DESPERATE ASSAULT ON PORT ARTHUR.

It Continued for Three Days on Inner Defenses and Then Failed.

CANNONADING WAS TERRIFIC.

Japanese Displayed Fanatical Bravery -Their Losses Estimated at Twenty Thousand.

Chefoo, Aug. 3 (11 a. m.) .- A desperate three days' assault on the inner defenses, on the northern and eastern sides of Port Arthur, has failed, according to advices brought by two junks which arrived here today.

A Russian, who escaped from Port Arthur via Pigeon bay on the night of July 29, states that the earth trembled under the terrific cannonading which began at 4 a. m., July 26 and ended during the night of July 28, when the battle ceased.

A Chinese, who has arrived here on a separate junk, confirms the Russian statement that the Russian killed and ounded during the assault numbered

counded during the assault numbered between five and six thousand.

The Japanese in their repeated assaults against the eastern forts on the hills, through barbed wire entanglements and over mines, displayed fanation bravery. They were mowed downly the hall of shells and bullets and the explosion of mines under their feet.

Their losses are estimated at 20,000. The Russian declares that the Russian declares that the Russian below hill the eastern forts leading

slass held all the eastern forts leading to Golden hill, and that the Japanese shattered and exhausted, retired to the As related by the passengers of the

As related by the passengers of the two junks, the Japanese advance, which began from Kwokau before daybreak, July 26, was directed against Kikwan, Kinkitun, Kinkisham and Pchtoushan forts, lying near shore. The Russian eutposts were driven back, In the meantime Admiral Togo shelled the forts at long range, but the return fire of the forts kept his ships at a safe distance, rendering the comperation of rendering the co-operation of the fleet ineffective.

the fleet ineffective.
On the morning of July 27 the Russian fleet steamed out, keeping under the protection of the Golden Hill guns.
The Russian vessels did not fire on the Japanese and soon returned to their sephorare.

anchorage.

The assault on the northern side of the city occurred July 27. The Japaness left at Haikau advanced on the Russians at Shinshi Ying, but were re-Russians at Shinshi Ying, but were re-pulsed. The junks were within hearing distance for three days after leaving, but no more firing was heard.

YANSE PASS ABANDONED.

St. Petersburg, Aug. 2.—The emperor has received the following dispatch from Gen. Kuropatkin, dated Aug. 1: "According to the reports of the officer commanding the eastern portion of our army, his troops, after abandoning advanced positions in the Yangse Pass, retired toward Siamatzs and Liao Yang.
"Yesterday our troops, after a stub-born fight, retired from their advanced posts to their principal position, but although our troops held their advanced positions they sustained heavy losses, Lhope that in their main positions they will maintain a successful strugis even against the numerically supe-

"According to reports received during the last few days Gen. Kuroki has ef-fected a concentration of his forces in the direction of Saimatze and Lino Yang.

"All the Japanese troops which were posted in the direction of Bensikhon and near Sassyr seemed intended to operate on the right bank of the Taitse

"Today the enemy is acting undecided on the southern front, but a re-rennaissance has ascertained the being of a turning movement of the wing of our troops posted at Haitheng by at least three Japanese divi-

Our eastern detachment was gaged until poon today in the direction of Salmaize and Liao Yang. It was sen that the enemy was advancing, ap-parently in small bodies, against the right flank of our rear guard."

IN THE STOCKYARDS.

Special U. S. Agent Making an Investigation. Chicago, Aug. 2,-Inspector Carroll,

the special representative of the United States department of commerce and labor, who obtained the evidence for labor, who obtained the evidence for the government on which an injunction was issued about two years ago by Judge Peter Grosseup of the federal district court, enjoining the larger packing companies from combining in making the prices either as buyers of live stock or sellers of meat, was in the stockyards here this afternoon investigating condition. The inspector's prisence is by direction of the department of commerce and labor, actuated, it is stated, by direct orders from President Roosevelt, who is anxious to obtain exact information.

A description of conditions in the

obtain exact information.

A description of conditions in the stockyards at Chicago during the strike is expected to form an interesting feature of the report of the beef industry which will be made by the president to Congress in response to the Martin resolution passed at the last session. Fifteen or 20 inspectors are in the field under the direction of the department of commerce and labor, collecting information required by the terms of the resolutions.

THE OHIO'S SPEED.

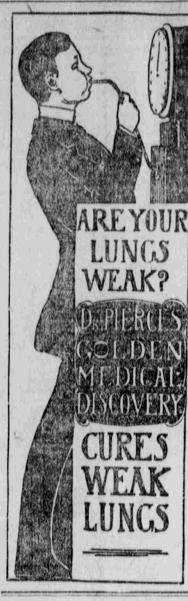

Official Trial Shows That it is Not Up to Contract.

