LOCAL AND OTHER MATTERS.

THERMOMETER 44 degrees F. in the shade, at 1 p.m. to-day. Clear and beautiful.

THEATRE.—Considering the storm last night and the depth of snow to be waded through, the audience at the Theatre was a large one. The play, a new one, the "Hermit of the Cave," by Captain John Martin, of this City, was very favorably received. It is a good play, notwithstanding some grammatical faults, the plot is well contrived, and the interest sustained throughout. The drama was creditably put on the stage, and it was played carefully and effectively.

This evening, for the benefit of Mr. W. T. Harris, will be presented the beautiful Irish drama of "Kathleen Mavourneen." Mr. Harris as "Terence O'More," Miss Walters as "Kathleen Mavourneen," Miss Kent as Miss Dorothy Kavanagh, Carrie Carter as "Kitty O'Lavery," Mr. Cogswell as "Bernard Kavanagh," Mr. Graham as "Bill Buttercup," Mr. Thorne as "Black Rody," Mr. Dolley as "Father O'Cassidy." Following the play are selections by Captain Beesley's martial band, then a grand concert under the direction of Professor Thomas. The performance to conclude with the farce of "Ici on Parle Francaise," in which Messrs. Graham and Thorne, and Misses Kent, Simons and Carter will assume laughprovoking moods.

Mr. Harris is an acceptable actor, and a courteous gentleman, and we presume he will be honored with a houseful of friends this evening.

MORMON COLLEGE EXCURSION will leave the city for Ogden Monday, 17th inst., at 8 a. m. Primary department returning at 5 p. m.; the High School department remaining over for a dance at Woodman's Hall, returning on Tuesday morning. Students and friends cordially invited to participate. Tickets for sale at the college.

"KATHLEEN MAVOURNEEN," at W. T. Harris' benefit to-night.

THE Deseret Telegraph Company is active in accommodating the public as will be seen by the following:

Deseret News:—A telegraph office is now opened at Selling, Sevier Co.

A. M. MUSSER.

IN TOWN.—Edward K. Holton, representing the house of Semple, Birge & Co., manufacturers of the Whitewater wagon, agricultural machinery, threshing machines and burr mills, St. Louis, Mo., is in town and stays at the Townsend House. The firm has done business with the houses in this Territory for years, and is perfectly reliable.

TELEGRAPHERS' GRAND BALL.—Here is a complimentary invitation to the Telegraphers' Grand Ball, to be given by the Telegraphers at Ogden, at the Union Depot Hotel, Friday evening, February 21st.

LECTURE.—Mr. C. R. Savage delivered a very interesting lecture last night, before the 20th Ward Young Men's Institute, on "Light." He handled the subject in a very lucid and interesting manner and illustrated his remarks by a number of chemical experiments. Notwithstanding the inclement state of the weather the attendance was good.

"THE ALDINE."—We are indebted to Mr. Harrington, of the *Salt Lake Herald*, for the *February number of The Aldine*, a New York monthly, printed on beautifully tinted paper and illustrated with steel and wood engravings in the very best style of art. This number contains a dozen beautiful engravings and the following literary matter:

Pendruenting a biographical sketch of Ebenezer Elliot, the English corn law rhymer; the Old Dominion; Snow; Over a Cabin Table; Lingering Superstitions; The Little Angler; Bust; Mosses and Lichens; A Tartar Song; Poetic children; A Castle on the Rhine; Deline Gay Girardin; Temptation; Up in the Trees; the Garden of God; the Neapolitan Boy; Music; Literature; Art.

Mr. Harrington is agent for the publishers of *The Aldine*, and all orders can be given through him. A pair of splendid chromos will be given all subscribers for 1873. The subscription price is $5 per year.

CAPTAIN BEESLEY'S martial band at W. T. Harris' benefit to-night.

