The Death Record.—Frank Carpenter's
Lecture.—Sole and
Personal.

Expatriate Correspondence.
Provo, April 24.—Mrs. Anna Crane, wife of Edwin Crane of the Fifth ward, sank peacefully into the last great sleep before the dawn of the resurrection, on Saturday. She leaves husband and children to mourn. The funeral services will be held this afternoon.

The lecture of Frank G. Carpenter at the B. Y. academy on Saturday night was well attended. The subject, "The Death Record," was a timely one, and his clear, easy way of telling things was very pleasing.

A suit for divorce on the ground of cruelty has been commenced in the First district court by Elizabeth Kennedy of Barabara against William H. Kennedy.

Dr. S. H. Allen, formerly of Mt. Pleasant, is now a resident of Provo. The doctor was at one time a school teacher in the city, and he will be welcomed back by his many old friends.

Mrs. Elsie Bullock leaves for Chicago on May 10th. She will visit the World's Fair thoroughly before returning home.

There was a violent wind and rain storm yesterday afternoon. Two large plate windows were blown out of the south-west house, and a third was loosened.

The football game between the Provo and B. Y. A. teams was fully contested, and was finally declared a draw, each side scoring one point. Another game will probably be played on Saturday next.

CITY COUNCIL, FORGOTTEN.—CONFLICT BETWEEN THE CITY AND COWBOYS.—NOTES.
Provo, April 24.—The city council held a session last night, and on that occasion the following business was transacted:

The claims of Mrs. Melinda Baum of Provo for children and turkeys drowned through breakage in the Provo water works main, and Jacob S. Baum for \$500 damages to fruit trees, etc. from the same cause, were referred to the committee on waterworks.

G. W. Shores, city physician, reported that he was going to leave the city, and recommended to his successor, Dr. H. H. Allen. Referred to the mayor.

W. D. Alexander, city justice, reported, during the past quarter, 35 cases tried, \$200 fines imposed, \$120.00 fines collected, and 124 days of imprisonment served. Referred to the mayor.

The street railway franchise resolution was referred to the committee on judiciary and the city attorney.

The bill providing for the establishment of a graveling district, the sidewalk of said district to be graded and gravelled, was passed.

NOTES.
The following couples were licensed to marry: Wm. N. Wootley of Walla, Blaine county and Alice A. Lind of Provo city; Arthur Sutton and Leta Clark, both of Provo. The latter is the daughter of Deputy Marshal Clark.

W. H. Grant and Gray Lombard, of American Fork, have sheep herds in Western Colorado. In moving from one range to another on Saturday last, it is reported the herders were opposed by armed cowboys. The change of range was indefinitely postponed.

In the case of King & Houts vs. W. H. Patton, a suit to recover a \$200 fee, the jury returned a verdict of \$125 for the plaintiff last yesterday in the district court.

A motion has been made by Capt. Anderson's attorney to have the attachment on his trucks dissolved.

LOGAN.

E. D. Carpenter Falls Dead.—Elder Thatcher Improving.—Mass Meeting for a Highway.—Various Items.

From our Regular Correspondent.
Logan, April 24.—The board of education has advertised for bids for the \$25,000 in school bonds recently voted for. The bids are to be opened on the 15th of May, and are to be accompanied by a certified check for 5 per cent of the amount of the bonds, which will bear date of May 1st.

Zebadiah Coltrin was put in jail here last week, as the U. S. commissioner would not approve the bond he offered on an appeal. A writ habeas corpus was obtained and Coltrin was taken to Ogden to appear before the district court.

