Schenck's Pulmonary Syrup for the cure of Consumption, Coughs and Colds.

The great virtue of this medicine is that it ripens the matter and throws it out of the system, purifies the blood, and thus effects a cure.
Schenck's Sea Weed Tonic, for the Cure of Dyspepsia, Indigestion, &c.

The Tonic produces a healthy action of the stomach, creating an appetite, forming chyle, and curing the most obstinate cases of indigestion.
Schenck's Mandrake Pills, for the Cure of Liver Complaint, &c.

These Pills are alternative, and produce a healthy action of the liver, without the least danger, as they are free from calomel, and yet more efficacious in restoring a healthy action of the liver. These remedies are a certain cure for Consumption, as the Pulmonary Syrup ripens the matter and purifies the blood. The Mandrake Pills act upon the liver, create a healthy bile, and remove all diseases of the liver, often a cause of consumption. The Sea Weed Tonic gives tone and strength to the stomach, makes a healthy digestion, and enables the organs to form good blood; and thus creates a healthy circulation of healthy blood. The combined action of these medicines, as thus explained, will cure every case of consumption, if taken in time, and the use of the medicines persevered in.

Dr. Schenck is professionally at his principal office, corner Sixth and Arch Sts., every Monday, where all letters for advice must be addressed.

New Offices.—Bishop Edward Hunter is having a couple of rooms nicely fitted up, at the south end of the Tithing office building, for general and private offices.

Preparatory.—The sheds of the U. P. Railroad Company, in the vicinity of the depot in this city are well filled with coal, anticipatory of the heavy winter demand for the carboniferous material.

Bread Making.—Bro. Alex. Croll, of Springfield, Utah Co., has been corresponding with the Confectioners Journal, a handsome monthly published in Philadelphia, on the subject of bread making. His articles, which appear in that paper are interesting and useful to the bakers of the country, but are too lengthy for reproduction in the DESERET NEWS.

To-Night.—The Theatre to-night will, doubtless, be crowded with an audience composed of ladies and gentlemen of musical taste and those who love sweet strains rendered in the highest style of art. The Kellogg-Cary company have attracted enthusiastic multitudes wherever they have appeared, and Salt Lake is noted for its appreciation of good music and thorough artists. This evening the following programme will be presented, each piece being a gem and each performer standing in the front rank of the profession:

Broadway.—Duet from "The Lily of Killarney," Messrs. Tom Karl G. Verdi.
Wells.—Song, "The Village Blacksmith," Mr. George A. Conly.
Artistic.—Duet, "Una Notte a Venezia," Miss Clara Louise Kellogg and Miss Annie Louise Cary.

Missionary Matters.—Last night Elders Henry G. Boyle and Jonathan S. Page, Jr., of Payson, and Elder D. C. Thomas, of Plain City, arrived from Texas. The last named Elder had been visiting relatives in Texas and Mississippi, and the other two had been on missions to the Southern States.

They were accompanied from Texas by a small company of emigrants, composed of the following persons:

M. Harris, George A., Mary K., Martha J. E., Sarah H., Nendia, Octavia, Thomas, May, Elizabeth and James V. Phelps; A. V., Polly A., Melvina C., Susan V., Sarah W. and Stansell Greer; Albert, Lucy A., Harris and Eddie Miller.
The following from Elder Hinson's field of labor, in Nebraska, joined the company at Omaha: Mary J., Hans R., Carrie Maria and Hans J. Jensen; Theodore and Charles Anderson.

We were pleased to receive a visit from Elder Boyle this morning. He left on his last mission, for the Southern States Missionary District, over which he presided, November 20th, 1876. He proceeded directly to Arkansas, where twelve persons were soon added to the Church, and he at once organized the company which left that State for New Mexico and Arizona, whose journeyings and arrival at their destinations have been heretofore mentioned in the News. We may here state incidentally that Elder Boyle is informed by latest advices from the company that they are well satisfied with their location and surroundings.

Accompanied by Elder Page, he proceeded to Texas, where the two labored in the counties of Bosque, Bell, Johnson, Hill and Ellis, and were well received and treated.
In the last three months, twenty-five persons have been added to the Church by baptism in the Southern States District, and forty-four have either already emigrated direct to this city or are now on the way, including those who arrived a short time since in company with Elders John W. Sharp and Joseph Argyle, those who came last night and a small party from Mississippi expected soon to arrive in company with Elder D. L. Pearce.

Another company will soon leave Alabama and Georgia, the field in which Elders John Morgan, J. T. Lionbee and Jesse C. Murphy are laboring. It will be composed of about 100 persons, who will proceed to New Mexico for the purpose of settling in that Territory. They will travel by rail via St. Louis to Los Angeles, Trinidad or Alamo, which ever of the three points is found to be the best stopping place to prepare for proceeding by team to their destination.
Elder Boyle speaks highly of the diligence and faithfulness of the Elders named, especially Elder Morgan, who has shown great energy and activity and met with excellent success.
Elder Boyle is a veteran in the missionary field, having been connected with the Church thirty-four years, and at least three-fourths of that time has been spent in the work of the ministry. His labors have been crowned with almost unvarying success. He has generally adopted the effective policy of concentrating his personal labors to a comparatively small field instead of scattering them over a wide extent of country.

