Stolen Bonds.

NEW YORK, 9 - Two men at-tempted on Saturday afternoon to sell at a broker's office city bonds of the city of st. Joseph, Missouri, to toe amount of \$100,000, for 80 cents the men were handed over to the honor James Irving and Joseph Fisk. The bonds were examined by the financial agent of the city of St. Joseph and found genuine. They are supposed to have been stolen. The pri oners were arraigned at the Tomb olice court.

The men, when questioned as to persons having the bonds in their cossession were the too's of conspirators in St. Joseph. The agent said te hat to doubt these men did not seat the bonds, but that some dishonest official or somebody at St. Joseph was at the bottom.

The agent says he discovered something was wrong with the bonds when he saw them numbered consecutively from 901 to 1,000, each bond being for \$1,000. Only \$600, 000 worth of new bonds have bee ssued, and these, being so far ahead, looked like a fraudulent issue.
