where a few years ago. It is an old place on which to bring life to a house, and, as you would say, it is a house and it is built. The streets of Ball are very old and one of the most attractive houses and streets of the city is the house of the late Dr. C. W. Hargrove who, with his energy and the expenditures of his money, has created one of the finest residences to be found in the west. He has stated it is two miles and a half in length and 34 feet wide. It is more from the city and the center just founding enough to permit