RETURNED.—Elder Geo. Dunford, who left this city on the 20th of last October, *en route* for Europe, with the intention of visiting Palestine with President George A. Smith and party, but who was unexpectedly recalled to attend his business here, reached home last night. He left the party all well, at Venice, on the 7th ult., and travelled via Milan, Turin, the Mont Cenis Tunnel and Paris, to Liverpool, reaching the latter place on the 10th ult. He left Liverpool on the 22nd, on the steamship *Wisconsin*, of the Quion line, accompanied by Elders Call and Bennion. They reached New York on the 7th of February, and on the day they arrived at that port Elder Dunford met with a very serious accident—by a hatch of the ship, he was thrown down one of the hatchways, breaking two of his ribs, and hurting his back very badly. His injuries were very severe, but he is now in a fair way to sound health again. With the exception of this mishap Elder Dunford says his trip has been a splendid one, and he never enjoyed himself better.

Elders Call and Bennion stayed a day begind at Omaha. They are expected here to-night or to-morrow.

PETTY THIEVES.—We understand that copies of the NEWS are being rather freely purloined from the boxes in various parts of the city. Although it is satisfactory to be appreciated, yet it would be still more satisfactory if all readers would become bona fide subscribers and then let their neighbors' papers alone.

"GRAND CONCERT," at the benefit of W. T. Harris, at the Theatre to-night.

OGDEN.—Last evening a little boy, between seven and eight years old, son of Superintendent Pratt, of the C. P. R. R., ventured too close to a bear that is kept chained at the menagerie near the depot. Bruin, being in an angry mood, struck the child on the head with his paw, inflicting an ugly gash, and opening the scalp several inches. That bear had better be caged.

An Indian, under the influence of fire-water, essayed last evening to get on the Utah Central freight train while it was in motion, but missed his footing and fell. The wheels of the cars passed over one of his legs breaking it off. Sheriff Brown, who happened to be near, procured a wagon, and took the poor fellow to Mr. Geo. Hill's residence, where he was kindly cared for. It is said the Indian obtained the liquor in Corinne.—*Ogden Junction, Feb. 12.*

ENFORCE WHAT LAWS?—The representatives of General Grant's raid upon the Mormons began under the inspiration of parson Newman, and was attempted to be carried out by Chief Justice McKean after the manner which the *Herald* long since pointed out. Judicial decisions were pronounced by telegraph from the White House, and constitutional rights were at the mercy of religious bigotry, ignorance, and the great corruption of the sacred name of all civil power. It was not until appeal was had to the supreme court of the U. S. that judgment was pronounced upon usurping Executives and Judges for openly, wantonly, wickedly undertaking to overthrow the very foundation principles of free government and pervade liberty in this country. Mr. Justice Miller's opinion of McKean law will stand through all time as a crushing impeachment of the infamous man who saved to the American people to-day freedom from 200,000 people through a deliberate violation of the most sacred oaths and the highest of human functions. For if there is anything more sacred in this world than the oath of a Judge, or the law which he is sworn to administer, we do not know what it is.

But the Federal mercenaries are not satisfied. Failing in all attempts to crush out the Mormons by judicial conspiracy, they return to their old tactics, and about again through Mr. Gentile, the telegraph dancing-jack at Salt Lake, that the "loyal" people of Utah, whoever they may be, are rejoicing at Parson Newman's fresh determination to "enforce the laws" in Utah.

Now will these troubled spirits stop a moment and tell us *what* laws they purpose to enforce? Are they Federal laws, or are they Territorial laws? If our memory serves us well, Judge McKean tried to enforce Territorial laws to a way that should have caused his prompt impeachment. Are you going to enforce Federal laws? If so, *what* laws? There is a Federal law against polygamy. It is not a new statute. It has stood untouched for many years. It appears to have escaped the notice of these gentlemen who are so anxious to "enforce the laws" in Utah. The country is misled to believe that the Mormon people are resisting Federal laws for the suppression of polygamy, and for the punishment of crime, whereas the truth is that no attempt has ever been made to enforce the anti-polygamy law by any man.

