

our public as well as our private labors. The saints everywhere as well as our Elders abroad, move forward in the discharge of their duties, with calmness and serenity, with assurance that Brigham is still our leader. Joseph is still our prophet, and Brigham is leader as much as he was in life, but not on this side of the veil, he has gone into another sphere, to engage in the labors of the Gospel with Joseph, Hyrum and all the holy ones that have gone before in this dispensation, to assist them in rolling on the work of this dispensation, among the dead, and prepare the way for the final consummation of all things spoken of by the Prophets; while his brethren on this side the veil tread softly and diligently after him, as it were, in his foot-steps, to move on the cause of Israel and send the gospel to the ends of the earth. What a commentary on the stability of the institutions of Zion! The power of that faith that we have received, the strength of that union, and the perfection of that organization which God has established among us, which gives us the reassurance that instead of the cause of Zion weakening, it will gain additional power and strength; and the Priesthood that remain on this side, having lost a tower of strength in him who has gone, must exert themselves and their faith, and renew their strength in the Lord, and magnify their calling, that the work of the Lord be not hindered. That this may be the feelings, and determination of every one of the Apostles, Seventies, High Priests, Elders, Bishops, and Presidents in Zion and all the people, that we may strive more diligently to magnify our calling until we meet again those who have gone behind the veil, where already there seems to be almost a majority of the early Apostles and first Elders of the Church, preaching the Gospel and preparing the hearts of those that receive it, while we who remain continue our labors in building the Temples of the Lord, and entering therein and officiating in the baptisms, endowments and ordinances and sealing blessings upon our dead, that the promises of God may be fulfilled which he has made, namely, that in this dispensation of the fulness of times He would gather in one all things that are in Christ Jesus, which are on the earth and which are in heaven, may God grant and help us to accomplish, through Jesus. Amen.

WENT TO THE NOTED HOT SPRINGS.

Cleveland, O., Dec. 27, 1876. DEAR SIR:—I suffered more or less for years with the itching or ulcerated Piles. I tried remedy after remedy advertised in the newspapers, and consulted physicians in Philadelphia, Louisville, Cincinnati, Indianapolis, and this city, and spent hundreds of dollars, but found no relief and comfort until I obtained a box of Williams' Indian Ointment some four months ago, and it has cured me completely. I had a part of the box left which I gave to a friend of mine who had doctored with many physicians without relief, and as a last resort went to the noted Hot Springs, of Arkansas, for treatment. He informs me that the Indian Ointment has also cured him of the piles. It is certainly a wonderful discovery and should be used by the many thousands who are now suffering with that dread disease.

JOSEPH M. RYDER.

For more certificates of cures see large circular around each box of ointment.
