as  
Preece and Newhausen both served no-  
tice at the council meeting last night,  
before they would not be bound by future  
actions of the caucus. Both men left  
the caucus before it adjourned and  
stated that they did not care to be tied  
up in such a manner any longer.

It is expected that the mayor and the  
Republican members will meet some  
time this week and talk over the ap-  
pointments. The mayor is still willing  
to divide the offices on an equitable  
basis and it is believed, now that two  
Republicans have broken loose from the  
caucus, that the matter of the appoint-  
ments will be settled before long.

**TWO ARE CONFIRMED.**

Two of the mayor's appointments  
were confirmed by the council last  
night. The appointment of B. B. Mann,  
as humane officer, was confirmed by a  
unanimous vote. The Republican mem-  
bers voted for the appointment for the  
reason, as stated by Black, that they  
were willing to vote for the appoint-  
ment of a competent person to fill any  
vacancy. The appointment of F. W.  
Lewis as building inspector, to succeed  
F. M. Ulmer, was also confirmed by a  
vote of 11 to 1. Holiday alone voting in  
the negative. Black was asked why he  
would not vote to confirm Jackson, as he  
is a competent man and was ap-  
pointed by the mayor to fill a vacancy.  
The councilman from the Fifth made  
no response to the inquiry.

**JACKSON AGAIN.**

For the fourth time Mayor Morris sub-  
mitted the appointment of C. M. Jack-  
son, as clerk of the board of health.  
James moved that the appointment be  
confirmed. On a roll call the appoint-  
ment was defeated, the vote being eight  
to six, a straight party vote. By the  
same vote the appointment of Moses  
Evans as tankman in City Creek can-  
nel was not confirmed at that time.

**BLACK'S RESOLUTION.**

"When Mayor Morris' veto of the  
Black resolution was read, it was laid  
on the table. On a roll call the ap-  
pointment was confirmed. The resolution  
provided that the heads of the various  
departments should appoint their employ-  
ees at the salaries named in the resolu-  
tion. It was for the reason that the  
mayor's veto, he claims, should be  
made by the mayor and they should be  
provided for by ordinance and not by  
resolution. In making his motion to lay  
on the table, Black asked that  
the city attorney be requested to fur-  
nish him with a written opinion as to  
whether or not the resolution was valid  
in the resolution are officers and which  
are not; also to inform the council how  
subordinates and employees in the var-  
ious departments without defining their  
duties and providing a bond and oath  
of office in each instance which shall  
be the basis of the acts of such sub-  
ordinates and employees, and demon-  
strate the departments so far as effective-  
ness and discipline are concerned."

**FIRE DEPARTMENT ROW.**

Chief Devine of the fire department  
told the council that he had dis-  
charged A. A. Carlson on account of  
poor insubordination. Carlson also  
filed charges against Chief Devine and  
Capt. John Smith, as follows:

"Salt Lake City, Utah, March 12.  
To the Honorable City Council, Salt  
Lake City, Utah:

Gentlemen—Your petitioner, Alfred  
A. Carlson, respectfully shows: That  
he is a member of the fire department  
of Salt Lake City, Utah.  
That on Wednesday, March 9, he  
was unjustly suspended from duty for  
direction of James Devine, chief of said  
department.  
That said suspension is due to the  
fact that John Smith, captain of truck  
No. 1, under whom your petitioner has  
been employed.  
That John Smith has, ever since his  
promotion to the captaincy, continuously,  
and without cause, insulted  
your petitioner and other members of  
the department and frequently in an  
abusive and insulting manner. That  
your petitioner has been subjected to  
unjust and improper language towards  
him and to such an extent that he  
has been greatly interfered with the  
proper and good order and efficiency  
of the department and to his respect-  
ful conduct.  
That said suspension is due to the  
fact that John Smith has, ever since his  
promotion to the captaincy, continuously,  
and without cause, insulted  
your petitioner and other members of  
the department and frequently in an  
abusive and insulting manner. That  
your petitioner has been subjected to  
unjust and improper language towards  
him and to such an extent that he  
has been greatly interfered with the  
proper and good order and efficiency  
of the department and to his respect-  
ful conduct.

