

D. W. C. ELEVEN BESTS Y. M. C. A.

Christians Could Not Hold the Colorado Gridiron Heroes.

THE SCORE STOOD 29 TO 0.

The Locals Put Up a Game Fight Throughout, but Were Clearly Outclassed by the Wheelmen.

"Fortunate indeed are they who expect nothing, for they shall not be disappointed." Thus quoth Judge Dana T. Smith as he watched certain men from Colorado smash through the line of the Y. M. C. A. football team at Walker's field Saturday afternoon. The judge, and one or two other persons had a lurking suspicion of what would happen, hence the above consoling exclamation.

Twenty-nine to nothing is the list of casualties. The visitors wanted to make it thirty and were greatly disappointed at the result. That it was not a hundred was due entirely to the fact that the home guards put up a most stubborn fight against their Sampson-like neighbors from over the line. It was a case of the "survival of the fittest." The chaps from Denver simply snapped the hogline and started forward in a bunch. If the man who had the ball could not stand up, they held him up, used him for a bat-

tering ram and proceeded to a touchdown. Once in a while an end run was attempted more by way of amusement than necessity. But it mattered not what kind of play was used, big gains were always the result.

The game consisted of twenty-five and twenty minute halves, making 50 minutes of actual playing. Time taken out for repairs, on account of bruised eyes, broken heads, twisted ankles, etc., was exactly 44 minutes.

As before stated, the home team put up a game fight but it was a hopeless one. Once they held their opponents for downs but immediately fumbled the ball and lost it. Once or twice they made slight gains by punting but the D. W. C. rushed the ball back again. During the last half, the locals had the ball within close range of Colorado's goal and Bert Margetts tried to punt for goal. The first time the ball was blocked, fumbled but immediately recovered. The next time Bert kicked the sphere against Mort Allen's spine and the pesky thing bounced backward about fifteen yards where it was captured by one of the giants.

For the Y. M. C. A. Mort Allen was about the whole thing. He was here, there and everywhere and was not afraid to get in where there was danger of getting hurt. This can not be said of others. There were two or three who always managed to rush in when every thing was down. Seare and Christy did some fine tackling and so did Bassett. The Maori got a kick on the hip which put him out of the fight and Thomas took his place. "Fat" Schuler retired before the first half was over with but took a hand in the melee later.

The first touchdown was made after four minutes' work. The visitors bucked their way down the line and shot Paige over with ease. Walker kicked goal. The same thing was repeated after nine minutes' playing. Paige was thrown through center and Walker kicked goal, making the score 12 to 0 in favor of the Denverites.

When the visitors got the ball in the second half they plowed their way down the field as though the Y. M. C. A. line were made of paper. Before the spectators knew it, Caley was sent over for another touchdown and Walker kicked another goal. Score, 18 to 0.

On the kick off Margetts sent the ball to Van Stone, who advanced it twenty-five yards. The wheel club was then

penalized for holding and the ball went to Y. M. C. A. Allen took the ball and made three yards around right end, but fumbled it and Wheeler secured it. Paige of the Wheelmen fumbled and Seare got the ball. The next play, Thomas got the ball and deliberately dropped it when one of the big fellows made for him in a rather savage manner. Then there was another march down the field, Van Stone going over the line for another score. Walker missed goal this time. Powers got the ball in the kick off and wheel club carried it down the field in record-breaking time, and Van Stone was again shot through the line and Walker again goal.

FOOTBALL AT OGDEN.

Salt Lake High School Eleven Defeated by Ogdenites.

The game at Ogden Saturday afternoon between the Ogden and Salt Lake High school teams resulted in defeat for the home eleven by a score of 12 to 0. VICTORS GO HOME.

Wheel Club Team Left for Denver Yesterday Morning.

The victorious Denver Wheel club football team which has twice defeated the Y. M. C. A. footballists, left for home yesterday morning, feeling none the worse for their second victory. The boys all expressed themselves as well pleased with the visit and said they would like to come again. Van Stone and Zilligian said they liked the city so well they would probably locate here before long.

OUTSIDE EVENTS.

PRINCETON VS. CORNELL
Formers Scores a Hard-Fought-For Victory by Narrow Margin.

Ithaca, N. Y., Nov. 2.—Princeton scored a hard-fought-for victory over Cornell this afternoon by the narrow margin of two points, the final score being eight to six. Princeton won on a safety allowed by Referee Wrightington, but was vigorously protested by Cornell. It resulted from a trait for a goal from the field by Right Tackle Dewett. The ball missed the goal posts by several feet, but it was picked up by Brewster, Cornell's quarterback, who was shoved back over the line by a Princeton player. Cornell took the position that the Princeton man was off side before Brewster took possession of the ball, but the official decision was to the contrary.