Washington, Aug. 2.—Rear-Admiral ent aboard the battleship Ohio, which ment aboard the battleship Ohio, which was given her preliminary speed trial in Santa Barbara channel yesterday, reported to the navy department by telegraph today that the uncorrected figures for the Ohio's trip showed an average speed of 17.8 knots per hour. These figures are subject to change on account of tidal allowances. Under the terms of the contract the Ohio is to make 18 knots an hour. The penalty for falling below this speed is at the fate of \$25,000 per quarter knot for the first half knot under 18.

WASHINGTON DEMOCRATS.

They Name Ex-Senator George Turner for Governor.

sellingham, Wash, Aug. 2.—The state fatic convention assembled here ferroon to nominate candidates complete state ticket. mator George Turner was placed ination for governor by C. G. Heiner of King county, at 9 o'clock. The convention went wild with eathusimerioned a huge portrait was unfurled to view. The delegates immediately

snatched their county standards and commenced a march around the hall waving flags and handkerchiefs. The demonstration lasted 12 minutes, the

nomination being finally effected by a Stephen Judson was given a great ovation when presented for lieutenant governor by F. C. Robertson of Spokane, and was nominated by a rising vote. This was the signal for another march of the delegates around the hall.

march of the delegates around the hall. The ticket was completed as follows: Treasurer, George Mudgett of Spokane; auditor, R. L. Purdin of Kittitas; land commissioner, Van R. Pierson of King; superintendent of public instruction, W D. Gerard of King; secretary of state, Patrick Hough of Clarke; supreme judge, Alfred Battle of King; attorney-general, C. H. Neal of Lincoln.

TWO MASKED MEN.

Rob Store and Postoffice at Lida, Nevada.

Goldfield, Nev., Aug. 2.—Monday night, as Jerome Vidovich, store keep-er and postmaster at Lida, 25 miles south of Goldfield, was about to retire he was called to the door of his store by a loud knocking. As he opened the masked men, one of whom struck him on the left temple with a heavy revolver. The blow stunned Vidovitch temporarily but he soon recovered consciousness. Then he was ordered to open the safe, which was behind the counter. He staggered to the safe, both robbers holding their guns at his head. He experienced some difficulty in opening the safe, but finally succeeded and was compelled to turn over to the robbers

compelled to turn over to the robbers \$410 of his own money and the post-office funds. Then the robbers took two Winchester rifles, tied Vidovich to a chair and mounting two horses, made a hasty retreat.

As soon as he could be untied, the postmaster summoned two Indians who started in hot pursuit. The robbers were trailed to near Goldfield by the Indians, who came to town about 5 o'clock this afternoon. The constable o'clock this afternoon. The constable and a posse at once started in pursuit.

KIDNAPPED.

Little Danish Girl in Custody of Federal Authorities.

Chicago, Aug. 2—Elsie G. Ellert, a little Danish girl of five years, is in the custody of the federal authorities here. William Jensen and his wife, Mary Jensen. Also are in custody, charged with having kidnapped the child in Denmark. While it is stated that the child's parents are wealthy and that a ransom of \$200,000 has been demanded for her return to Denmark, the Jensens insist that they are in rightful possession of the little girl. For more than two years the Danish government has been searching for the Jensens and detectives in every large city of the United States have been looking for them. The chase ended today in Chicago, where they are located in North Halstead street.

where they are located in North Haistead street.

The story told by the Danish agents is that M. Gillert, father of the child, is one of the richest men of Denmark, and makes his home upon a magnificent estate at Frederica. In 1902 he had one daughter, Elsie, who was three years old, He had a valet of the name of Jensen, and there also was in the family a young woman nurse. Mrs. Gillert was ill and the little girl was almost entirely in the charge of the nurse. The valet and the charge of the nurse, it is said, taking the child with them.

The story as told by the Jensens is that they were prosperous trades people in

The story as told by the Jensens is that they were prosperous trades people in Denmark. The child, they say, practically was deserted by her parents, and out of pity for the little one they volunteered to care for her. There was no adoption. The Jensen's simply took Elsie, they say, with the mother's consent. Two years ago they came to America and brought the child with them.

High Tariff for Brazil.

Rio de Janerio, Anug. 3.—The chamber of deputies having passed on its first reading a bill raising the customs tariffs o a prohibitive rate without consulting he budget committee, the representatives here of the United States, Great Britain, lermany, Austria, Belgium, France and tally have simultaneously approached Italy have simultaneously approached the government asking it to use its in-fluence with congress for the maintenance of the old tariffs.

