Thomas J. Andersen has not been able to attend to his furniture business the past week, as he has been suffering from lameness. Bishop Niels R. Peterson of this city

Bishop Niels R. Peterson of this city has been quite ih for the last two days, and is confined to his bed at home. The smallpox scare is about over in this city, and within a short time we expect to be free citizens again in ev-ery respect. All the cases have been of a very mild nature, and nothing scrious has resulted so far. A number of fags have been taken down.

A MENANCE TO HEALTH.

A MENANCE TO HEALTH. Ridney trouble is an insidious danger, and many people are victime of a serious malady before the symptoms are recog-mised. Poley's Ridney Cure corrects ir-regularities and strongthens and builds up the kidneys, and it should be taken at the first indication of kidney trouble, as it is impossible to have good health if the kidneys are deranged. For sule by F. J. Hill Drug Co. season.

FRUIT OUTLOOK ALL RIGHT. Farms Changing Hands-Wm. N. Barker Called on Mission.

READ AND YOU WILL LEARN

That the leading medical writers and teachers of all the several schools of practice, endorse and praise in the strongest possible terms, each and every ingredient entering into the make-up of Dr. Pierce's Golden Medical Discovery, the famous stomach tonic, liver invigorator, heart tonic and regulator and blood cleanser. This is also equally true of Dr. Pierce's Favorite Prescription, for the cure of all those weaknesses and distressing ailments peculiar to women. No other medicines sold through drug-rits for domestic use, can show any such professional endorsement. Dr. Pierce's love monitoned remedies are non-alco-tolic and non-secret, all their ingredients pring printed on each bottle wrapper. They occupy a unique position and are X A CLASS ALL BY THEMSELVES. They ite neither secret nor nation mediant mediant. Read from the writings of the authori-ties above quoted, under the headings of Golden Seal root, Stone root, Black Cherrybark, Bloodroot, Queen's root and Mandrake root, in a little book of ex-tracts, compiled by Dr. R. V. Pierce, and which will be ent you free on request addressed to be Doctor, at Buffalo, N. Y., and you will learn that all these ingredients are recommended as reme-dies for indigestion or dyspepsia and "liver complaint," as well as for the cure of all catarrhal affections wher-ever located, also for the cure of lin-gering coughs, arising from bronchial throat and lung affections. All are in-gredients of "Golden Medical Discovery," combined in such proportions that each enhances the curative action of all the others. in neither secret nor patent medi-ines. They are powerful to cure but misto use in any condition of the sys-sem even for the most delicate women ind children. The even for the most delicate women ad children. Pure tripple refined giveerine, which sued instead of alcohol both for ex-meting and preserving the active, medi-dial principles from the roots of the even American forest plants entering nto Doctor Plerce's medicines, is much uperior to alcohol for these purposes, and is entirely free from the objection-the features inherent in alcohol, inas-men as it produces only salutary influ-mes upon the system, while alcohol, transformed and the reatment of obstinate aliments is very injurious and often were a craving for stimulants. Fur-ternote, giveerine itself is a most inable curative agent instead of being harmful habit-forming agent like alco-tion believe, far surpass those of cod iver oil, entitling it to favorable con-ideration as a remedy in all cases of ableat consumption, especially when is combined with the active medicinal medicans froot Stone root, Golden Meta al Bloodroot, as in "Golden Meta is superior nutritive properothers. The "Discovery" must not be expected to produce miracles. While it is espe-cially suited for the cure of all chronic, cially suited for the cure of all chronic, cially suited for the cure of all chronic, lingering coughs that are curable, it is not so effective in neute colds and coughs unless slippery elm mucilage, flaxsed tea, solution of gum arable, or other mucilaginous demulcent be drank freely in connection with its use. Nor must the "Golden Medical Discovery" be expected to cure consumption in its advanced stages. In its early stages it will stay its progress and often effect a cure if its use be persisted in for a reasonable length of time. Send for the little book noted above and learn what those most teminent in the medical profession say of the ingredients out of which Dr. Pierce's medicines are made and thereby learn why they cure obstinate diseases. By reading some of the extracts from The second secon apared vitality and especially valuable inen associated and combined with such uperior alteratives and tonics as in Golden Medical Dircovery " and "Favor-ite Pracription." Its wonderful solvent properties also play an important part in the sure of gall stones and severe con-supption. In the little booklet above mentioned.

