IMPORTANT TO THE TRAVELING PUBLIC.

It is the duty of all persons before starting on a journey to ascertain by what route they can reach their destination with the least trouble, and if there are two or more roads leading to the same point, to decide which is the safest and pleasantest to travel.

We take pleasure in stating, that the CHICAGO & NORTH-WESTERN RAILWAY is the oldest and swiftest, and the shortest route between Omaha and Chicago. Within the past two years the road bed has been put in admirable condition, and almost the entire line has been re-laid with steel rails.

The Depot in Chicago is central in location, and as their trains arrive there thirty minutes in advance of all other lines, passengers can always be sure of making Eastern connections.

Close connections are made at Chicago with the Lake Shore & Michigan Southern, Michigan Central, Baltimore & Ohio, Pittsburg, Fort Wayne & Chicago, Kankakee Line and Pan Handle Routes, for all points EAST and SOUTH-EAST.

If you are going to Chicago, or East, you should, by all means, purchase your tickets on the Old Pioneer Route.

The Chicago and North-Western.

You will find on all through trains Pullman Sleepers, new and magnificent Day Coaches, and the best Smoking and Second Class Cars now on any road in the United States.

Particular information with maps, time tables, etc., may be had at any of the Through Ticket Offices in the West, or upon personal or written application to J. W. Brown, Ticket Agent, Salt Lake City; A. H. Earl, Ticket Agent at Ogden, or to J. H. Mountain, Western Traveling Agent, Omaha, Neb., or to W. H. Stennett, General Passenger Agent, Chicago. d54

A Change of Quarters.—To-day "Big Steve" and another inmate of the lunatic asylum were brought down from that institution and placed in the city jail for the present. A Monopolizing Feller.—Now that the winter season begins to set in, people naturally commence to buy their fuel. The demand for coal brings to light the fact that there is a dearth of the article from the Weber mines, but no lack of it from the coal beds of the Union Pacific Railroad Company. The cause of this scarcity of Weber coal is not the lack of enterprise in home mine owners and coal dealers, but a monopolizing policy that, it is alleged, is being pursued by the Union Pacific Railroad Company, who are charged with running plenty of coal into market from their own mines and withholding coal from the Weber coal dealers, thus preventing the product of the latter from reaching this market. If such be the fact, this great Railroad Company are highly censurable, for perpetrating such manifest injustice upon the people. If the cars are really not forthcoming for the freighting hither of the Weber coal the Company could not well put forward the excuse that they do not have them in sufficient number to afford the accommodation required, for it would be a damaging error, to assert that the equipment of so large and influential a road is insufficient for purposes of legitimate business. We hope, for the credit of the Company, that the charges against them of unjust discrimination in their own favor are incorrect. However, it being a matter of general public interest, we will gladly publish any facts in relation to the matter from parties who are correctly informed on the subject.

Tenth Ward Concert.—An entertainment was got up last evening at the Tenth Ward Meeting House, for the benefit of the Sunday School of that ward, and was an entire success both as regards the number of patrons and the efforts made to please them. Recitations were given by some very young members and some older ones, of course; songs and choruses were interspersed with pleasing effect, and though the entertainment lasted three hours the interest was very manifest until the end. Willie Davis and E. Ford were the feature of the evening—the former with comicallies and the latter playing on the banjo; Sisters Maria Ashman and Sarah A. Kirkman played sweetly on the organ, Sisters Poll, Long, Woods, Ashman, and Kirkman sang attractively, and Masters Paul and Taylor and Sisters Taylor and Paul gave recitations in a very effective style. The whole was an above mentioned were given in a manner very creditable to themselves and the reputation of the Ward.

The Ogden Postmaster.—About eight months ago efforts were made by a Methodist preacher and a postal clerk, named Sharp, on the eastern mail route, to effect the removal of Mr. Joseph Hall, postmaster of Ogden City, on the plea that he was a "Mormon." To this end a petition was circulated in Ogden, asking the government to remove him and appoint Sharp in his place. A few persons were persuaded to sign the petition, but when it was generally understood in the city that a movement was on foot to procure the removal of Mr. Hall, the great majority of the citizens, without distinction of creed or party, signed a petition and forwarded it to Pres. Grant, requesting that Mr. Hall be retained in office, and bearing testimony to his honesty and eminent fitness for the position he occupied. This remonstrance had the desired effect for a time, but within the last two months, several western senators have taken the matter up and represented that Mr. Hall was a polygamist and should not hold office under the government. This was also contradicted, but the dispatches of last night contain the news that Mr. Hall has been removed and Sharp appointed to the office. We understand that Col. Wickizer, the special mail agent for Utah, has several times expressed himself to the effect that Mr. Hall was one of the most efficient postmasters in this part of the country.

