SPECIAL BUSINESS NOTICES.

G. R. JONES, of the Empire Kilns, invites the attention of the public to his superior white lime, which he sells "very cheap for cash." Read his advt.

WHERE DOES IT COME FROM.—Pints and quarts of filthy catarrhal discharges. Where does it come from? The mucous membrane, lining the chambers of the nose, and its little glands, are diseased, so that they draw from the blood its liquid, and exposure to the air changes it into corruption. This life-liquid was to build up the system, but it is extracted and the system is weakened by the loss. To cure, gain flesh and strength by using Dr. Pierce's Golden Medical Discovery, which also acts directly upon these glands, correcting them, applying Dr. Sage's Catarrh Remedy with Dr. Pierce's Nasal Douche, the only method of reaching the upper cavities where the discharge accumulates and comes from.

Catarrh of Twenty Years' Standing Cured.

MONROE,
Onachita Parish, La.,
September 15, 1871.

R. V. Pierce, M. D.:

Sometime about last June I commenced the use of your medicines, and they have entirely cured me of Catarrh of twenty years' standing.

Respectfully,
MRS. C. E. PHILLIPS.

At Hyde Park, Cache Co., March 29th, of scarlet fever, WILLARD, son of John A. and Mary L. Wood, aged 5 years, 9 months and 13 days.

BY-LAWS, Rules and Regulations, of Mining Co's. printed at the NEWS Office.

LOCAL AND OTHER MATTERS.

THERMOMETER 54 degrees F. in the shade, at 1 p.m. to-day. Cloudy.

Meetings.—Religious services will be held to-morrow afternoon and evening at the various ward meeting houses, at the usual times.

Will Preach.—Elder Orson Pratt will preach in the 18th Ward Meeting House, on Sunday afternoon, commencing at 2 o'clock.

Will Preach.—Elder John Taylor is expected to preach in the Fourteenth Ward Assembly Rooms to-morrow afternoon, commencing at two o'clock.

"Sangwitch."—Old Sangwitch, the Indian chief who makes his headquarters at Paradise, Cache Valley, was in town to-day, with a number of his band.

Notice. — The Superintendents and teachers of Sunday Schools will hold their usual monthly meeting at the City Hall on Tuesday evening next at seven o'clock. A general attendance is requested.

Crossings.—A new plank crossing has been put down across Second South Street from the Atwood to the Blythe corner, and another is in process of construction between the Atwood and the Snow corner.

A Perfect Cure.—A South Australian paper announces that a Mr. Greathead, of that colony, has discovered that a dose of four drops of strong sulphuric acid in three-quarters of a tumbler of water for adults, and a smaller dose for children, is an infallible cure for diptheria.—*Ex.*

Going After Him.—This is how the Ploche *Record* puts the latest phase of the parson Newman business—"Bishop Ames is going after that renowned parsonic humbug, Dr. Newman. It is to be hoped that he will succeed in making the Reverend Doctor come to taw."

Stockholder's Meeting. — The stockholders of Z. C. M. I. met in the Old Tabernacle at two o'clock this afternoon, Vice-President W. Jennings in the chair. No business was done and the meeting was adjourned till the 2nd day of May, four weeks from to-day at the same hour and place.

A Comical Fellow.—Pat Wells is a peculiar fellow. He was before Justice Clinton this morning for drunkenness and disturbing the peace. He said, "Now, Judge, I hope ye'll be aisy on me; I'm a complate shtranger and far away from home." "Where do you live?" said the Judge. "In Copenhagen, yer honor."

Afflicted.—A man fell down in a fit yesterday evening, at the Z. C. M. I. corner. He seemed to suffer greatly for about half an hour. Some bystanders rendered him what assistance lay in their power. A person who stood near said the unfortunate young man contracted the affliction through jumping into some water to rescue his sister from drowning.

Beautiful Views.—We have been shown, at the art gallery of Mr. Savage, a fine collection of beautiful views of the Yellowstone country, photographed by Mr. J. Crissman, of Bozeman, Montana, who is now in town. The pictures are interesting, both on account of their excellency as specimens of art and the character of the scenery depicted. The Yellowstone region abounds in wonders and curiosities of natu e.

Butchering.— That fat hog just killed by Levi Garrett, the dressed weight of which is 810 pounds, is of the Ohio White Chester breed, and was one among a number of others imported by Mr. Paul A. Schettler, and was raised by Mr. George D. Watt, on his farm. It is said to be the largest pig ever raised in Utah.

