**Ayer's
Hair Vigor,**
For restoring Gray Hair to
its natural Vitality and Color.

A dressing which
is at once agreeable,
healthy, and effectual
for preserving the
hair. Faded or gray
hair is soon restored
to its original color
with the gloss and
freshness of youth.
Thin hair is thick-
ened, falling hair checked, and bald-
ness often, though not always, cured
by its use. Nothing can restore the
hair where the follicles are destroyed,
or the glands atrophied and decayed.
But such as remain can be saved for
usefulness by this application. Instead
of fouling the hair with a pasty sedi-
ment, it will keep it clean and vigorous.
Its occasional use will prevent the hair
from turning gray or falling off, and
consequently prevent baldness. Free
from those deleterious substances which
make some preparations dangerous and
injurious to the hair, the Vigor can
only benefit but not harm it. If wanted
merely for a

HAIR DRESSING,
nothing else can be found so desirable.
Containing neither oil nor dye, it does
not soil white cambric, and yet lasts
long on the hair, giving it a rich glossy
lustre and a grateful perfume.

FLORENCE

Sewing Machine!

In point of labor there is the same dif-
ference between thrashing with a flail,
or using a Thrashing Machine, that there
is between sewing by hand or using a
good Sewing Machine.

We have just received a con-
signment of forty Machines
and can now offer an as-
sortment of all the vari-
ous styles manufactur-
ed by the Florence
Company.

PARTIES INTENDING TO PURCHASE SHOULD
MAKE THEIR SELECTION EARLY.

CHAS. S. HAMMER, General Agent.

The Florence Sewing Machine has no fancy
combinations or other complicated attach-
ments; it has no uncertain wire coils or wire
levers. Its manufacture is conducted by a
thoroughly RESPONSIBLE COMPANY,
and in purchasing a machine you need have no
fear of ever being unable to purchase needles
and other findings. The Florence is the ONLY
COMPANY that keeps its machines in repair
free of charge, no matter when sold or where.
It is our ambition to have every Florence Ma-
chine give entire satisfaction.

The Florence lays no claim to cheapness, we
aim at perfect finish; every machine goes
through the company's adjusting room, and
must then pass the inspector's office, before
going out to Agents; the least inaccuracy will
condemn it.

They are probably the highest priced Machine
in the American market, and being built of
HARDENED STEEL, by SKILLED
WORKMEN, aided by all the appliances that
capital can bring to bear, it is offered at a price
commensurate with the value of the article, and
can be brought into about as honest compari-
son, with its numerous CAST IRON competi-
tors, as a watch from Jergenson or Jacat may
be compared with the Nickel or Orolide offer-
ings of a Chatham Street Mock Auctioneer.

It is a growing knowledge of these facts that
has gained favor so steadily for the Florence
Machines, and made them the Universal favor-
ites, wherever prejudice is laid aside and hon-
est comparison made.
That very excellent authority the American
Institute, New York, awarded the FIRST PRE-
MIUM to the FLORENCE over Thirteen
Competitors, and in their report the commit-
tee very tersely remarked, "This is better
than any of its class known to the
Judges."

It may be proper to remark here that the
Florence Machine of the present manufacture
is vastly improved, and the first of these im-
proved Machines ever offered in Utah are those
sold at the Branch Office at Salt Lake.

Among the recent purchasers from this office,
we beg leave to refer to the following parties:

SALT LAKE CITY,
John Sharp, Jr., Warren Hussey,