**MISCELLANEOUS MATTERS.**

The council received a communication  
from E. P. Grinstead of the United  
States Indian school at Phoenix, Ariz.,  
asking if it would consider a propo-  
sition for the Indian band to play in one  
of the parks of the city for a week or  
more in July or August. The band  
is composed of 25 Indian boys, and last  
year it made a tour of the principal  
cities on the coast. The matter was re-  
ferred to the committee on public  
grounds for consideration.  
A protest was received from property  
owners west of the Jordan river against  
the use of Camp's Lane and Ninth  
North street for the driving of  
sheep through the country. They  
ask that a sheep road be con-  
structed north of the city near the  
stock yards. Upon motion of E. H.  
Davis the rules were suspended and the  
former action of the council in making  
said streets a sheep road was rescinded.  
The petition was then referred to the  
municipal laws committee with power  
to meet with the county commissioners  
and select another road for sheep.  
A communication was received from  
the Utah Independent Telephone com-  
pany notifying the council that it is  
ready to install the 49 free telephone  
for the use of the city and the heads of  
the departments as soon as the council  
designates where the same shall be in-  
stalled. The improvements committee  
and the mayor will attend to the mat-  
ter.

**SOLDIER ESCAPES.**

Neat Trick Played Last Evening Re-  
sulting in Guardhouse Delivery.

There was a guardhouse escape at 8  
o'clock last evening, at Fort Douglas in  
a rather new and original way. Pri-  
vate T. J. Thurber of the Twenty-second  
light battery, a prisoner under gen-  
eral court martial, and Private H. W.  
Smith, also a prisoner, were being re-  
turned from an exercise walk under  
guard, when Smith who is lame, sud-  
denly stumbled against the guard, rolling  
him over. Immediately Thurber took to  
his heels, and escaped in the darkness  
among the buildings. The guard  
promptly climbed onto his feet and  
fired at the fleeing artilleryman, but  
while his intentions were good, his  
aim was bad, and his commanding of-  
ficer will put him through a special  
course of target study with annotations.  
A general alarm was given, but to no  
purpose, and the police were notified  
and given a description of the man. He  
had on at the time brown overalls, and  
no coat or vest. The guard holds that  
Smith stumbled against him purposely  
so that Thurber could escape. Thurber  
is a very hard citizen, and was the lead-  
er of a gang of toughs who made an  
assault on officers at Calder's Park last  
summer. He is also docketed for trial  
on charge of having sold stolen gov-  
ernment property to city pawnbrokers  
recently.

**A Frightened Horse.**

Running like mad down the street  
dumpling the occupants, or a hundred  
other accidents, are every day occur-  
rences. It behooves everybody to have  
a reliable safe handy and there's none  
as good as Bucklen's Arnica Salve.  
Burns, Cuts, Sores, Eczema and Piles,

effect. 25c. at Z. C. M. I. Drug Store.

Jesus in the Lord's Prayer. The es-  
sayist took as his points, the fatherhood  
as a fundamental principle, God as a  
paternal sovereign, God's integrity as  
expressed in his will, the redemptive  
forces begun by Christ and consummat-  
ed in the ministry of redemption.

**WHAT THE JAPANESE YEN IS.**

When the public reads that 100,000-  
000 yen have provisionally been set  
apart by Japan for war purposes, it  
may perhaps put an exaggerated es-  
timate on that amount. Although  
Japan has a gold standard, the yen is  
of silver currency, and fluctuates with  
the price of silver, so that at the  
moment 100,000,000 of them means  
scarcely more than \$10,000,000. But  
even this is an immense amount in a  
country in which the wages of a skill-  
ful artisan are often not more than 2  
yen a week. The Japanese currency  
system is decimal. Thus the yen, or  
dollar, is divided into 100 sen or cents,  
the sen into 10 rin, the rin into 10 mo,  
the mo into 10 shu, and the shu, finally  
into 10 kotsu. Government ac-  
counts do not take account of any  
value smaller than a rin, but estimates  
by private tradesmen often descend to  
fractions of a kotsu, which are in-  
credibly minute fractions of a farthing.  
coin exists, however, to represent  
these trifling sums.—London Chroni-  
cle.
