

HARRIMAN TO SPEND \$25,000,000

In the Construction of Lines on The Pacific Coast During Next Two Years.

"RAILROAD COMPETITION AGE."

Southern Pacific Alone is Calling for Five Thousand Laborers to Help Build Lines.

San Francisco, Nov. 1.—The Southern Pacific wants 5,000 laborers. This is the statement of one of the local officials. Orders have just come from the company to hasten the development of the Pacific coast lines and the other lines are getting busy. Within the next two years over \$25,000,000 will be spent in the construction of lines on the Pacific coast by the Harriman system. It is the preparation for the great struggle in railroad competition that is coming. With Hill on the north and the Gould line creeping across the coast, Harriman realizes that it will mean a great fight and that the life of the big systems will depend on the completeness with which they are equipped with feeders. Hence, at every available point small roads are being absorbed, others are being built and the Southern Pacific is developing all sources possible to get ready for what Harriman calls the "age of railroad competition."

TRAINMEN'S GRIEVANCES.

Eastern Roads Now Listening to the Demands of the Men.

New York, Nov. 1.—The officials of the New York Central, Jersey Central and the Lackawanna railroad, the three which have received demands from their trainmen for wage increases or reduction of hours, or both, were meeting yesterday afternoon at the headquarters of the men to discuss the situation. It was learned, however, that the representatives of the men had not yet been heard from.

It is expected that there will be many conferences between the representatives of the men and the railway managers before the issues are sharply pointed. The attitude of determination is shown by the men to obtain what they have asked for has caused no little uneasiness among the officials of the roads affected.

President Truesdale, of the Lackawanna, and his subordinate officials will today receive a committee of the engineers representing the brotherhood of the road. It is unusual for the president of a road to grant a hearing to the men, the usual proceeding being to submit grievances to the general superintendent. President Truesdale refused to discuss this phase of the situation yesterday, denying himself to report.

MEXICAN CENTRAL.

Getting Ready to Sell Control of Road to Government.

New York, Nov. 1.—It was stated in Wall street yesterday that negotiations for the sale of the Mexican Central to the government have been made in consideration of the fact that the Mexican government has been in progress in various forms for the last six months and were taken up anew on the arrival of this city yesterday. The Mexican government has been in progress in various forms for the last six months and were taken up anew on the arrival of this city yesterday. COLLISION ON R. G. W.

Engineer T. I. Lamplugh Injured in Head-on Near Thistle.

A head-on collision between two freight trains on the Rio Grande Western near Thistle, Utah, yesterday afternoon resulted in the death of Engineer T. I. Lamplugh, who was killed instantly. The collision occurred at 3 o'clock this afternoon when two freight trains, one of which was carrying a load of coal, collided head-on. The engine of the train carrying the coal was derailed and the engine of the other train was damaged. The engineer of the train carrying the coal was killed instantly.

Words of the Thoughtless

Startle the Thoughtful.

A Coffee advertisement says:

"First in weight, first in quality, and first in the hearts of the epicures."

There's a truth said thoughtlessly.

First "In the hearts."

How many epicures and just common people have incipient or chronic heart trouble directly caused by coffee. You with weak hearts can prove for yourselves. Try leaving off coffee to days and use Postum Food Coffee. If you find the old smothering sensation and the weak fluttering disappear, you will have the truth in a nutshell and will have located an enemy that has been pushing you day by day towards the narrow lot 2 by 6.

All the flaming advertisements of importers trying to sell coffee and all the sneers of coffee toppers cannot drive the truth from you, once you have tested and learned the exact facts from personal experience.

PIOCHE BRANCH.

San Pedro Getting Busy on Proposition at Caliente.

At last the San Pedro railroad company has taken the initial to build the branch line from Caliente to Pioche. The rails and men in from 10 to 20 cars are arriving in Caliente every day and the announcement is made that work will begin in earnest on or about the first of November. One hundred Japs are engaged in unloading material for the Pioche road and teams and scrapers are expected to arrive daily from the south. The boom has already started for this section, Caliente is lively and within 30 days from now people will be jumping over themselves to get in—Caliente Express.

