TEASDEL'S.

The story is told of a man, who took the hands of his clock to the maker to have them fixed, because they did not keep proper time. Of course, the clock-maker mended the works, to them lay the trouble. Boils and blotches, pimples and other eruptions on the exterior tell of a disordered condition of the blood within. If you have these indications, be wise in time, and take Dr. Pierce's Golden Medical Discovery. It puts the liver and kidneys in good working order, purifies the blood, cleanses the system from all impurities, from whatever cause arising, and tones up the functions generally.

"Golden Medical Discovery" checks the frightful inroads of Scrofula, and, if taken in time, arrests the march of Consumption on the Lungs (which is Scrofula in the lungs), and cures the Worst, thereby curing all Skin and Scalp Diseases, Ulcers, Sores, Swellings and kindred ailments. As a tonic it acts as well as alterative, or blood-cleansing, in its effects, hence it strengthens the system and restores vitality, thereby dispelling all those languid, "tired feelings" experienced by the debilitated. Especially has it manifested its potency in curing Tetter, Salt-rheum, Eczema, Erysipelas, Boils, Carbuncles, Sore Eyes, Goitre, or Thick Neck, and Enlarged Glands.

"Golden Medical Discovery" is the only blood and lung remedy, sold by druggists, and guaranteed by its manufacturers, to do all that it is claimed to accomplish, or money paid for it will be refunded. WORLD'S DISPENSARY MEDICAL ASSOCIATION, Manufacturers, Buffalo, N. Y.

A FATAL MOVEMENT.

Custer Said to have Been Disobedient to General Terry's Orders.

RESOLUTIONS BY THE IMMIGRATION CONVENTION.

Manager Clark, of the Union Pacific, Will Follow a Sound Policy.

By Telegraph to the NEWS.

IMPORTANT REVELATION.

Custer's Fatal Movement, a Violation of His Orders.

NEW HAVEN, Conn., Dec. 19.—The remains of Major-General Terry were placed in their resting place this afternoon. At 1 o'clock services were held at the home of the deceased for members of the family only. The remains were then transferred to the United Church, and until 3 o'clock the public allowed to gaze on the face of the deceased. Then services were held, during which minute guns were fired, and the bell in the City Hall tolled. The remains were interred at Grove Street Cemetery. The pall bearers were eight sergeants from the Second Regiment. The honorary bearers were ex-Governors Harrison and Ingersoll, Lieutenant-Governor Mervin, Judge Hollister, F. Francis Wayland, Henry A. Blake and Arthur D. Osborne.

In his address at the funeral of General Terry today, Rev. Mr. Munger, referring to the fact that the old soldier has been somewhat criticised in connection with the Custer massacre, said he was authorized now to speak of the facts without reserve. Custer's fatal movement was in direct violation of the written and verbal orders of General Terry. When his rashness and disobedience ended in the total destruction of his command, General Terry withheld the fact of disobedience of orders and suffered an imputation hurtful to his reputation to rest upon himself rather than subject brave but indiscreet subordinates to the charge of disobedience. The fame of a dead comrade was dearer to him than his own, even though that fame had been forfeited.

MANAGER CLARK.

He Does Not Want to Discharge the Old Hands on the Road.

OMAHA, Dec. 19.—"If the former administration made a mistake in discharging the old men on the road, it is no reason why I should make that mistake."

This was the answer of S. H. H. Clark, general manager of the Union Pacific, when asked this morning about the organization of the road. Mr. Clark added that the Union Pacific no doubt has good material, and that he should be slow to make changes and should make them only after seeing what the men are doing. He thought there was too much importance attached to the belief that there would be many changes. He had no friends to reward and no enemies to punish, and did not want to create an unnecessary anxiety. He believed, as he had told Mr. Adams when the latter took charge, that a railway was like a piece of machinery, and the simpler it was the better.

THE IMMIGRATION CONVENTION

Resolution to Build Up the South by Immigration.

ASHEVILLE, N. C., Dec. 19.—The Interstate Immigration Convention concluded business today. A resolution for closing the World's Fair on Sunday was referred to the national commission. A resolution to recommend to the governors of the States represented in the convention the appointment of a committee to act in conjunction with another committee and to be known as the "Promotion Committee of the World's Fair," was adopted.

The report of the committee on legislation says unity of action by the Southern States can best be secured by a concerted system of legislation, and request the convention to provide for the appointments of

COMMISSIONERS OF IMMIGRATION,

whose duty it shall be to form a board of Southern immigration to co-operate with the bureau in building up the South and that the executive committee present to the Legislatures suitable bills to carry this recommendation into effect. Adopted.

