OGDEN, UTAH, - APRIL 28, 1903. **AFFAIRS OF WEBER COUNTY**

Strong Protests Against Ogden Canyon Liquor Traffic-Don't Want Schools United.

Bride of Three Months Attempts Suicide-Chinaman Demented-Session of City Council.

The board of county commissioners met in regular session yesterday. All commissioners were present and most of the session was taken up in hearing protets on the consolidation of the

school districts. Three more petitions, against the granting of licenses to sell liquor in Ogden canyon were filed, to be taken up by the board when all the petitions are in, then all will be acted upon together. One of the petitions was presented by be of the periods was presented by Judge Jacob S. Boreman, signed by the president and secretary of the Ogden Prohibition Alliance. The other two were presented by Joseph C. Chez, and were signed by citizens of Ogden.

Petitioners were present from the fol-lowing school districts: Wilson, with 103 signers; Riverdale, 42 signers; Kanesville, 24 signers, against the consolidation of school districts. Repre-sentatives from the above district as well a from Harrisville, Randall and Burch Creek were present and talked against the consolidation. The matter was taken under advisement by the committee having the matter in hand.

A petition was received and read from residents of Slaterville, asking for the opening of a road in that district. Referred to Commissioner Fowers. The \$1,500 bond of F. M. Farrell, who has the jail contract, with J. J. Jones, J. J. O'Conner and J. G. Read as sure-

ties; was referred to the committee on Jails

Jalls. At the request of H. C. Wardleigh, of the G. A. R., it was ordered that the county help defray the burial expenses of Capt. Justus Witherell, an old and respected ex-soldier and a resident of Weber county, who passed away Saturday evening.

Commissioner Wilson reported that the work of painting the fences and water-tanks in Ogden canyon would begin this week.

Mr. Wilson recommended that the heads of the various departments of the county, on or before the first of July furnish the auditor with a list of sup-plies needed and that bids on the same be called for.

ATTEMPTED SUICIDE.

A bride of only three months made a desperate attempt to commit suicide by swallowing a dose of morphine at the Washington House, a lodginghouse hear the corner of Washington avenue and Twenty-third street yesterday. That she is not dead is owing to the fact that she did not secure a large

enough dose of morphine. The girl, for she is just 18, gives her name as Mrs. Cornelius Hodge, and in company with her husband she came to the Washington House on Wednesday last. Saturday afternoon, the husband. who is apparently about 22, and a carpenter by trade, left ostensibly to secure work. Since that time he has not been seen and it is a question as to whether he has described the girl wife or has se-cured work in some of the ouside set-tlements. It is probable, however, that it is a case of desertion, and that the girl, discouraged by her homeless and friendlass condition deliberation friendless condition deliberat deliberately According to her own story she took the morphine yesterday morning and laid all day yesterday and last night in a stupor from which she was slowly rousing when Mrs. Brown, the landlady of the house, entered the room this morning. The latter hastily summoned Chief of Police Browning and Detective Pender and they, after making a hasty examination, sent for Dr. Forbes. The latter gave the patient some medicine which soon placed her out of danger. The girl freely admits she took the drug with suicidal intent, but is very relicent about the causes for the deed and is somewhat contradictory in her statements. She says that she is 18 years of age and was married to Cor-helius Hodge in San Jacointo, Riverside county, Cal., on Jan. 7 last. They left there three weeks ago and visited her step-parents who reside in Iowa and then returned as far as Ogden. She says she has a brother named Fisher, living on Owen avenue in Chicago. She does want any of her relatives to be notified as they are not financially able to help her. She says she wants to die and the police and people who are now caring for her think that by this expression she intends again to attempt her life. At present she is without money or triends and charitably disposed persons can find here a worthy object for their

All the former precinct justices of Ogden who were legislated out of office by the last Legislature have turned their dockets and other official para-phernalia over to Municipal Judge

Howell. Jarvis B. Mansfield and Lucy Rich have received a marriage license. The former is from Malad, Idaho, and the latter from Taylorsville. Mrs. D. N. Schumacher of Idaho Falls

The city council met in regular ses-sion, and considered the following mat-

ters A communication from the mayor was presented, protesting against the action of the sprinkling committee in letting the work of street sprinkling without authority from the mayor and city council. The communication was filed. The time was extended one week for filing protests against the proposed cre-ation of sewer district No. 9.

The mayor was authorized to draft a resolution and present same to proper authorities, protesting against the proposed removal of mail clerks from Ogden to San Francisco. Claims and pay rolls aggregating \$1,-

500 were allowed. The street committee was empowered to purchase a 20-horse power dyn-amo to be used in operating the rock crusher, the estimated cost of which is

TAX MATTERS CONSIDERED.

The state board of equalization, Messrs. R. C. Lund, J. J. Thomas, Thomas D. Dee and Swen O. Nielson, were in Provo yesterday and met with the board of county commissioners and Assessor Thorne for the purpose of considering the question of raising reve-nues for the state. The matter of making equitable assessments and the nec-essary of doing so was thoroughly discussed, and the assessor impressed with its importance. It is thought probable that the assessment will have to be raised by the board of equalization, and in that even it will be unjust to the taxpayer, already assessed to the full taxpayer, already assessed to the hun value of his property, to increase his assessment, while another taxpayer, who may only be assessed 50 per cent of the value of his property, will be subjected to no greater advance than the one whose property is already as-sessed at its full valuation, and the assessor was urged to guard against such

discrimination. WEDDING BELLS.
