Fine Ewes Sold—The Rocky Moun-tain Stud Farm company of this dity has shipped in two carloads of high grade bincoln ewes to a Fairview grower. The ewes are registered and came from Ontario, Canada.

One Ciphier Too Many—In giving the number of tourists that visited the Tabernacle grounds last year, the "News" made a mistake yesterday, one cypher too many inadvertently creep-ing in, making the figures beyond all reason. The sum total should have been 150,000, instead of 1,500,000, as annearing. appearing.

spearing, Skeleton Found in Trench-While digging a trench on Second West, near Fourth South Forkmen uncar hed parts of a human skeleton yesterday after-moon. So long ago had burial taken place that it was impossible to tell whether or not the remains were those of a while person, and the determina-tion of sex was cut of the question.

Dealers Adopt by Laws-At last night's meeting at the Commercial club, of the Wholesale and Retail Gignr and Tobacco dealers, a consti-tution and by laws were adopted, and 40 new members were elected. It was decided to hold meetings on the so-cond Monday in every month, in the Jennings block.

"Man of The Hour" Outdone By Salt Lake Press Club

The coming production of the Press hub play "The Bungle," which will be fiven by the local talent at the Sait the different lines of the work of the inb play "The Bungle," which will be given by the local talent at the Sal Lake theater next Wednesday afternoon and evening promises to be one of

the best and most entertaining shows which the club and its members have o far altempted. While the action of the piece is to

mie extent based upon "The Man of he Hour," there are yet a number of lifferences between that piece and "The Busels." The new piece has been so arranged as to permit of the introduc-tion of any number of local quips and comic situations pertinent to local con-ditions and a number of new charac-ters have been introduced and the play given a certain western atmosphere which it is believed will add materially to its qualifies for enjoyment. In ad-dition a number of specialties will be introduced.

introduced. As far as stage settings are con-carned the opening scine does not dif-fer materially from that of the 'Man of the Hour,' but at this point the re-semblance practically ceases until the last act, when the supposedly pliable and castly lead mayor comes into his own and the denounment shows the triumph of right over might and hon-esty and fair dealing over chicanery and political graft. The scene is a strong one and its dramatic intensity is heightened by the return of the rich old prospector just in time to save the old prospector just in time to save the situation and assist in the triumph of the mayor and his few faithful adher-

Prof. Lewis A. Merrill Reports En-

couraging Conditions in Cedar Valley,

Prof. Lowis A. Merrill, agronomist in harge of dry farming experiments at the Utah experiment station, returned

from a visit of inspection to the farma of Cedar valley, this morning. Mr Metrill is elated over the prospects for dry farming in that locality during the coming season. He was accompanied on his trip by President Skophen L. Chipman of the Alpine stake, James Clark, E. J. Clayson, Bishop Smill, James Walker and others. In the south

and of the valley there are 200 or 200 acres of land planted to Koffod and turkey red wheat, some of which is oking exceptionally fine for this sea-on of the year. On the farm belonging to the Celtar

On the farm belonging to the Cedar Yalley Development company, in which Mr. C Ipma. Mr. Clars, and Mr. Evans of American Fork and George C. Lambert, J. E. Openshaw and others of this city are interested, theirs are about 600 nores on which the wheat is making a spiendid showing for this acason of the year. The wanther has been extremely rold and backward, but the wheat is mostly up and will be "stoning" out in a few days. If the semon is in any way favorable, the farms is Codar valley ought to give a good account of themailves this year. The land was given ascellent prepara-ton last year, and while the wheat was not move as early as it should have been in home instances, yet the pros-ports necesived all over the state. Prof. Merrill feels that this ought to be a banner year for dry farming.
