JUDGE BLACK AND THE SPRINGFIELD "REPUB-LICAN."

THE Springfield Republican never and feels proud of the success which his lot to carry out the plan of assauding the second of the success which his lot to carry out the plan of assauding the second of the success which his lot to carry out the plan of assauding the second of the success which his lot to carry out the plan of assauding the second of the success which his lot to carry out the plan of assauding the second of the success which his lot to carry out the plan of assauding the second of the success which his lot to carry out the plan of assauding the second of the success which his lot to carry out the plan of assauding the second of the success which his lot to carry out the plan of assauding the second of the success which his lot to carry out the plan of assauding the second of the success which his lot to carry out the plan of assauding the second of the success which his lot to carry out the plan of assauding the second of the second of the success which his lot to carry out the plan of assauding the second of the success which his lot to carry out the plan of assauding the second of the second of the success which his lot to carry out the plan of assauding the second of t spiteful about the "Mormons," This in the collection of facts and incitime that paper goes out of its way dents and names. We hope his work to attack Judge Black for his re-marks about the "Mormons" in his that it will be patronized sufficiently standing this threat his heart failed. reply to Robert Ingersoll, which to compensate him in some degree. were copied into our article on the for his steady efforts and public controversy between those able disspirit. putants in the North American Re-

view. The Republican quotes the paragraph and says:

"So this is the whole case against the Mormons! Mr. Black was Mr. Buchanan's attorney-general when Brigham Young Issued a proclama-tion against the United States army as 'a mob,' and when Alfred Cumming only became Governor by the racious permission of Young, obtained through a disgraceful com-promise; he remembers how United Stales judges in Salt Lake City had by all thinking minds and admitted by all candid persons. That the fled in fear of their lives just before, and how a previous Governor had been chased out of the city with ox-whips; and he ought to be ashamed manufactured and sold few soher to make such a paltry imputation as folks we think would attempt to ca this?

Now the truth is that Judge Black But the subject of controlling the is not stating any "case against the traffic and preventing as far as pos-Mormons," either wholly or in part, sible the evil results which are its in his strong defence of religion consequences, is one that requires against infidelity. He does not demore than ordinary consideration. fend "Mormonism," the "Mor-There are many very good and pracmon " or polygamy. He merely tical men who think that the whole exposes a cute dodge of the smart business should be prohibited. A politician in seeking to enlist the more numerous class of men, just as prejudice existing against the "Morgood and practical as the other, bemons" on the side of his assault lieve prohibition to be impracticable. upon the Bible. He does not at- Our opinion, previously expressed, is tempt to present the "Mormon" that in rural districts, where public case, pro or con. The remarks of opinion is largely in favor of the Republican are therefore based the suppression of the liquor upon its own assumption, and are traffic, prohibition can be made entirely uncalled for in a review of effectual; but that in poputhe discussion upon "The Christian lous cities and towns Religion."

In the turn re-opened his saloon. He was the hotel to arrest Harvey who askthird place United States judges did arrested and fined \$25. Following ed to see the papers. The marshal not flee from Utab in fear of their noted examples here, he took an apnot flee from Utah in fear of their noted examples here, he took an aplives, but liep to the authorities at peal and continued to sell liquor in d Washington, and the Government, defiance of the law. He instead of investigating the matter, was re-arrested on Monday, foolishly jumped at the conclusion July 18th, but on request was that the "Mormons" were in rebel given until Wednesday, the 20th, to lion, and sent an army to subjugate get legal advice, on condition that ing: an insurrection that had no exist-ence. The falsehood of the return-ing indeed was fully established and corrus was sued out in the Third can be proven from public docu-ments, and the subsequent action of the Government was an acknow-while he has voluntarily agreed to met with a very severe and danger-ous accident upwards of eight years ago by the buisting of a shot gun while he has voluntarily agreed to ledgement thereof. close his saloon till that time.

In the last place no Governor was There can be no question that the ever chased out of this city with ox- Tooele City Council has the right to whips, though we freely admit there prohibit the selling of liquor within have been several persons occupying its corporate limits, providing the that position who would have been Legislature had the power to grant treated to that kind of courtesy if they had been given anything like their just deserts. But why are all these exploded that remains to be decided. Not

anti-"Mormon" libels brought in at this juncture, as so much mud to fling at Judge Jere Black? Is it be cause he has presented an argu-ment which cannot be refuted by infidels,and they respond by assaulting the man? Or is it because the Republican found another opening to cast a clod or two at the "Mormons," and could not resist the inclination to throw them? In either case the motive is as despicable as Tooele City and Arthur Brown, the language is false and foreign to Esq., for the liquor dealer. the subject under review. This is net the "whole case" against the Republican, but it is enough for one day.