The report of the finance committee recommended that the governors of the Southern States be requested to call on the Legislatures for aid, and that appropriations of $85,000 from each State be asked, for an exhibition at the World's Fair. Adopted.

Another committee reported in favor of advertising resources by trains of cars filled with Southern exhibits, to be sent all through the North, East and West.

As but four of five States have efficient State organizations, strenuous efforts will be made to induce the other States to organize.

Americanism in Politics.

NEW YORK, Dec. 19.—Theodore Roosevelt told the members of the Nineteenth Century Club tonight several things about "Americanism in politics" which probably they had not thought of. He laid the foundation for his talk by remarking that a good, healthy American spirit would not prevail until the prefixes were knocked off from the word American. This country has no use for Irish-Americans, German-Americans, Italian-Americans or any other kind except plain, straightforward Americans. That one word ought to cover the whole population of the United States.

"It is all right to adopt the welcome foreigners to this country," continued Mr. Roosevelt, "but we have a right to demand that they shall leave their native politics at home, and become real Americans. It is an outrage for a people living here as citizens to mix up Irish politics, British politics or any other foreign politics with our politics. Americanism is not a matter of birthplace or creed. It is a matter of spirit, of character, and of loyal citizenship."

The "Staats-Zeitung" Sold.

NEW YORK, Dec. 19.—The *Herald* this morning says the New York *Staats-Zeitung*, for so many years the property of the Ottendorfers, will change proprietorship January 1st. Herman Ridder, owner of the *Catholic News* and *Katholisches Volksblatt*, will take charge of the great German daily. The price to be paid is stated at $4,000,000, with the understanding that neither the editorial policy nor the editorial management will be changed during Ottendorfer's life.

The "Boston's" Narrow Escape.

NEW YORK, Dec. 19.—The cruiser "Boston," which is lying at the navy yard awaiting a new crank shaft, had a narrow escape from being destroyed on Thursday night. A big piece of metal weighing three tons, was hoisted ten feet on a derrick to be put aboard the "Boston," when suddenly the chains snapped and the shaft tumbled on the capstan. The latter and the shaft were smashed, entailing a loss of $40,000. Had the shaft struck the vessel it would have gone right through her. An investigation is ordered.

A Female Pedestrian.

OMAHA, Dec. 19.—Zoe Gayton, who is making the walk across the continent from San Francisco to New York, reached here today, and is now stopping at the Revere House in Council Bluffs for a rest. From there she will start west.

Cuban Bandits.

NEW YORK, Dec. 19.—The *Times* letter from Havana says two of five criminals, Valentine Sanchez Lopez and Guillermo Perez Cruz, under sentence of death, were executed at Santa Para Saturday morning. They were tried and convicted of the sequestration and assassination of Don Thomas Caceria, in the Vergo Enrique district of San Juan De La Remedios, March 8, 1885, nearly five years ago.

Manuel Garcia and his band have not been captured yet. This no doubt gives encouragement to the class who live by robbery and murder, whose exploits are chronicled daily in all the newspapers of Havana and will deter many people of the United States from coming to Cuba for the cold winter months. The robberies from persons and from domiciles are so frequent that the people are afraid to venture out on any streets beyond the compact parts of the city. This state of things is certainly deplorable.

Wisconsin Lands.

WAUSAW, Wis., Dec. 19.—Nearly 500 men are camped in Courthouse Square tonight waiting to file claims on the "Water Reserve" lands tomorrow. But a small proportion of this number can secure good claims, and trouble is looked for in the morning. The military company has been notified to be in readiness in case of a riot. There was nearly a serious fight tonight when the policemen attempted to clear the Courthouse yard. Several men were clubbed and knocked down in the fight which followed.

How Severe Colds are Broken and Ill Resisted.

[From the Virginia City, Mont. Madisonian.]

When we find a medicine we know to possess genuine merit, we consider it a duty, and we take pleasure in telling the public what it is. Such a medicine we found Chamberlain's Cough Remedy, last winter, when la grippe was prevailing. We are satisfied that we warded off several attacks that were threatening by the use of this syrup, and we have since relieved, in a few hours, severe colds, and in the course of two or three days, entirely broken them up by its use, as have several of our friends to whom we have recommended it. It is all that it is represented to be by the manufacturers. If you have a cough and want to stop it Chamberlain's Cough Remedy will do the work. For sale by Z. C. M. I. Drug Dept.

I write for the benefit of others.