A Successful Operation.—A couple of weeks ago Dr. Benedict, in the presence of a number of other surgeons of this City, successfully performed a difficult and apparently dangerous operation upon Brigham Clayton, the young man who had his arm shattered some time since, by the accidental discharge of a shot-gun. The patient was placed under the influence of ether, when two inches in length of the shattered bone, between the shoulder and elbow joints, was sawed through; taken out, and the ends brought together. We are glad to be able to say that the lad is gradually recovering, being now able to sit up in his room several hours each day and strong hopes are entertained that in a few weeks the injured arm will be almost as strong as the other one, but will, of course, be a couple of inches shorter.

The Australian Missionaries.—Elders Mark Croxall, Charles Burton, Douglas Swann and David Chiff, missionaries appointed to labor in Australia, left for New Zealand this afternoon. To-morrow Elders Isaac Groo, William McLachlan, John M. Young, E. Hoagland, John T. Rich, Frederick Hunt and Charles Hunt, leave for the same part of the world. We wish them God speed.

The Sacred Estate.—Thomas W. Jennings, Esq., eldest son of Hon. Wm. Jennings, and Miss Mamie Hooper, eldest daughter of Hon. Wm. H. Hooper, all of this city, were joined in the bonds of matrimony yesterday by President D. Wells. We wish the happy pair a long life of mutual affection, happiness and prosperity.

Unable to Go.—Elder Orson Pratt had an appointment to preach in Tooele County, and intended leaving for that part of the Territory to-morrow, but sickness in his family and other circumstances necessitated the abandonment of this intention for the present.

Distinguished Visitor.—Prince Frederick of Wittenstein, is in the City, and stopping at the Townsend House.

That Alimony Case.—It will be seen by a dispatch from Washington, this afternoon, that the proceedings of the Third District Court last week, in ordering the imprisonment of President B. Young, will be considered by the Cabinet. We certainly do not regret this, the common sense of the matter being that there are two horns to this dilemma—the acknowledged illegality and wrongfulness of the proceedings, or the acknowledged legality and rightfulness of plural marriage. Which stand the cabinet will take remains yet to be seen, but, of necessity, it must be one or the other.

Big Cabbage and Big Carrots.—Bro. J. H. Plocknell brings in, this afternoon, a specimen of cabbage head, weighing eleven pounds, and two white Belgian carrots, weighing together eleven pounds, all grown on his lot at Butcherville, 20th Ward.

TERRITORIAL DISPATCHES.

DES. TEL. LINE.

Honolulu.

BEAVER, Utah, November 1st, 1895.

Editor Deseret News:

About six o'clock this evening, Joe. Hunt struck at John P. Hunt, with a six shooter in his left hand; the pistol was cocked and went off, the ball entering just below the left cheek bone, the brains coming out an inch, and a half above the left eye, killing Hunter instantly. Hunter is about twenty-three years of age, from the Southern States, and unmarried, and it is said he was much the worse for liquor when he was shot, and that he forced the altercation. Hunt is a man of a family, about thirty-seven or forty years of age. The latter is now ironed in jail, and guarded by a heavy guard, as vengeance from Hunter's brother is feared to-night.

Kissing for Cash.

What Dr. Terry Said About Some Churches' Means of Getting Money.

At the Methodist ministerial conference yesterday, Dr. Terry said that the churches of the city are overburdened with debt, and that they cannot get money except by clapnet extortions, such as fairs and festivals. One church, he added, has introduced "kissing festivals," and another offers a new chromo to every convert.

The Rev. Dr. Wm. P. Corbit said that the M. E. Church in New York City had not been in so deplorable a condition for the past twenty-five years. He attributed the success of Moody and Sankey to their power in uniting good men and good women in common.—N. Y. Star, Oct. 26.
