The precinct of Kanarra was thrown out because the returns were not certified to by the judges. This did not affect the result of the vote for county officers.

On motion of Judge Judd the Utah Commission was requested to furnish to the canvassers, in writing, a history of its action relative to the appointment of judges of election for Box Elder precinct, or that the Commission furnish the records of the transaction.

#### JUAB COUNTY.

There was one protest from the "Reverend" Dalley. It reads as follows:

NEPIH, Juab County, Utah.  
August 5, 1890.

Utah Commission:

Dear Sirs—We beg leave, as judges of election, to call your attention to the nominee for county surveyor in Juab County, on the People's ticket, namely Chas. Price, who has been in polygamy since '62, tho' is not known now to be in such state, has never received amnesty from the President; nor had the barrier to our knowledge, effectually removed.

Very truly,  
W. N. P. DAILEY,  
Presiding Judge.

Judge Judd—The courts are open to him if he wants to contest.

Chairman Sells—We can take no notice of that protest.

There was one precinct in Juab County, Mona, where there were 73 votes cast, 36 for C. E. Nielsen for Justice of the peace and 36 for Ephraim Ellertson for the same office, with one scattering. This makes it necessary for Messrs. Nielsen and Ellertson to draw lots for the office.

The total vote for county officers is as follows, the People's candidates being elected in every instance:

Selectman—N. P. Rasmussen 469; Dougal McMurphy 859; scattering 3.

County Clerk—Brig. J. Clayton 449; Walter C. Stone 416.

Treasurer—John Wells, 207; scattering, 1.

Millard County was taken up, but was not completed when the board adjourned.

#### THE BOARD OF HEALTH.

The citizens of Salt Lake City should become familiar with the rules adopted by the Board of Health, otherwise they may get into trouble by unwittingly acting in conflict with them.

On the 8th of August the following was adopted in relation to births:

Rule I. All physicians and midwives shall return to the Board of Health a statement of each birth at the end of each month, giving date of birth, name, sex, and color, also the name, age, nativity, occupation and residence of parents.

On the same date the following regarding burials:

Rule I. No person shall receive a permit for burial who does not present to the board of health a certificate of death signed by the attending physician, a midwife or undertaker.

Rule II. No person shall be allowed to remove from Salt Lake City the remains of a dead person without first presenting to the board of health a certificate of death properly signed by a physician, in good standing, and an undertaker, and must obtain from the health commissioner a permit for such transit.

Rule III. Any person or persons having died from diptheria, scarlet