NO CASE OF PNEUMONIA ON RECORD.

We do not know of a single instance where a cough or cold resulted in pneumonia, or consumption when Foley's Honey and Tar had been taken. It cures coughs and colds perfectly, so do not take chances with some unknown preparation for the Ploche road and teams and scrapers are expected to arrive daily from the south. The boom has already started for this section, Caliente is lively and within 30 days from now people will be jumping over themselves to get in—Caliente Express.

SAD TIDINGS RECEIVED.

V. L. Halliday Informed of Death of His Son at Tonopah.

Word reached this city yesterday of the death at Tonopah of W. O. Halliday, after a very brief illness, and at the age of 30. Mr. Halliday had written his father, V. L. Halliday, less than a week ago, of his intention to leave for Walker, like his brother, and had been in the city for the last three years, and had met with success. The news will be embelmed and brought to this city for interment.

FUNERAL OF MRS. CRANE.

Services of Consoling Character Held Yesterday Afternoon.

The funeral services of Mrs. Eliza B. Crane were held from the Twenty-eighth ward chapel yesterday afternoon at 2 p. m., Bishop William McMillan presiding.

The opening hymn, "Sister, thou wast mild and lovely," was feelingly rendered by the ward choir. Also a solo entitled, "Thou dost not weep to weep alone," was beautifully sung by Miss Mabel Cooper, and the tenor solo, "Come Unto Him," by Mr. W. D. Phillips. A quartet, composed of Messrs. W. D. Phillips, A. L. Vincent, W. D. Bowring and H. W. Vincent, rendered two selections, "Go Bury Thy Sorrow" and "When the Swallows Homeward Fly."

Elder Arthur Frewin, President S. B. Young and Bishop McMillan were the speakers. Counselor James F. Smith offered the opening prayer, and Elder James N. Haslam pronounced the benediction.

The remarks of the speakers were in testimony of the faithfulness of the departed sister to the work of the Lord.

The chapel was filled with the relatives, friends and neighbors of the deceased. The casket and stand were decorated with beautiful floral offerings. At the graveside in the city cemetery, Bishop McMillan offered the dedicatory prayer.

SOCIAL AND PERSONAL.

A pretty home wedding celebrated the wedding of Miss Edith Brown and Orson May last night, the ceremony having been performed at noon in the temple, and the reception being held at the home of the bride's aunt, Mrs. Amelia F. Young. The decorations in the parlor were in white and green, the bridal pair standing under a huge bell of white chrysanthemums and ferns, while all about the room were vases of the same flowers. The dinner room was a picture of its red and white hearts, bells and flowers, and the punch bowl in the hall was a tower of American flags, the whole being most effective. In receiving were Mrs. Young, Mr. and Mrs. J. L. Brown, Mrs. F. H. Walker, Misses Alice Needham, Josephine Brown, Clara and Ella Peabody, and assisting with the refreshments were Misses Blanch Brown, Mary Haynes, Edith Brown, Kate Folson, Eleanor Taylor, Jennie Brown and Nina Folsom. The bride wore a gown of French shape, mingled with Valencienne lace, and carried a shower bouquet of bride's roses. Mr. and Mrs. May will be at home after Nov. 15, at No. 4 Montrose court.

A ton of pumpkins decorated the J. R. Walker residence last night when Miss Beatrice Cheesman and Miss Gertrude Hanson gave a large Halloween party, candles set in apples in the pumpkins furnishing almost the sole light in the room and making brilliant decorations for the table where the buffet supper was served. Nearly all the guests were in costume and a motley throng of witches, demons, skeletons and other unclean shapes mingled with gnomes, dwarfs, cowboys and girls. Mother Goose characters, white daffodil figures in guaze, silks and velvets lightened the scene. The two hostesses were dressed as Indian girls. Miss Cheesman in a suit of white leather and Miss Hanson in tan. They were assisted by Miss Cheesman, Mrs. Walker and Mrs. Hanson in receiving and entertaining. Dancing, cards and unique spells were among the features of the evening which was enjoyed by about 150 guests.