KAMAS. SERIOUS LOGGING ACCIDENT. Meritt N. Pack Severely Crushed-

Much Sickness in Town. Special Correspondence.

Special Correspondence, Kamas, Summit Co., Feb. 11.-Meritt N. Pack met with a bad accident tast even-ing when returning from the Pack mill with a load of logging. In coming down a steep grade Mr. Pack's load came in contact with a tree, loosening the plank that held the logging in place. A short distance further on the sleigh dropped into a hole, causing the load to part. Mr. Pack was thrown forward off the load, and the logging slipped forward upon him, pinning him to the earth. In some way one of the horses got on to the logging and Mr. Pack was badly crush-ed. Help was fortunately near, and he was conveyed to his home. Upon examina-tion it was found that the ribs in the left side were broken, and one pressed on the lungs. At present writing the load on the

place is practising regularly, getting in shape for the season, which opens on March 1. The club has put up their forfeit money for a series of games to be played for the Daynes cup. During last season the Eurekas did not suffer a single defeat and they feel certain that they will bring the trophy to Eure-

ka I. I. Boak, head consul of the Wood-men of the World, will visit the Eureka lodge Feb. 23.

NEED MORE SCHOOL ROOM.

Some time during the present mont? the taxpayers of Eureka will be given an opportunity to vote for the levy of a special tax to erect a new school building here. The schools are now overcrowded and the city hall has to be used to accommodate the pupils. It is hoped that the special tax will carry, so that a large and commodious build-ing can be erected by next fall.

REORGANIZING BRASS BAND. Manager Henry Matsch is busily en-gaged in reorganizing the Eureka band. Most of the old members are still in Eureka and several new musclans have signified their intention of joining the organization. The band has one of the hadsomest uniforms in the state.

The Mothers' club met at the schoolhouse on Friday with a large attend-ance. Mrs. James D. Slack was elected treasure, after which a fine program. consisting of songs, music and recita-tions, was rendered. An interesting paper was read by Mr. Beatty. The membership of the club is increasing rapidly and the ladles are very enthusi-astic in the school work.

RAILROADER SEVERELY INJURED

RAILROADER SEVERELY INJURED A serious accident occured at Rob-inson on last Wednesday in which G. T. Ingalls, a brakeman on the R. G. W. railway, had a close call for his life. Mr. Ingalls was taking two empty cars down the grade to meet the freight train at the ore bins at the Grand Central mine, when, owing to the slippery con-dition of the tracks the cars got be-yond his control and erashed into the train. Mr. Ingalls jumped, and in the dense fog fell on a pile of meks receive yond his control and crashed into the train. Mr. Ingalis jumped, and in the dense fog fell on a pile of rocks, receiv-ing a compound fracture of the right leg, and severe bruises. He was treated at the Tintic hospital and sent by spe-cial train to a hospital at Salt Lake.

INDEPENDENT TELEPHONE.

YALE WINS.

Harvard Gives in a Point on Eligibility Of Allied Schools.

Of Allied Schools. New Haven, Conn., Feb. 12.-The an-nouncement was made at Yale today that Harvard has accepted the proposition of yale, made at the athletic conference held here last week, that students in profes-sional schools be debarred from member-ship on university teams. Princeton has already acquiesced to the proposition. In Yale the action of Harvard is considered to be a great concession as the is strong in her professional schools, Yale did not have so many to draw from, and Prince-ton is the gainer, having depended al-most wholly upon her academic depar-ment for achietes. A further announce-ment made at Yale is that training table expenses of her athletic teams will be greatly reduced, and reforms to begin with the basebal land crew squads.
