HUSLER'S FLOUR

There's no special time or place for it—it is a household necessity every day in the year.

Malarky, pitchers, are on their way from other points. The next batch of players will have this city on the steamers Mornus for New Orleans, and the final contingent will start from St. Louis March 1. Those who will make the trip from New York are Mathewson, Donlin, Devlin, Lynch, White, Tenney and Hannifan.

CHESS PLAYERS PICKED.

New York, Feb. 18.—Five members of the American chess sextet to play the cable match with Oxford and Cambridge on March 21 were picked yesterday at a meeting of the cable match committee representing Harvard, Yale, Columbia and Princeton. The players selected are:

W. H. Hughes, formerly of the University of Pennsylvania; L. J. L. Wolf, Columbia; H. S. Black, Cornell; H. Blumberg, Columbia; K. S. Johnson, Harvard. To determine the sixth man of the team a match will be played between C. E. Jefferson, Yale, and L. Williams, Princeton.

TENNIS PLAYERS WANTED.

New York, Feb. 18.—Although Beals C. Wright, it was stated yesterday, is definitely out of consideration in connection with the Davis tennis cup plan, as is also probably William A. Larned, it is nevertheless announced that arrangements are making for American participation in the 1908 competition for the cup. The national executive committee is to hold a meeting here next week and letters sounding the players of the "leaders" rank throughout the country have been sent with the view of the selection of a team to be sent to Australia for the matches. It is hoped that enough favorable replies will be received to warrant the picking of a first rate team from among the American tennis leaders, among these being Beals C. Wright and William A. Larned, who have been invited to make known their sentiments toward an Australian trip. Others are Raymond Little and Clarence Hobart, also Irving C. Bright, Frederick C. Colson, Fred D. Alexander and Edward B. Dewhurst.

AMERICAN STILL AHEAD.

Roberts in Lead in Big New York to Paris Race.

Cleveland, O., Feb. 18.—The American car in the New York-to-Paris race, driven by Montague Roberts, practically passed through Ohio today. The car entered the state just east of Conneaut at 7:13 o'clock this morning, arrived at Cleveland at 11:40, left at 1:02 p. m., and arrived at Toledo at 2:35 tonight. The car will remain in Toledo over night and enter Indiana tomorrow forenoon.

The French car, driven by St. Charfray, was but a few hours behind the American car. At Ripley, N. Y., the car had to stop for repairs, but proceeded shortly. At Ashtabula some time was lost in taking the wrong road. The road was re-traced and the car arrived in Cleveland at 1:20, passing through without a stop. The French car stopped at Fremont for the night and unless it meets with an accident, will enter Indiana tomorrow night.

The Italian car, driven by Sirtorio, arrived here at 7 p. m., and will remain over night.

The German car, driven by Maas, remained at Erie over night.

Buffalo, Feb. 18.—The second French automobile in the New York-to-Paris race, driven by Goddard, arrived here tonight. It will remain here until tomorrow morning.

BARRY BEATS TEMPLE.

Boston, Feb. 18.—Jimmy Barry of Chicago was given the decision by Larry Temple of New York in the final round of the 12-round bout before the armory A. A. tonight. Temple left the ring after a claim of foul had not been allowed. Barry was easily the superior of Temple.

HUSBAND IS ARRESTED.

Wife's Body Found Hanging in Abandoned Lodging House.

Foxcroft, Mo., Feb. 18.—The mystery of the disappearance of Mrs. Maude Woodbury, wife of Robert Woodbury, a wealthy real estate owner here, who has not been seen since Nov. 4 last, was solved today when the body of the woman was found hanging to a door in an empty room in the lodging house known as the exchange hotel.

Immediately after the finding of the body Woodbury was detained by the police. The exchange hotel is owned by Woodbury, who has two rooms there with his wife up to last November. After his wife disappeared Woodbury told his lodgers to move, shut up the house and went to live with a sister. Woodbury is 52 years old, and his wife was 36.

BOXER CHIEFTAIN DEAD.

Shanghai, Feb. 18.—Gen. Tung Fuh Siang, the leader of the Boxers in the uprising of 1900, is dead. He had been banished to Kansu.

Gen. Tung Fuh Siang was regarded at one time as the ablest and most powerful of the Chinese generals. In the spring of 1900 he appeared at Peking at the head of 10,000 troops, largely recruited from ex-Mohammedans. When the anti-foreign outbreak came to a head, Gen. Tung was the one commander who achieved any early success against the allies.

