## ARMORY FOR OGDEN.

At Ogden removal of activity is very noisy. The armory is scheduled to be built there at once, is responsible for some of it, while the personal energy of Captain Kuekes, who was one of the signal efficient gunners in the Philippine volunteers, is responsible for more. This company is coming into form for the campaign in the next year, and every leader and will probably take down nearly 40 men.

## NAYLOR AND SKIDMORE.

In company D of this city an election for captain was held last night, resulting in the choice of Sergeant William Naylor for the position, the only other candidate being Lieut. Peck.

In the Signal corps Lieut. A. J. Skidmore, who has been a commanding officer for some time, was unanimously elected captain. He will take his command to the encampment in fairly good condition.

The estimated strength with which the guard will go to war is now about 1,000, and with prospects of increasing the number to perhaps 240, which passes the figures for last year.

## MRS. HORNE'S FUNERAL.

Held This Afternoon in the Salt Lake Assembly Hall.

The funeral of Mrs. M. Isabella Horne, the respected Relief society worker, whose demise occurred on Friday night last, was held in the Assembly hall at a late hour this afternoon. The hall was well filled with sympathizing relatives and friends, and remarks were made by leading Church officials. The services were particularly touching, in that Mrs. Horne devoted the greater part of her life to the service of God. There were also appropriate musical numbers and many beautiful floral emblems.

## IN MEMORIAM.

General Board Relief Society Pays Tribute to Mrs. Horne.

The general board of the National Woman's Relief society has issued a statement on the death of Mrs. M. Isabella Horne.

We, the members of the general board of the National Woman's Relief society, feel to express our appreciation of the worth of Sister Mary Isabella Horne, who we send to her rest Aug. 25, this Sister Horne, long life of usefulness was characterized by benevolent deeds and loving kindness. As a wife, mother and home keeper she was a noble example. Her hospitality is remembered from the early days of the church, and she died in her home in Canada, Far West, Navajo and Winter Quarters. Her wise judgment and executive power have been a strength to the organizations to which she belonged. When a member of the first Relief society of the state, president of the old Salt Lake stake Relief society, and an officer of the general board, she gained the love and confidence of her associates. Her great faith and knowledge of the Scriptures were an inspiration to all.

We shall miss her wise counsel and advice.

To her noble sons and daughters, whose devotion is unsurpassed, we extend our heartfelt sympathy.

## MR. JOHNSON'S POSITION.

Says Statement That He Was Denied Hearing is Incorrect.

To the Editor.

Spanish Fork, Aug. 25.—As the report in the Tribune concerning my actions in the Nebel state conference held at Spanish Fork is not correct, I wish through your paper to inform your readers how I stand in this matter.

I was told then all I wanted to tell them, and I believe in an strong language as I ever expressed myself to anybody, before. There was no restraint put upon me except free speech. I do not know if I have understood the punctuation of five Bisbom in Spanish Fork. They have never approached me in any unfair way. Neither they nor anybody else on higher standing in the church than myself have ever done so. I am sorry to say, this kind of trial in the Tribune.

I have once or twice been given cause by the president and I told him that I absolutely would not take it. Free speech and free agency have so far never been denied me in the "Mormon" Church. I have always, my dear friends, tried to speak up for the principles of the church, and I have done so, and my Bishop being present, in that time I told them all I wanted to tell them, and I believe in an strong language as I ever expressed myself to anybody, before. There was no restraint put upon me except free speech. I do not know if I have understood the punctuation of five Bisbom in Spanish Fork. They have never approached me in any unfair way. Neither they nor anybody else on higher standing in the church than myself have ever done so. I am sorry to say, this kind of trial in the Tribune.

I am told now that the Tribune says "Here is a man that's no Mormon slave." That is true. I am not, nor do I think it is necessary for anybody to be, that don't want to be. I have always been free speech. I do not know if I have understood the punctuation of five Bisbom in Spanish Fork. They have never approached me in any unfair way. Neither they nor anybody else on higher standing in the church than myself have ever done so. I am sorry to say, this kind of trial in the Tribune.

## PREVALENCE OF BRIGHT'S DISEASE

CHICAGO'S HEALTH Commissioner, Dr. Rognes, reported on Oct. 8 last, that out of 100 applicants for Fire Department positions, 15 in every 17 were rejected for Bright's Disease. In addition, it is not reassuring to learn that 6 per cent of Chicago's male population in early manhood is stricken with Bright's Disease.

In older people the percentage is higher, and Dr. Louis of Belvoir Hospital states that from the estimates 30 per cent of men and women over forty have it in some form.

The census gives support to the above. It shows that the annual deaths from Bright's Disease have increased from 17,720 in 1870 to 35,940 annually in 1900.

There were no deaths reported from Bright's Disease before 1850. The deaths were then believed to be due to kidney trouble, and were so reported.

When we suspect Bright's Disease—weakness or loss of weight, puffy ankles, hands or eyelids, kidney trouble after the third month, urine may show sediment, failing vision, drowsiness; one or more of these.

We desire to place in the hands of those having Bright's Disease a 30-page report on a large variety of test cases put on Fulton's Royal Compound for Bright's Disease. It shows 37 per cent of recoveries, and the ultimate fatal disease. The pamphlet is free. P. J. Hill Drug Co., Art., Salt Lake City.

The Wyoming Central is the Northwestern's extension from Casper to Lander. The increase in capitalization is not the largest, which is accounted for by the fact that the Northwestern's extension, which now comprises the extension of the Casper-Lander line across the state into Idaho and thence to Salt Lake City, and possibly to the Pacific coast. When contracts were let a month ago for the extension from Casper to the state line, the cost of building the road only \$1 per foot. Spider creek, at the eastern edge of the Indian reservation, but it is not yet completed.

Mr. Grant has taken much comfort with his family in this lovely home, but with the death of Mrs. Grant, and everything about the house to remind him of her, he has felt that a change is undesirable. The neighbors, however, are kind and considerate, and he expects to remain in his home as long as I go right along, and do what is right both as a Church member and a citizen. The "Mormon" church members are subject to discipline in law and civil standing if they do wrong, and they can long be maintained if otherwise.
