COST OF STREET LIGHTING.

Chief Devine as Inspector, Talks on the Sabject

Replying to Stephen Stanford's communication in the Nature to other evening, compilating of the lack of light at the center of Boult Temple and First West streets, Chief Device said today that he had received evening that ces regarding the same matter and that for attention of the light-larnishing company had been called to the same.

makes a saving of from \$20 to \$200 overy month."

As an ex-mpisof the monthly sav-ing, Chies Devine presented the fol-lowing:

This above is a lable for five manifestation of the sales of the sales

sales of \$10 per month can be sub-tracted and we still have a, saving at \$20 c.0.

Those figures show that Chief Devine is cloing his duly as importer of street lighting and that effere the other lighting and that effere the the provisions of the contract, they are made the sufferers and not the tax-burdeness public as some people have been fed to uppose.