Chairman Taggart at Home.

Indianapolis, Ind., Aug. 2.—Thomas Taggart, chairman of the Democratic national committee, arrived here this evening from French Lick Springs and was met by an escort of several thousand local Democrats. There were specches by Mayor Holtzman, ex-Senator Towne of Minnesota; Senator Balley of Texas; State Chairman O'Brien and Mr. Taggart. It is expected Chairman Taggart will announce the members of the national Democratic executive committee to-

Japanese Captured Six Guns -- Losses On Both Sides Reavy But Not Determined.

Tokio, Aug. 3, 10 a. m .- The Japanese took Simou Cheng Sunday, Six guns were captured. The Japanese casualties were 400. The Russian loss was heavier. Gen. Kuroki's losses in Saturday and Sunday's fighting were

After a flerce battle the castern Russian force has evacuated Yang Tseullin (six miles west of Mo Tien pass). Gen. Kuroki has administered a se vere defeat to the Russian forces which defended the Russian east flank at Liao Yang, winning separate actions at

Tushullkeu and Yangse Pass.

These two places are 25 miles apart, but the two actions were fought at the game time. The Russians held strong positions. The thermometer registered over 110 degrees Fahrenheit, and the soldlers suffered cruelly from the heat and exhaustion. At Yushu-likzu the Russians had two divisions of infantry and some artillery, and they resisted the Japanese assaults vigor-

Both attacks were begun at dawn on Sunday, July 31. At Yushulikzu the Japanese carried the Russlan right and left wings, but on account of the strength of the main Russian position they were unable' to then press the attack. The two armies rested Sunday

night facing each other.
At dawn on Monday the Japanese re-

At dawn on Monday the Japanese renewed the attack and by noon they had
dislodged the enemy and driven him
four miles to Lacholing.
At Yangtse Pass also the Japanese
were successful. Their artillery opened on the enemy and the infantry
moved forward from Makumeze. The
attack on this place was made at 1
o'clock on Sunday, and by nightfall the
Japanese were in possession of a mawere in possession of a ma the Russian positions, al though the enemy had resisted with de-

The Japanese forces passed the night in battle formation and another assault was made on Monday at dawn. By 8 o'clock Monday Morning Yangtse Pass and the surrounding heights had been captured.

Gen. Kuroki explains the slowness of Gen. Kuroki explains the slowness of these actions by saying that the difficult topography of the battlefields made it impossible to secure good artillery positions, and that the great heat fatigued his troops.

The Russian force at Yangste pass was estimated at two and one-holf discountered.

was estimated at two and one-half di-visions and four batteries of artillery. The enemy retreated toward Tang-hoyen. Gen. Kuroki reports the cap-ture of some field guns, but the num-ber is not given. The Japanese casu-alties are being investigated.

OBSTINATE FIGHTING.

St. Petersburg, Aug. 2.—Gen. Sakha-roff, under date of Aug. 1, reports ob-ctinate fighting in the direction of the Saimatssa-Liao Yang road July 30 and Saimatssa-Liao Yang road July 30 and 31, the Russian vanguard retaining its positions until Aug. 1, when it retired to Yangze pass. During a reconnoissance in the direction of Feng Wang Cheng July 30, Gen. Sakharoff reports two officers and 34 men were wounded, and on July 31 during a reconnoisance in the direction of Liao Khantoia, two officers were killed and one officers were killed and one officers were killed and one officers and officers were killed and one officer and 30 men were wounded. The same day when her wounded. The same day when the Japanese occupied the pass between Yangshukan and Koutsiatze, 25 miles from Liao Yang, five officers and 40 men were wounded, Gen. Sakha-roff also says: "The enemy is acting undecidely on our south front."

LOST A THOUSAND MEN.

Liao Yang, Aug. 2 .- (Delayed in trans mision.)—The Russians' attempt to push back a numerically superior force of Japanese from Kuchiatan on July 31 resulted in an admitted Russian loss of

SALOON REFORM MOVEMENT. Bp. Potter Delivers Principal Address at a Tavern Opening.

New York, Aug. 2 .- Bishop Henry C. Potter delivered the principal address today at the formal opening of the tavern established by a number of leaders in the reform movement in the city. The purpose of the promoters of the enterprise is to serve pure liquor and food at low prices under the best possible moral conditions. In his address Bishop Potter said the keynote had been struck by this attack on the liquor situation. He said he believed in the old village tavern as a meeting place where a long evening could be pent without the necessity of intoxiatton.