The Real Value

If you have headache or neuralgia you want relief; want it quick. Dr. Miles' Anti-Pain Pills stop the pain in just a few minutes. But their real value lies in the fact that they leave no bad after effects. They do not create nausea or derange the stomach. Nothing can therefore take the place of Anti-Pain Pills for the relief of headache or other pain.

"Dr. Miles' Anti-Pain Pills do all that you demand in cure of headache and neuralgia. I was in Farmington and I had a fearful headache; the physician of the house said, 'Take one of my wife's Pain Pills, and I felt, and in less than one-half hour I felt as well as usual.' I had a great prize—something to cure headache. My three daughters also used them. A thousand thanks to Dr. Miles' Anti-Pain Pills."

REPUBLICAN ISSUES

Chairman Fowler of Currency Committee of the House Says They Will Hinge on Money.

Washington, Feb. 18.—The feeling on the part of certain leaders of the house, as indicated in these dispatches yesterday that the nature of the currency bill which may be passed at this session of Congress will be in a large measure determinative of the financial attitude to be assumed by the Republican party in Chicago next June, was given emphasis today by Chairman Fowler of the house committee on banking and currency.

"The campaign of 1896," he said, "was fought out on a single issue—the establishment of the gold standard, which means absolute currency, which is as far as it is a measure of value as related to credits. The issue of the campaign of 1908 should be the practical application of the theoretical victory of 1896."

The people of the United States should now demand that the reserves in our banks be in gold coin, and sufficient in quantity to prove our credits and protect all depositors. Every creditor of a bank should have the option of having his credit on the books subject to check, or in a current credit of the bank redeemable in gold coin. To insure all depositors of banks that their credits upon the books, or current credits, are redeemable in gold coin, let us deposit in the treasury of the United States a guaranty fund of \$500,000,000. The option of having a bank to have his credit upon the books subject to a check or in a current credit redeemable in gold, will give us a true credit currency, which is just what the ever-varying conditions of trade, never too great, never too small.

"The guaranty fund in the treasury, amounting to \$500,000,000, will preserve and stop all hoarding of money."

COMMISSION LAW VALID.

Des Moines, Ia., Feb. 18.—The Iowa supreme court today handed down an opinion regarding the constitutionality of the Des Moines plan of municipal government by a commission, upholding the government by that particular. NIGHT RIDERS THREATEN TO KILL AND THEN BURN

Versailles, Ky., Feb. 18.—While Assistant Postmaster Kelly White was stamping the incoming mail here today, a cartridge in an envelope which was being sent through the mails exploded. An investigation proved that the letter in question was one of 20 which were received in the same bundle of mail matter at the Versailles office and each, in addition to the bloodied warning to the party addressed, contained a cartridge and a match, indicative, no doubt, of the intention of the sender, should the warnings not be heeded.

Investigation established the fact that the letters were mailed in a street mail box in Georgetown, Ky. Of the 20 received here, it was learned that one was received by each of the following farmers:

C. R. Sullivan, William Edwards, David Watts and James Turner. The signatures to the threats are the initials, "N. R."

The letters were sent alike to members and non-members of the Equity society. It is in every instance the party addressed is said not to be in sympathy with the idea of raising no crop this year.

The warnings read: "Scouts inform us that you are determined to raise tobacco this year and are not signing the pledge of Y. T. and thereby attempt to starve thousands of poor little children and women to death and ruin your neighbors. We now warn you to sign at once and quit talking against us or take the penalty. By order of the committee."

"I suffered habitually from constipation. Doan's Regulants relieved and strengthened the bowels, so that they have been regular ever since."—A. E. Davis, grocer, Sulphur Springs, Tex.

SHAW TRIES HARD TO CORRECT REPORTS

Kansas City, Mo., Feb. 18.—Leslie Shaw, ex-secretary of the treasury, who arrived here today to address the Kansas City Bar association tonight, gave out a signed statement to the Associated Press, in which he declared that a number of unauthorized reports had been published concerning his visit to Chicago yesterday. Mr. Shaw declared that politics had in no way influenced his visit to that city. He went there, he said, "at no man's instance and in no man's interest." His visit was on a matter of personal business.

Mr. Shaw, in his statement, continues: "I am not seeking to defeat any man's nomination for the presidency. There is not a man whose name is mentioned who is not my personal friend, and for whom I would not cross the continent to bestow a kindness. That I prefer some does not imply that I would like my hand against others."