One of those odd occurrences that happen occasionally is related to that "in the midst of life we are in death" occurred yesterday morning. Mr. E. D. Carpenter, a business man well known throughout the north, died last night for Lewis on Saturday evening. As it was quite stormy when he returned from his trip, he was unable to get out of his car and was killed. After the house had passed through Mr. Carpenter followed the animal to the shed where he kept the car. There he turned the horse around, evidently with the view of backing the car into the shed. When in the act of doing this he suddenly fell down. A young man named Lewis saw him fall and hastened over. Mrs. Carpenter also came out of the house and ran to her husband and raised him head up, but the pool of water into which he had fallen. He was carried into the house, but although he lived for a short time and appeared to be conscious, all that he could do was to look at his wife. He died without speaking. Dr. Ormsby had been summoned from Ogden, but at twelve o'clock, not much later, the doctor pronounced it a case of heart failure. Mr. Carpenter

has been a citizen of Cache county for many years. His home is in Logan, as he had temporarily moved to here, as he was superintendent of the mercantile store there. At one time he was superintendent of the Logan Furniture and Mercantile store, later he was superintendent of the north field, mercantile store. He has occupied many responsible positions and was known by almost everyone. His body will be brought to Logan for burial.

Elder Moses Thatcher's condition appears to be improving at a very satisfactory rate. Grave fears were at one time entertained as to his final recovery, but he is now considered out of danger.

Mrs. DeFord and Mrs. Russell, who were arrested at Smithfield for an attack which it was alleged they had made on Mrs. Merrill and Mrs. Haymond, were acquitted by a jury. The injuries sustained by Mrs. Merrill were severe, but it appeared that the women who were hurt had been injured out of the house and their injuries were not serious. While the women were trying to get them.

Commissioner John E. Carls and Marshal Knowles were chosen by the council at the last meeting of the city council to attend the Trans-Mississippi congress.

The entire issue of the \$40,000 of Logan city bonds have been received, signed, and returned to H. H. Allen & Co. of New York.

Mrs. D. F. Tarpey and H. W. Hanks are visiting Logan from Salt Lake.

A mass meeting is to be held this evening to take some steps toward improving the Chicago & Northwestern or Utah & Western railroad to pass through Cache Valley; and if possible, through Logan.

TOWNSHIP CONFERENCE.

Herewith please find a brief report of the quarterly conference of the Township held in Towne city on Sunday, April 23, 1900.

Ten o'clock a.m.—Present on the stand Brother Nelson of Farmington, the president, and a number of the bishops from the wards of the Towne Slake. After the opening exercises President Gowan briefly reported the condition of the organizations, officers and members throughout the slake, with everything working harmoniously, all attentive to duty and a good spirit and influence enjoyed by the saints manifesting their faith by their works in their liberal contributions for the completion of the Salt Lake Temple and other enterprises in the interests of the kingdom of God.

Brother T. Atkins of the Towne ward, James L. Westfall from Grantsville, and John G. Shields of Lakeview, reported their wards very favorably—perfect union and good will prevailing. Abraham Hansen, brother of Elder C. L. Richards, spoke encouragingly to the saints on various topics with a view to prepare them for important events transpiring.

Two o'clock p.m.—The statistical report of the slake for the past six months was read by the clerk, Elder Gowan presented for the sanction of the conference the general authorization of the Church and the local officers of the slake, all of whom were unanimously sustained.

Elder John Alstrom of the St. John ward, Bishop F. D. McGeer from Clever, David Nielson of Vernon, Jas. Yates of E. T. wards, and O. O. Jones of the Lakeview branch of the Towne ward, made reports of the status of their wards. Their superintendents. They could make a marked improvement since our last conference, the organizations represented by efficient officers and accomplishing much good and the saints generally doing their duty.

Elder Anderson and Gowan of the slake presidency congratulated the saints on the good feeling prevalent throughout the slake. They said the recent call made by the First Presidency for the saints to fast and humble themselves, confessing their faults and forgiving each other their sins, was a most timely and salutary in its effects, as also the spirit and influence lent to the dedication services of the Temple.

In consequence of a number from this slake having to visit the Temple on Monday, April 24th, it was thought advisable to adjourn our conference for three months.

Professor E. Bentley and the Towne ward clerk presented in a very timely manner a number of choice selections which had a tendency to increase the interest and good feeling enjoyed during our conference.
