

TRACKLAYING RECORD MADE.

California Gang on San Pedro
North of Daggett Does
Fine Work.

10,000 FEET DOWN IN ONE DAY.

The Gap Between the Ends of Track
Now Only Measures Seven-
teen Miles.

The Utah track laying record referred to in another part of this issue of the "News," has just been beaten by the California track laying gang on the San Pedro line north of Daggett, when men under the direction of Engineer Hoey laid 10,000 feet in one day, or nearly two miles. This constitutes a record.

TEA

How does it happen that
all good tea comes to Schil-
ling?

It doesn't; not all; not all.
Your grocer returns your money if you don't like
Schilling's Tea.

Always at
the foot of
the class

Do not blame
the boy for be-
ing dull and
stupid. You are the stupid one!
Stupid because you never thought
about his liver. There is where all
his trouble lies. A sluggish liver makes
a sluggish mind. A boy cannot study
when his blood is full of bile!

Ayer's Pills act directly on the liver. They are
all vegetable, sugar-coated. Dose, just one pill
at bedtime. Sold for 60 years. Always keep a
box of these pills in the house.

Made by the J. C. Ayer Co., Lowell, Mass.

for this part of the country, and the
California division management feels
particularly happy over it. Some of the
trackmen, however, who participated in
this 10,000 feet feat, were part of the
Utah gang who performed the track
laying stunt previously accomplished,
so that it is not so much of a Califor-
nia achievement after all.
The gap between the north and south
ends of the tracks is now only 17 miles,
and it will not be long before the ends
aforementioned meet, and a "marriage of the
east and west" second only to the Pro-
montory incident of 1869, will take place.

PURSE SNATCHER.

Two Young German Ladies Have an
Exciting Experience With Thief.

Margarette Zimmerman and Miss
Cyprie, two young women recently ar-
rived from Germany, had an exciting
experience with a purse snatcher about
9 o'clock last night while on their way
home. They fought with the thief and
chased him for a block before they re-
covered the purse taken by the man.
They were at the corner of Fifth
East and Eighth South when a man
suddenly seized Miss Zimmerman's
purse. She held onto the purse but the
thief broke the chain and started to
run. The young women courageously
took after the fellow and were gaining
on him when he turned around and
threw the purse at them. There was
about \$3 in the purse but the robber
secured nothing.

TOOK CHLOROFORM.

Agnes Cole Attempted Suicide at Halls
Hotel.

A girl named Agnes Cole attempted
to commit suicide early this morning at
the Halls hotel because of her love for
one of the roomers, Fred A. Brown. The
woman took chloroform and then went
into Brown's room to die. Brown found
her there and aroused the entire house-
hold and nearly the whole neighbor-
hood. Several doctors and policemen
rushed to the scene and Drs. Benedict,
Cannon and Paul assisted in reviving the
woman.

MIDWAY.

The cut of the Hotel Ritter and its
accompanying Hot Pot, as illustrated on
the Wasatch county page, is erroneously
said to be in Heber City. It should
read, "Ritter's Hotel and Hot Pot, Mid-
way, Utah."
