practise on the rifle range and pistol range is being undertaken in the Na tional Guard of Utah. Major W. G. Williams, who was a member of the team which went to Camp Perry, Ohio, Highly Respected and Well Known

Williams, who was a member of the team which wint to Camp Perry, Ohio last Angusst, will have charge of the state tesm ggain this year and as som as weather conditions permit active practise on the outdoor range will be-sin. Béfore that time, however, there are many preliminartea to be under-inken, and it is along this line that work is progressing now. Malor Wil-hans has written ench company com-mander regarding the state rifle team which will be sent to Ohio again this year. Eighteen men are to be selected for their showing in the season's work on the target range. Indoor pre-pursition has been begun in the major-ity of the organizations and rivalry is abreaty keen among the men who will try to qualify for the team. Last year all men shot in competition in one class. Utah showed up fourth from the bottom the first year a team was sent into the competition from this state. Next season the competition will be divided into three classes to be known as A, B and C classes to be known as A, B and C classes to be known as A, B and C classes to be known as the top in Chase C. He is quite sure that the Utah team will stand not far from the top in Chase C. He is quite sure that the Utah team will stand not far from the top in Chase C. He is quite sure that the Utah team will cem-pete in Class P the following will be made that the Utah team will cem-pete in Class P the following will be made of this ait done and will cem-pete in Class P the following will be made of this at done and will com-tine to the Hane outdoor practise may be begun. Capitan Webb intends to de-velop a pistol team that will somal the battery quarters. In has a tange of 25, 59 and 75 feet and the smallest reg-ulation targer will he will be "hard to catch." Each section will soon have a roant and competificion between the four sections of the battery will soon he in order. The signal corps is also armed with pistola and as soon as a He was born 76 years ago in Car-marthanshire, South Wales, joining the Church through the influence of a local elder at Aberdare, the late David R. Gill. From then on he was active in religious affairs, presiding for years over a branch of the Church and doing considerable missionary work. About 20 years ago he emigrated to Zion, set. thing at Logran. Utab, but removing after a ward was created there, he was a member of the bishopric. In the latter '80's he filled a mission of two latter NOS are filled a mission of two years to his native land. Latterly, bia health failing and fils children all mar. rying, he abandoned the farm, and lived with his actas and daughters in this city, Lehi, Boine and Payette, at the last of which places he passed away as stated. four sections of the battery will scop be in order. The signal corps is also armed with pistols and as scop as a range may be found similar practices will be taken up by it and a competiaway as stated. He had a great capacity for making (riends) it is doubtful whether he ever on between the two organizations is
