LAST REQUEST OF SUICIDE.

Letter of Mrs. H. L. Cress to Her Parents—Death's Record—Wife Makes Answer in Divorce Suit.

Ogden, June 26.—A meeting of the board of education will be held this evening for the purpose of considering the advisability of increasing the amount of the proposed bond election from \$75,000 to \$100,000. The following polling places and judges of election have been appointed by the board of education to act at the election of July 10:

Second Ward—W. L. Russell, M. Butcher, Mrs. Sarah West.

LAST REQUEST OF SUICIDE.

Letter of Mrs. H. L. Cress to Her Parents.

Ogden, June 26.—The body of Mrs. H. L. Cress, who committed suicide at the Broom hotel Wednesday evening by drinking carbolic acid, was shipped to Portland, Or., at 1:25 o'clock this morning as had been directed by the father of the deceased in a telegram to the sheriff.

County Atty. Harris after investigating the circumstances of the case yesterday afternoon decided that an inquest would not be necessary and accordingly directed the sheriff to ship the body as requested by her father. The letter addressed to "James Buck, 267 east Thirty-seventh street, Portland, Or.," and which was found on the dress in the room and presumably written by the dead woman, was opened by the county attorney yesterday afternoon and was as follows:

"Dear Old Father and Mother—Kiah and I had a disagreement and I can't face any more than I have. Don't worry for me; I will be happier dead. (Signed) "MOL."

"P. S.—I leave everything to you. Dispose of my things as you see fit."

The personal effects of the dead woman which were sent by express to Portland last night consisted of a trunk filled with expensive gowns and garments, while upon her fingers the woman wore a number of expensive rings.

Tuesday afternoon Cress told W. L. Counts, clerk at the Broom hotel that Mrs. Cress was a good woman, but that he could not get along with her. He said that he was going out to the Utah Hot Springs and catch a train from there to Seattle. He gave out the information also that he was a "bookie" and followed the racing circuit. It is thought by the officers that he has gone to Butte to attend the racing season which opens in that city next week.

According to Mr. Ensign of the Broom hotel, Cress and his wife were in Ogden two years ago immediately following the San Francisco earthquake and came here as refugees and both were in pretty straitened circumstances.

She avers that she visited her family in Oklahoma at the special instigation of Fowler; that when she was arranging to return after the visit was over, her husband wrote her parents objecting to her returning to his home and friends, although she was ready and willing to do so.

Mrs. Fowler says that her husband has treated her in a cruel and inhuman manner, since their marriage in Heartsboro, Nov. 19, 1901. A baby girl is the issue of the marriage.