Miss Irma Dunham, soprano in the Phillips' Congregation church of this city, was married last evening at the residence of the bride's mother, 226 East Third South street, to W. Wade Randolph, also of this city, by Rev. P. A. Simpkins, pastor of the Phillips' church, and with only relatives and immediate friends of the two families present. Mr. and Mrs. Randolph left this morning for Sheldahl, Nev., where Mr. Randolph is employed by the Regal Mining company, and where they will reside. They leave many friends in Salt Lake who wish them all happiness.

Miss Nancy entertained at a luncheon at the Country club today.

A large Halloween party was given at Rowland Hall last night, the pupils being mostly in fancy dress and the affair being altogether enjoyable.

Today Miss Eleanor White of this city and Harry A. Tenhollen of Denver were married, the ceremony being performed by Rev. E. L. Goshen at the Keith apartment house in the presence of the near relatives and friends. Later they left for a trip to the coast and will afterward make their home in Denver.

Miss Katherine Belcher is at home at No. 26 in the Emery-Holmes block.

Miss Queenie Brockman entertained at a delightful Halloween party last night, the house being bright with the usual

embellish, and about 55 enjoying the affair.

Halloween was celebrated last night by the Scotch Gaelic society with a grand banquet, singing, "O the Auld Scotch Songs," and other amusements, at the home of Mr. and Mrs. James Stirling, 390 East Fifth South street. The house was "full as it could hold with folk" and all enjoyed themselves immensely. Exercises closed with singing "Auld Lang Syne," all joining hands and going round in a circle while singing.

DONALDSON'S HEARING.

Case Will Probably be Heard by Justice Bishop.

The preliminary hearing of "Doctor" Jim Donaldson, charged with robbing the McWhirter brothers of \$2,000, was not taken up before Judge Whitaker of the city court today as was expected. It is understood that Judge Kline, who represents Donaldson, and County Attorney Christensen have agreed to have the preliminary hearing before Justice of the Peace Bishop of Farmers ward. The date of the same has not yet been agreed upon.

G. B. BURHANS TESTIFIES AFTER FOUR YEARS.

G. B. Burhans, of Carleton Center, N. Y., writes: "About four years ago I wrote you stating that I had been entirely cured of a severe kidney trouble by taking less than two bottles of Foley's Kidney Cure. It entirely stopped the brick-dust sediment, and pain and symptoms of kidney disease disappeared. I am glad to say that I have never had a return of any of those symptoms during the four years that have elapsed and I am evidently cured to stay cured, and heartily recommend Foley's Kidney Cure to any one suffering from kidney or bladder trouble." CHANCE FOR GOOD HOMES.

Hon. James A. Melville Speaks of Opportunities in Millard County.

Hon. James A. Melville of Fillmore has been in Salt Lake during the week on business connected with irrigation enterprises in Millard county. Mr. Melville reports conditions as being unprecedentedly prosperous in that section of the state, saying that the crops were never better than they were this year. He says that Millard county just now offers more inducements to homeseekers than any other part of the great intermountain west. The water question, or rather lack of it, is rapidly being solved and countless thousands of acres are at that point where they can easily be reclaimed from the desert waste condition in which they are, and made to be productive and profitable under intelligent and up-to-date handling.

Mr. Melville says that a large force of men and teams is now engaged on a large Portland cement re-enforced by steel plate spillway of the Abraham reservoir, which is in the bed of the Sevier river, four miles north of Hinkley and 35 miles from Fillmore, on the Salt Lake Route, and will shortly have it completed so it will play a very important part in the irrigation interests of that section next year. Continuing, Mr. Melville said:

"People who want good homes at bedrock prices can obtain them in that section to better advantage than in any section of this or the surrounding states. For instance, the very best land
