LOCAL BRIEFS.

Underground Work Begins.—The Independent Telephone Company began work today on the twelfth East street underground extension.

Joint Mutual Programs.—The Saturday "News" will be pleased to print the program of all the Joint Mutual Improvement, if copy is furnished not later than 10 o'clock Saturday morning.

Leslie Fred's Successor.—Governor William S. Felt received the resignation of Leslie D. Fred as a director of the State Fair association. It will be several days before the vacancy caused by his resignation will be filled.

Tabernacle Choir Rehearsal.—Prof. Stephens has sufficiently recovered today to be around, and says that the rehearsal of the tabernacle choir will be held this evening in Barrett hall at 8 o'clock. All members are urged to be present.

Asks Sanitary Inspection.—The state board of health received yesterday a telegram from Dr. J. V. Meiklejohn of Scotland asking that an inspector be sent at once to examine and report on the slaughterhouse there, which is claimed to be in an unsanitary condition and a menace to health.

Whitney Opera House Tonight.—Margaret Whitney presented the "The Sub," which will be given in Whitney hall this evening under the direction of Prof. Edwin Kimball, who also made the orchestra work. A large number of electric fans will be installed through the hall to insure the comfort of the audience.

Shriners' Convention.—Local Shriners returned from the Nashville convention report the biggest kind of a time in store for them next year when the Shrine meets at New Orleans. Already \$100,000 has been subscribed toward the entertainment fund, the program now in process of preparation. The association is a branch of the International Shrine, which is now in session at the New Orleans and Louisiana Shriners propose to make a record in the entertainment line.

Mr. Giles' Funeral.—The funeral services of the late Farley Giles will be held in the Eighteenth ward chapel at noon tomorrow. Mr. Giles was the son of Prof. H. E. Giles and brother of John D. Giles of the Salt Lake Choral society, and as a compliment to both, the association of the American Institute of the members to furnish the music for the funeral. Prof. McClellan director; the choral body will render "Two Numbers, and Dr. Graham will sing "If With All Your Hearts."

Water Badly Needed.—There was not a sprinkling wagon on Second avenue eastward from Canyon road on Wednesday, and the people were not at all complimentary to the water department in their remarks as a consequence. The considerable pavement, called macadam by the city administration, is now a long stretch of white pulverized dust, and if not kept perpetually wetted down, it floats in the air like so much flour. Why the wagons were taken off Wednesday no one seemed to know.

Delegates Return.—F. M. Michelson and L. C. Van Voorhees, two of the Salt Lake delegates to the Seattle convention of the American Institute of banking, have returned. They report having had the time of their lives. The delegates were given free tickets to the exposition including the cost of the midday, or paystreak, as it is called; excursions were given on the sound, on the trolley cars to Tacoma, to the local hotels of amusement, and banquet and feast almost without number, and in general, every courtesy was accorded them.