There is some splendid stall fed beef in the market just now, from Cache Valley. It is the opinion of a large number that farmers who can do so would find it advantageous to feed cattle at certain seasons of the year specially for the beef market. For instance, good beef cattle just now command a ready sale at paying prices, money down.

Delivered.—On Thursday the sheriff of Morgan County delivered to the custody of Warden Rockwood, on a mittimus from the Probate court of the county named, one Jacob Arthurs. The latter had been sentenced by that Court to imprisonment at hard labor in the Territorial penitentiary for four years, and to pay a fine of $100 and cost of prosecution, for the crimes of seduction of, and lascivious cohabitation with, his step-daughter, and the mittimus directed the warden to see that the sentence was duly executed upon the prisoner.

Imprisonment for one year and payment of costs was the penalty affixed for the crime of lewd and lascivious cohabitation in the case, imprisonment for three years and a fine of $100 for seduction.

Assault.—Mr. Henry Brunton, proprietor of the Overland House, appeared before Justice Clinton to-day, to answer a charge of an assault and battery upon one Clifford Irvine. The evidence showed that the latter went into Mr. Brunton's place of business yesterday evening and, presenting a card, asked Mr. Brunton's patronage for himself and a person by the name of Swift, who had opened a labor exchange or intelligence office. Mr. Brunton, not holding a very high opinion of labor exchange concerns, requested him to leave the house. Irvine refused, and Mr. Brunton struck him. Justice Clinton assessed a fine of ten dollars for the assault and five dollars for profane swearing. The defendant gave notice of appeal, but afterwards reconsidered the matter and paid the fine.

Forty-Fourth Annual Conference.—It should be remembered that the Forty-fourth Annual Conference of the church of Jesus Christ of Latter-day Saints will convene on Monday, April 6th, at 10 a.m. at the New Tabernacle, when it will be adjourned till Thursday, May 7th. It is expected that the people will attend on Monday and that the meeting will be continued through the forenoon.

Seriously Ill.—We regret to learn that Elder Robert L. Campbell is seriously ill. He is laboring under a very severe attack of fever.

Gone to the Asylum.—Susan Vance, the Indian woman abused by a soldier named Duval, lately, being demented, was taken to the Insane Asylum to-day.

Marble.—Another large consignment of marble has just been received by Messrs. Morris & Evans, from California. If some enterprising capitalists would develop the marble deposits of the Territory, the necessity for such importations would soon vanish, and the community would be benefitted.

Good.—We have seen Mr. Alfred Lamborne's last picture, "Sunrise on the Plains." It represents an emigrant train of ox teams and wagons starting out at early dawn, in the vicinity of Chimney Rock, a waymark well remembered by those who crossed the plains before the railroad was built. The painting possesses many points of merit, and combines delicacy and force. Mr. Lambourne is a very promising young artist.

A Serious Difficulty.—There is a large number of boys in this City who are growing up towards manhood, and whose parents find it exceedingly difficult to obtain suitable employment for them. Every place where there appears to be any chance for a boy to get an opportunity to "learn a trade" is flooded with applications. The often expressed opinion that every young man should learn a trade, is a correct one, and it is time that some remedy was provided with a view to enabling those disposed to learn trades to do so, by giving them a fair opportunity.

Theatre.—There was a crowded and most enthusiastic house at the Theatre last night, at the benefit of Mr. W. C. Crosbie. This gentleman was the hero of the evening. He acted very well indeed, the play of "Caught in the Snare" is a good one, well performed. The speech of Mr. Crosbie was "immense." Mr. Harris's "sketch" was funny. The burlesque of "Our Cousin Hamlet" was a success, though too lengthy after the other play. Altogether, the benefit was one of the most satisfactory affairs of the kind that have come off since the re-opening of the Theatre.

This evening, "Marguerite of Burgundy" and "Our Cousin Hamlet."

On Monday evening, "Married Life," performance to commence at 8 o'clock.

KEITH BROTHERS, of Madison St., Chicago, manufacturers and jobbers of hats, caps, and furs, present their business card to the public to-day. This house is one of the largest in that city, and does a very extensive business. The firm have resident members in Europe constantly purchasing the latest styles of goods, and forwarding them to Chicago. They carry very heavy stocks of goods at low figures. The firm are in every way reliable, and have been doing a good business with our leading houses for several years. Those wishing to purchase goods in their line would do well to give them a trial; they will be found to be very accommodating.
