What the Unwanted Did Yesterday. LONDON, August 5.—In the House of Commons this evening, Mr. Gladstone, chief secretary for Ireland, announced that he did not expect to be required to make any communication to Parliament on the subject of the proposed dangerous associations in Ireland.

WASHINGTON NOTES. WASHINGTON, August 5.—Application was recently made to the Treasury Department for a release free of duty of a watchchain, locket, brooch and a pair of earrings imported through the mail and seized for duty. It appears that the above articles were originally imported into the country by a merchant who had secured their return to San Francisco by mail from Ireland. The department has decided to release the goods, having been re-exported from the country for the purpose of trade.

THE RAILWAYS. The Investigators Still at Their Work, Etc. SAN FRANCISCO, August 5.—The first work of the Pacific Railway Commission to-day was the examination of documents which David Strong presented to strengthen his allegations made yesterday against the officers of the Central Pacific.

SENATOR STANFORD'S examination was also resumed. He denied that a contract had been made in 1862 by which the Central Pacific was to be transported over the Central Pacific. The complaint filed in 1862 against the Central Pacific was produced and the attention of the witness was called to the fact that the contract was made on behalf of the Central Pacific made oath that Wells, Fargo & Co. had a contract for the exclusive right of transportation of mail and express between San Francisco and St. Louis, and that Wells, Fargo & Co. watered the stock from ten to fifteen million dollars and gave Stanford \$1,000,000 for consideration.

SENATOR STANFORD'S examination was also resumed. He denied that a contract had been made in 1862 by which the Central Pacific was to be transported over the Central Pacific.
