For all the bitter opposition of jealous rivals, no better illustration could be had of this fact than the immense sale already attained by the great Throat and Lung Remedy, Dr. Aug. Kaiser's German Elixir.

For the cure of Coughs and Bronchial Affections, it is truly wonderful, even those suffering from Consumption in advanced stages find great relief, and numbers of patients have found, to their delight, not only relief but cure. It being perfectly harmless, makes it at once popular with mothers, who of all others have felt the necessity of such a medicine. The genuine bears the signature of Dr. Aug. Kaiser, and has his name blown on every 75 cent bottle. A trial size may be had for 25 cents.

While in New York this winter or spring, you need not pay *tuition* for meals that you only get *once*. In other words, the Grand Central Hotel, on Broadway, is now conducted on both plans, the American \$2.50 or \$3.00, and the European \$1.00 and upwards, per day, which allows you to take your meals at the elegant restaurant attached to the hotel, at moderate prices, or to take a room only, and pay for what meals you get.

**ASK THOSE WHO KNOW.** Ask your physician if he has ever known a patient who has been cured of a disease by the use of the best plaster in the world. It has a reputation among physicians that no similar article known. Its superiority to any other plaster is very manifest.

**A Grateful Case.** indicative of health and purity, is communicated to the community by the sweetest scented SOZODON, which makes the teeth as white and as radiant as polished porcelain, and contains no ingredient that is not highly beneficial to both gums and teeth.

**A Household Necessity.** We very seldom call the attention of our readers to any article unless we are satisfied it is one possessing real merit; but from what we hear of HALL'S HONEY, OR HORMON, AND TARTAR, we believe we are only doing justice to the article when we here assert it is a specific for all Coughs, Colds, Influenza, and all the chest troubles of Throat and Lungs leading to consumption. We understand that C. N. Crittendon, of No. 7 Sixth Avenue, has, at a large expense, purchased the right of sale, and that he continues to manufacture the article according to the original recipe of the late Dr. H. H. Hall, a celebrated physician of Europe, who used it for years in his private practice. It is sold by all druggists at 50 cents and \$1.00 per bottle, the largest size being much the cheapest. Depot, CRITTENDON'S, 7 Sixth Avenue, New York City.

**PIKE'S TOOTHACHE DROPS** cure in one minute.

**EXPERIENCE** has conclusively shown that cutaneous eruptions, open sores, leprosy, scabies, and rheumatic complaints, HENRY'S CARBONIC SALVE is more efficacious than any ointment, lotion or embrocation that has ever been devised. Physicians admit this and the popular verdict confirms and attests the proposition. It is assigned this salve the foremost place among remedies of its class. Sold by all Druggists.

**A New Use for Cork.** The new cork floor covering—LINOLEUM—has ingratiated itself so rapidly into public favor that it is superseding all appliances heretofore employed for a like purpose. Its most remarkable feature is its extraordinary durability. In this respect, by other floor covering can compare with it. It is equally desirable for dining rooms, halls, churches and every variety of building. Kept by all first-class carpet dealers. The only genuine article has "LINOLEUM" on the back of every square yard.

**A Monument of Pure Gold.** Was erected by the Ancient Trojans in honor of a great feat performed by one of their number, but there is no record of the man's name. Gilted with gold and such a fate, his Cream Tartar, Baking Powder, Double Extracts and Cream Yeast are of such remarkable qualities that everybody who cares for richness, combined with purity, is using them.

**Returned Missionary.**—We had a call this morning from Elder John Morgan, who has just returned from an extended mission to the Southern States. For the last 15 months of his mission, which lasted about three and a half years, he was president of the Southwestern States mission, and the reports of his labors and ministry published from time to time, show how active and energetic he has been in the furtherance of the great cause of truth. He reports the mission in a prosperous condition, with a fair outlook for the future, and speaks in terms of praise of the force of young Utah Elders now laboring there, and likewise commends the courtesy of Col. Ed. F. Blomquist and Stephen H. Mills, railroad officials, for many acts of kindness rendered the emigrating Saints.

Elder Morgan started on his return from Chattanooga, Tenn., on the 23d ult., with a company of between 60 and 70, bound for Colorado, and arrived at Manassa on the 28th ult.