"I belong to a dozen clubs," he said, 'If I want to go out to dinner or a social evening I can do so in any one of these clubs. But, what of the man who lives in two rooms with five small chil-dren? He has no club. To get his glass of beer with his luncheon he must

go to the saloon.
"This is the greatest social movement New York has ever known. It is a movement every one of you must take into account if you would save the re-

Bishop Potter concluded by wishing every success to the movement. The formal opening ended by singing the Dexology.

Seedless Apples at the Fair.

St. Louis, Aug. 2 .- The seedless apple is a new feature and comes to share the honors with the horseless carriage, the wireless telegraph, the smokeless coal and the seedless orange. It is a Colorado product and is on ex-hibition in the Horticulture building at the world's fair. It is claimed for the seedless apple that it is safe from frost because it has no blossoms. Several hushels of seedless apples are kept in cold storage and the supply is con-stantly kept fresh.

A STEERAGE PASSENGER. Came in a Ball Dress and Without Any Baggage.

New York, Aug. 3.—A young woman who made the trip from Southampton on the Red Star line steamer Kronland in a ball dress and without baggage, is now held on board that vessel, awaiting permission of the immigration authorities to land. She gave her name as Mrs. Constance Phelan and her last address as Cheltenham. England. The dress as Cheltenham, England. The ship's officers know nothing about her, except that she came aboard at Southampton, followed by two men, each bearing a case of mineral water. She declared that she was going to the hot springs of North Carolina, but had only

\$4 in money. Her father, she said, wa \$4 in money. Her father, she said, was James Hunter, a prominent chemist of Aberdeen, Scotland, and her mother was an American, whose name was Laura Price. She showed a letter from Ikin and Crowther, solicitors of Lincolnfield's Inn, London, which had evidently been written some time, and which declared that the woman had an annutry of \$63,000 and that her debta annuity of £3,000, and that her dobts would be cared for. It is said that the estate from which the woman draws her income is now in chancery, and that she now draws but £1,000 annual-

MYSTERIOUS WHITE RACE. Prof. Starr Going to Hunt for it In Northern China.

Chicago, Aug. 3.—In quest of a mys-terious white race, which lives in the mountains of Northern China, Prof. Frederick Starr, head of the department of authropology at the University of Chicago, will leave next spring fo a long stay in the orient. After search a long stay in the orient. After searching for the strange people in the mountains, Prof. Starr may spend the remainder of his life among the Chinese, for he declares that China, within three years, will occupy the center of the world's stage in commerce. His plans were announced in his lecture to his class in anthropology.

were announced in his lecture to his class in anthropology.

According to Dr. Starr, he will leave the University of Chicago at the end of this year's work. His first stop, after leaving America, will be Japan, where he may remain for two years, living the life of the Japanese people. After this he will make his long visit to China, which he designates as "the coming nawhich he designates as "the coming na-His return, he says, will depend on how well he likes Chinese life.

A BOY'S EXPERIENCE.

Rides Many Miles on a Freight Car Holding a Dying Negro.

Poughkeepsie, N. Y., Aug. 3.—After holding a struggling dying companion on the roof of a freight car for many miles over the New York Central, Robert Buchanan, a New York boy, appeared in the freight yards here and asked a brakeman to take the dying man from the roof of the car.

The boy had worked for and lived with an elder brother, but in consequence of a disagreement with him de-

with an elder brother, but in consequence of a disagreement with him decided to leave home.

He boarded a freight train in New York to go to Albany where he thought he might get work. A little later a man climbed into the car and asked him for a chew of tobacco.

"I told him that I had no tobacco," said the young man, "and he then drew

said the young man, "and he then drew a revolver, pointed at my head and told me to throw up my hands. I did so and he went through my pickets and got 20 cents, all the money I had."

Then he passed on over the train.

"At Spuyten Duyvil the train stopped and a negro got into the car. We talked together and when the train stopped at Peekskill we walked over the top of it toward the locomotive. I remember going through two tunnels. Then I ber going through two tunnels. Then I was struck by the wires that indicate another tunnel and I dropped quickly. The negro, who was ahead of me, was struck by the tunnel arch and thrown back.

back against me so hard that he al-most knocked me off. "He was unconscious and his head "He was unconscious and his head was terribly cut. I laid him down on the top of the car and held his head on my arm. After a while he became conscious and tried to get on his feet and I had to hold him down with all my strength. It was at least three-quarters of an hour before the train stopped in the freight yards in this city."

A watchman called an ambulance and took the negro to the hospital where he gave his name as John Miller. His face and head were crushed and one eye was gone. His injuries are so severe that he cannot recover.

