BIG FOUR FAIR A FINANCIAL LOSS

Intervention of Jupiter Pluvius Spoils Success of Splendid Exhibition.

POLITICIANS PLAN CAMPAIGN

Republican and Democratic Central Committees Meet and Organize— Junction City News.

Ogden, Oct. 5.—The Big Four county fair has closed. Race horses, exhibits, and the tented attractions of the Kees carnival company have left the city and the fair grounds which were alive with human activity during three days of the fair last week are deserted.

But for the intervention of Jupiter Pluvius the fair would have been a marked success financially, but Friday and Saturday's rain caused such a decrease in the attendance which resulted in a great financial loss to the fair association. With this one drawback the fair was one huge success. The finest agricultural and horticultural exhibits, merchandise displays and live stock entries ever brought to this city were seen at the fair which has just closed. Although the weather prevented attendance on the two biggest days of the fair a sufficient interest was taken by the people from Boxelder, Morgan, Davis and Weber counties on the first days to insure the management that their future efforts in getting together such another collection of exhibits will be heartily supported. William Glasmann, president and director-general of the fair association and his associates have labored unceasingly and the great amount of interest taken in the venture by the people of the four counties is evidence of their appreciation. When the announcement was made Saturday that all races scheduled for that day had been declared off horsemen who had entries were displeased and claimed that the track was not in such a condition as to render the running races impossible. The management decided however that the light attendance would not warrant them immediately made by the horsemen and is being entertained by the managers to hold a racing meet on the local track immediately after the close of the state fair in Salt Lake.

POLITICIANS PLAN CAMPAIGN

Saturday afternoon at the court house the central committees of the Republican and Democratic parties of Weber county held meetings at which were discussed the plans for the coming campaign. The Democrats held their meeting in the court room and other than the election of T. D. Johnson as manager of the campaign, very little business was transacted. An informal discussion on the proposed plans for the conducting of the campaign was held but no action was taken. The meeting of the Republicans was held in the commissioners' room, with Chairman Oscar Madison presiding.

Why Suffer?

If you suffer pain from any cause, Dr. Miles' Anti-Pain Pills will relieve it—and leave no bad after-effects. That's the important thing. Neither do they create a habit. More often the attacks become less frequent, or disappear altogether. Dr. Miles' Anti-Pain Pills have no other effect except to relieve pain and quiet nervous irritation.

"We are never without Dr. Miles' Anti-Pain Pills. My husband and son, aged 12, were always subject to headache until we began using these pills, and they have broken them up entirely. Don't think they have had to use them for six months. I recommend them to every one. A few weeks ago I heard an old lady friend was sick. I went to see her. She was down with La Grippe, and I gave her one of the Anti-Pain Pills and left another for her to take in a few days. They helped her right away, and she says she will never be without them again. Last winter my husband was taken with pleurisy on both sides, and I know he would have died if it hadn't been for the Pills. In less than half an hour he was sweating, and went to bed and slept."
