

ANOTHER GAME GOES TO THE INDIANS.

Teams Played a Close, Exciting Contest Requiring Ten Innings To Finish.

SALT LAKE BEATEN BY ONE.

Contest a Pitchers Battle Between Dammann and Little Jodey Kostal — Both Supported Well.

The Spokane ball team seems to be getting even with the Salt Lake aggregation for the things the locals did to them while here recently. Yesterday they gave the locals another wallop, but the game was close and exciting. The score was five to four. The main scrap was between Dammann of Spokane and our own Little Jodey Kostal. Both twirlers were given good support and for 10 long innings they fought it out. Klop is the particular Indian entitled to yesterday's victory, as he brought in the winning tally in the tenth by a smashing w-bagger.

In the matter of hits, Dammann was touched for seven, and Kostal for nine. The summary follows:

IVER LAWSON ARRIVES.

Champion Cyclist Accompanied by His Racing Partner Going to Australia.

Last evening's train from the east brought in Iver Lawson and Fred McFarland, two noted bicycle riders whom local cycle fans have been looking for some time. Both riders look strong and well and expressed their delight to be back in Salt Lake again. Iver says this is the first time he has been home since he left for his tour of the world. He says it is impossible for him to come here in time to engage in a few more races.

Lawson and McFarland will leave in time to catch Thursday's boat for Australia, where they will race during the winter months. It is their intention to return next summer and compete at the races.
