### CITY COUNCIL MEETING.

No Sensation, but a Busy Night.

The register smeeting of the city council convened at the neural loop last night. At the members were on their good heaters, for the sell call aboved a full attendance. Quite a number of citizens were present as specialize, a lively time having been looked for when the police and fire department questions some up. In this all were downed to disappelational, for the mesting draged sing is the righter routine manner, and when the questions respected to make up they were quickly disputicled and other makers cames up for consideration.

One generalizes are the constitution of the consideration.

for consideration.
One councilmum, after the morting adjourned, wondered what had brought as many people to the morting. He was told that a sense had been looked for ever the suice question. "Well," he remarked, "If that's what they came for, I am glast they got forcid; if they want a circus they had better altered the council meetings of a certain city on the senth."
After the preliminary work had been disponent with the following best free was transacted.

mended that the fire department retives their lives firm 2 to 10 mm.
Adapted.

The committee on street recommended that the shortin light on
therman avenue and Tensity first
of Quitney avenue between Tensitodia
and Tensity-eighth streets be completed at once.