It was too dark to distinguish tie teams before time was called, and because of this the deciding play was made more uncertain. The score had stood 6 to 6 throughout the greater part of the second half and a tie game was looked for.

INDIANS AGAIN BEATEN.

Michigan University Eleven Wins by Score of 22 to 0.

Detroit, Mich., Nov. 2.—The University of Michigan defeated the Carlisle Indians school football team at Bonnet park this afternoon, before 8,600 people, by the score of 22 to 0. Wu Ting Fang, the Chinese minister, occupied one of the boxes, with ex-Secretary of War Alger, and at the close of the game, in response to the demands of the spectators, addressed them, congratulating Michigan on her victory.

Michigan made three touchdowns. Shorts kicking goal twice and scoring five points on a place kick. Two of the touchdowns and the place kick were made in the first half. The Indians braced up wonderfully in the second half and it was only by the hardest kind of line bucking that Michigan scored one touchdown. Carlisle held them for downs several times and Michigan was also forced to punt a number of times. The Indians were penalized frequently for off-side play, especially in the first half, when it contributed considerably to Michigan's touchdowns.

Michigan fumbled badly in the first half and her interference at one time was as good as it has been in other games this season. Most of Carlisle's gains were made by "wing-shift" play, the entire team attacking the Michigan line between end and tackle. Michigan, however, finally solved the play and broke it up. Michigan's gains were made principally by hard line bucking.

COLUMBIA WINS.

Pennsylvania Shut Out in a Lively Contest.

New York, Nov. 2.—Between 8,000 and 9,000 people saw the Columbia football team shut out the representatives of the University of Pennsylvania at the Polo grounds today. In the first half Columbia scored two touchdowns, from one which a goal was kicked, while the Pennsylvania men failed to get near their opponents' goal line. In the second half the University of Pennsylvania men played a much stronger game, and for the greater

part of the time they kept the ball in Columbia's territory. They finally weakened, however, and while they kept the wearers of the blue and white from scoring, the ball was in Pennsylvania's territory when time was called, the final score reading: Columbia, 12; Pennsylvania, 0.

ATHLETES TO MEET.

Important Matters to be Discussed at the Annual Gathering.

New York, Nov. 4.—At the annual meeting of the amateur athletic union on Nov. 18 many important topics will be discussed, among them the following: At the recent Canadian meeting Dr. Geo. McK. Hall, of the Y. M. C. A. of Buffalo, competed and won the pole vaulting contest. He was protested on the grounds of professionalism, as it was charged he competed for money in Syracuse and also in Canada. Secy. Sullivan of the A. A. U. has received letter from the secretary of the Canadian association asking the co-operation of the A. A. U. in ascertaining the truth.

The Harry Gill case also is likely to come up for adjustment. Gill was charged with having accepted money for coaching a western college team at an A. A. U. championship meeting and competed under protest. The matter was referred to the Central association, in whose territory the act was committed. Mr. Gill has written to the A. A. U., saying that he would like to have his case transferred to the Canadian A. A. U. on the ground that he could attend meetings there and defend himself, whereas if it was tried in America it would be a hardship on him to attend the committee meetings. His application has been referred to the president of the central association.

PLAYED THE GAME.

Final Score Was Chicago 17; Beloit 17—Some Brilliant Work.

Chicago, Nov. 2.—The brilliant work of Merrill, Smith and McRae averted impending defeat for the Beloit eleven today and the final score was Chicago, 17; Beloit, 17. The first half was uninteresting, Chicago going down the field twice for touchdowns, on one of which McNab missed a goal which might have won the game. Early in the second half Sheldon,

who carried the ball over in the first half, was again rammed past the goal and Ellsworth punted, making Chicago's last 17 to Beloit's 0.

Then the Wisconsin men came to life. From their twenty-yard line they forced the ball to Chicago's fifteen-yard line and Merrill kicked a goal from field. It took Beloit about ten minutes more to force the ball back to Chicago's twenty-yard line, where Merrill took the ball around Chicago's left for a touchdown and later kicked goal.

Beloit made the next touchdown by straight football, during which Horton, Sheldon and Beddall had to be taken out of the game. Perkins, Jennings and Napp respectively taking their places. Cronk early in the game was substituted for Crane and Beloit carried the ball for the last touchdown and kicked the goal, which made the game a tie. Attendance 2,900.

Whitney estate at Whately. A number of the members have been the guests of James L. Kernochan for several days and have given their hours preparatory work on the Hempstead plains.