This paper neither defends nor apologizes for polygamy in Utah. It neither defends nor apologises for any crime that has been committed in that Territory. It would extinguish polygamy, as it would punish crime if it had the power. But it will continue to protest against lawless conspiracy and crime on the part of the representatives of the Federal authority as a means to the end as equally futile, dangerous and wrong for the correction of any evil, or for the punishment of any crime.—*Omaha Herald, Feb.* 11.

A CHALLENGE TO THE TERRITORIES. —*Editor News:*—We propose, on the part of Southern Colorado, to enter two or more horses in a sweepstakes race, to be run on the Ford Park track at Denver, on Thursday, May 1, 1873, to Nashville rules, viz.: Mile heats, best three in five. Entrance fee, three to five hundred dollars, four or more horses to enter. All fees and gate money to go to winning horse, after deducting track expenses. Open to all the territories for twenty days from this publication.

EVENING REFLECTIONS.

BY A DALRYMPLE.

'Tis night, and the sky is overcast
With darksome clouds as with a veil,
While memory floats back o'er the past
On Retrospection's barque so frail,
As down the stream I turn to see
That shoreless gulf, eternity.

While musing thus, a nameless chill
Pervades this mortal frame of mine,
Runs through my members with a thrill
That tongue or pen cannot define,
As that eternal bourne and clime
Is seen, the farther end of time.

Could I but see and understand
The scenes the future will unfold.
The great, majestic and the grand;
Eye hath not seen nor tongue yet told
Nor mortal man can e'er define,
But by God's Spirit most divine.

Ah muse poetic, come, I pray,
And shed a halo o'er my path,
Illuminate my devious way,
That I may shun impending wrath,
Moor my immortal spirit where
The wicked cease from troubling there.

He arrived in Lea Co., Iowa, the 1st of July. Here he enjoyed a season of rest in the society of the Saints. He was expelled, with the Nauvoo Saints, in 1846, following the pioneers, he arrived in Salt Lake Valley in October, 1847. He honorably filled various offices in the church. He was the first resident in Porterville, and has remarkable faith. He lived as a saint, and died in full possession of his mental powers. INDIGESTIBLE BREAD.—The reason why those baking powders in the market adulterated with Alum, Chalk, Earth, and other substances make bread and biscuits very indigestible is because they harden the gluten of the wheat and render it less soluble. Now this is not the case with Dr. Price's Cream Baking Powder; its purity and perfect combination enables it to render all articles easy of digestion, besides preserving their natural taste. Those who have not should test them, as also his elegant Special Flavoring, so strong, so pure, so true. d57 1w

PROCESS OF
Curing Disease by Medicated Vapor
IS ONE THAT IS FAST AND DESERVEDLY becoming popular, as hundreds of living witnesses can attest. Old chronic cases of years standing, and where all other medical aid had failed, are constantly being cured by it. The scales are falling from the eyes of an intelligent people, and the public daily being convinced of the follies of keeping on in the old beaten track of purge, purge, where failures are so universal. With this process no medicine is given, or applied, except in the form of vapor, which is received through the pores of the skin, and thus through the blood, which becomes purified by it, and without the slightest harm to the constitution.
LETTERS PATENT have been granted me, and any family with ordinary intelligence, can, by securing a family right to use the same, save themselves, in the course of a few years, hundreds of dollars.
Below find a list of some of the diseases cured by the process:
RHEUMATISM, NEURALGIA, DROPSY, LIVER AND KIDNEY AFFECTIONS, DIABETES, BRONCHITIS, CHILLS, SORE EYES, STYES, PIMPLES, SCROFULOUS AFFECTIONS OF EVERY FORM AND CHARACTER, PAINS, CRAMPS, SALT RHEUM, ITCHES, SCURVY, LEPROSY, FEVER-SORES, WHITE SWELLINGS, &c., &c., &c.
It removes the effects of all poisonous matters, Mercury, Lead, Arsenic, &c., and restores a healthful circulation throughout the system.
Family Rights can be obtained of J. Best & Co., at the REES BLOCK, First South Street, over the Old Store.
Rooms are being nicely fitted up over their Store where patients can be received under treatment and furnished with Rooms and Board, comfortable as can be found in any Hotel in the city.