Panama Loans More Money. New York, Aug. 3.—The republic of Panama has made another big loan on real estate in this city. A loan on f \$000,-000 at 4½ per cent was made by the representatives of the republic on a large Broadway building. This sum is part of the \$10,000,000 which the is part of the \$10,000,000 which the Panama republic received from the United States for the isthmian canal concession and its representatives have

already loaned out on mortgage near-ly \$1,600,000 on real estate in this city The republic's representatives have on hand \$4,500,000 to invest in mort-gages and as soon as this sum is disposed of they will procure the balance of the concession money to dispose of in the same manner.

Steel and Wire Voting Trust.

New York, Aug. 3.—Steps have been taken toward the creation of a voting trust for the National Steel and Wire company. If this plan is finally adopted the trustees will be H. A. Huntington, Ogien Mills and Henry W. Munroe. The trust will be created for three years. This will be the first voting trust to be created recently.

Stock favoring the centralization of the administration will be deposited with the Knickerbocker Trust com-pany. The plant of the National Steel pany. The plant of the National Steel and Wire company is at New Haven, Conn., and the company has a capitalization of \$2,577,800 of preferred stock and \$2,993,700 of common stock.

CALLED TO CHINA.

Miss Mary Reynolds to Teach the Empress's Nephews.

Bridgeport, Conn., Aug. 3.—The Rev. Dr. Wm. H. Sallmon, president of Charleston College, Northfield, Minn., who is spending his vacation in this city, has received notification that Miss Mary Reynolds of Sibley, Ia., has been appointed by imperial decree tutor in the English language to the nephews of the empress of China. Miss Reynolds will sall in October to begin her duties.

Miss Reynolds will sail in October to begin her duties.

Miss Reynolds will not reside at the imperial palace. Her home will be in Pekin
with a missionary family there, and she,
will go back and forth to the palace daily,
Her contract calls for her to remain at
her post for two years, with a possible extension of time to a third year. During
that time she will be in rather intimate
contact with certain members of the imperial family. perial family.

Miss Reynolds has been a student at the college for the last six years, and graduated with honors last June.

Stevens, secretary of the Exposition, and there is also a magnificent picture of Peary's vessel, in one of the series of Forest City World's Fair Art Portfo lios, which are now being distributed among our readers.

The price is nominal—only ten cents

to cover the cost of handling, wrapping, addressing and mailing; although the regular figure for each portfolio is twenty-five cents.

GREAT HORSE EXHIBITION.

650 Horses, All Thoroughbreds, With Ringling Brothers' Cir-cus This Season.

The horse is man's favorite in all animal creation. It serves his needs best, and adds to his luxuries. He is nearest to his master in intelligences, sympa to his master in intelligences, sympathies and even traits of vanity. Take the well bred horse, where in all animal creation will his counterpart be found in symmetry of form, grace of action and inspiring spirit? Watch the action and inspiring spirit? Watch the aristocrat of horseflesh, he of pedigree and education, and delight will charge the blood as in no other case. America is first among nations in the breeding of the highest type of horse, and the finest collection of these beasts is to be found with Ringling Brothers' World's Greatest Shows. It has been a pride and a specialty with them to gather this distinguished and unique company. Over 650 are in this department of their Over 650 are in this department of their han twice as many horses of all kinds carried by any other show, 300 are thor-oughbred performing horses. The mencarried by any other show, 300 are thoroughbred performing horses. The mental alertness, physical beauty and distinguished style of these animals, put them in a class by themselves, beyond price, and unrivaled in the world. The horsemen engaged for the direction and riding of these remarkable eculnes are masters of their profession, and internationally famous. This is in keeping with the policy of the Ringling Brothers to present only the best, and insures ring work simply delightful to witness, and far removed from whaf is uniformly seen with other shows. These blueblooded and wonderfully performing horses are an attraction without a neer in the whole range of horse history, and afford an exhibition well worth any inconvenience or price to witness, Every kind of riding is vividly exemplified by masters of the equestrian art, Gladlatorial feats of the ancients, jockey daring, rough rider tactics, modish Gladiatorial feats of the ancients, jockey daring, rough rider tactics, modish equestrianism, difficult acrobatism, juggling deeds, sensational gymnastic exploits, balancing wonders, somersaulting from back to back, and whirling continuously in this feat until a circle of separated horses is completed—these and many more difficult and awe-inspiring achievements are shown with Ringling Brothers' incomparable exhibition.

Ringling Brothers' Wonderful Shows will exhibit at Salt Lake, Wednesday, Aug. 10. The magnificent street parade will leave the show grounds promptly at 10 o'clock on the morning of show

Numbered reserved seats, at the same prices charged at the ticket wagons can be reserved on the date of exhibi-tion at the store of Smith Drug Co.
