

The floral decorations on the Sacramental stand in the Tabernacle, designed and constructed by George Hamlin, for the funeral services of the murdered Elders W. S. Berry and John H. Gibbs appeared so pretty and unique, that I photographed the same, and to perpetuate the memory of the above Elders, I thought that the portraits of these martyrs would be considered in their place enwreathed in this floral emblem. Consequently I applied to Mrs. W. S. Berry, of Kanabarra, Iron County, and Mrs. J. H. Gibbs, of Paradise, Cache County, for the portraits of their husbands, which they kindly responded to by sending. The portrait of W. S. Berry that I copied from was found in his pocket at the time of his death. That of J. H. Gibbs was photographed with Elder W. H. Jones, the missionary that escaped. These photographs are now on sale at my gallery, corner of Third South Street and Main, or they can be mailed to any address at the following prices, viz.: 8 x 10, 60 cents; cabinet or stereoscopic, 25 cents; album size, 15 cents; good in postage stamps.

Rev. Father Wilds' EXPERIENCE.

The Rev. F. P. Wilds, well-known missionary in New York, and brother of the late eminent Judge Wilds, of the Massachusetts Supreme Court, writes as follows:

"I am 54th St., New York, May 13, 1882.
Messrs. J. C. AYER & Co., Gentlemen:
Last winter I was troubled with a most uncomfortable itching humor affecting more especially my limbs, which itched so intolerably at night, and burned so intensely, that I could scarcely bear my clothing over them. I was also a sufferer from a severe catarrh and catarrhal cough; my appetite was poor, and my system a good deal run down. Knowing the value of AYER'S SARSAPARILLA, by observation of many other cases, and from personal use in former years, I began taking it for the above-named disorders. My appetite improved almost from the first dose. After a short time the fever and itching were allayed, and all signs of irritation of the skin disappeared. My catarrh and cough were also cured by the same means, and my general health greatly improved, until it is now excellent. I feel a hundred per cent stronger, and I attribute these results to the use of the SARSAPARILLA, which I recommend with all confidence as the best blood medicine ever devised. I took it in small doses three times a day, and used, in all, less than two bottles. I place these facts at your service, hoping their publication may be of use.
Yours respectfully, F. P. WILDS."

The above instance is but one of the many constantly coming to our notice, which prove the perfect adaptability of AYER'S SARSAPARILLA to the cure of all diseases arising from impure or impoverished blood, and a weakened vitality.
