me to hurry and to write him a clean ance, which I did. After the train had started and was out of my reach the dispatcher learned that the freight had seft Wyoming. I told him I could not stop No. 5, as it had left. He immedi-ately began calling King's Court Juncthe station between Watford and Wanstead, on the railroad wire, and I tried to raise them on a commercial wire. We both failed to do this, however, until after the express had passed the junction.

Carson admitted that he knew it was against the rules of the company to cancel a train order without sending a aroused. substitute for it, but said that the dis patcher was his superior officer and he disliked to question his order or dis-

he disliked to question his order or dis-pute his authority to take this action. Dispatcher Kerr's order book in the local Grand Trunk office does not show that the order was "busted" or can-celed as Carson claims. According to the book it was still in force, and should have been delivered to the con-ductor of the express. Kerr has not made any statement, even to the rail-road officials, and will not do so until ARMY NOMINATIONS.

read officials, and will not do so until he takes the stand at the inquest. Division Supt. George G. Jones of Toronto says that the rules against

concelling or "busting" train orders are the strictest in the company's code. "I do not believe." he said tonight. "that it has been violated since the standard dispatching rules were adopt-ed. Dispatcher Kerr is one of the best and most efficient dispatchers in our service. He is the operator who ac-companied the train bearing the Duke and Duchess of York on the royal tour of Canada a year ago. I have every tonfidence in him