City Council.—Meeting of the City Council, Tuesday evening, Mayor Little presiding.
Fred. Vick petitioned for the privilege of erecting a stand for holding coal, in front of his place of business, on East Temple Street, south of the Wasatch Hotel; granted, said platform to be erected over the water ditch, not to exceed ten feet in length, four feet in width, and two feet in height, and to be constructed under the direction of the Street Supervisor, the grant to continue during the pleasure of the City Council.
The City Marshal presented bills for merchandise purchased during the month of October; for City Hall, \$185.25; for City Prison, \$48; which were allowed and appropriated.

Bill of Wm. R. Adkins, for twenty-three days labor on Union Square, in October; allowed and appropriated.
A motion to require the Salt Lake City Gas Company to comply with the terms of their charter, by extending the gas mains within the limits therein prescribed, elicited considerable discussion, and was finally referred to the committee on improvements, with instructions to inquire into the whole matter and report at the next meeting.
Council adjourned to Tuesday evening, Nov. 20, at 8.30 p.m.

West Jordan Irrigation Comp'y.—The West Jordan Irrigation District, which comprises the tract of land lying between the South Jordan and Utah and Salt Lake canals, was established by the County Court of Salt Lake County, on petition of the parties interested. It is one mile in width and covers four townships in length. A mass meeting of the land owners was held at West Jordan on the 9th inst., at which it was decided to construct the Utah and Salt Lake canal. According to the report of the trustees the district comprises about 14,000 acres of good land.

The election of officers of the irrigation company will take place at the County Court House, in this city, on Saturday, Nov. 17th. It is essential that all of the landowners should be present.
The building of the proposed canal will redeem to fertility and fruitfulness a very fine tract of country.

The Nineteenth Ward Organized.—The Presidency of the Stake met with the Elders and Lesser Priesthood of the Nineteenth Ward last evening; when the following brethren were unanimously sustained in the positions named, and all were set apart.

Robert Haslam, President of the Elder's Quorum in the Nineteenth Ward; Thomas Slight and John Brooks, Counselors.
Matthew Noall, President of the Deacons in the Nineteenth Ward; Thomas Corbett and Henry Felt, Counselors.

The Presidency of the Stake will meet with the Priesthood of the Sixteenth Ward this evening, at seven o'clock, in the meeting-house of that Ward, for the purpose of organizing the quorums there.

Mining Land.—Copp's Hand-book of Mining Law, just issued, is a very useful work to all persons interested in mining matters. It contains a compilation of the United States mining laws now in force, and Land Office instructions on important points; a digest of decisions under those laws; a collection of improved forms for mining documents; and a full list of patented mining claims in the various States and Territories. Price, \$1. Published at Washington, D. C.

New School House.—A new school-house is in course of erection in the First School District of Deseret, which is comprised of the South Bountiful Bishop's Ward. The site of the building is a short distance north of the Hot Springs, not far from the buildings of Mad-duff Brothers. It is a substantial rock structure, and is now receiving the roof.

The old school-house of the district has also been refitted and improved.

Y. M. M. I. A.—We are requested to announce that the Central Committee of the Y. M. M. I. Association will meet in the Council House, Saturday evening, November 17th, at 7 o'clock.

The officers and members of all the Associations in the city and adjacent wards are invited to attend this meeting.

Anxious to See Father.—The other night an eight-year old son of Elder H. G. Boyle heard a letter read which stated his father would reach Salt Lake on Monday, 12th. On Sunday the little fellow, without saying a word to anybody, got on board the train at Payson and came to this City. He wanted to be here in time to meet father.

Home.—This morning we were pleased to meet our friend Elder Wm. C. Staines, who arrived home from New York, last evening. Under his able management the emigration business of the season has been successfully, and therefore satisfactorily, accomplished.

Held.—L. A. Bethune, arrested, last evening, on a charge of obtaining goods on false pretenses, was held in \$300, to appear for examination before Justice Pyper, next Saturday.

Specimen Piece.—Messrs. Morris & Evans are commencing their concrete work operations in front of their own premises, by way of a specimen. If they didn't use it themselves, other people might suppose they didn't appreciate it.

A Good Man Gone.—A private dispatch, by Deseret Telegraph, from Kanab, states that Patriarch Philip B. Lewis, of that place, died last evening, of intermittent bilious fever. Deceased bore an excellent character, being highly esteemed by all who knew him as an upright man.

Conover introduced a bill to grant additional homesteads to soldiers upon public lands in the States of Alabama, Mississippi, Louisiana, and Florida; referred to committee on public lands.
Windom, from the committee on appropriations, reported, with amendments, the House bill making appropriations for the support of the army, and it was placed on the calendar.

At the conclusion of the morning hour, Maxey called up the resolution submitted by him a few days ago, instructing the committee on military affairs to enquire into the expediency of constructing a system of defensive works on the Rio Grande frontier of the United States, and spoke at length in regard to the raids from Mexico into Texas, and the necessity for such defensive works.

A Canadian priest lately sued a young man, whom he had married, for his wedding fee, which he stated at \$15. The jury found for the defendant, on the ground that the youth had received no appreciable value.
