and while these and the experiences of our own country, and with a patriotic devotion that is not to be questioned, the State will take its part in the movement, and will strive to be a model of efficiency until the last hour of the Republic.

INDIANS IN SAN JUAN.

The prompt action of Governor Wood upon the representation made to him by citizens of San Juan county is to be commended, and it is to be hoped that the steps now taken will be such as to insure the safety of the territory. The Indians from any quarter, should not be allowed to remain in the territory, and the Government should take prompt action to remove them. The Indians from any quarter, should not be allowed to remain in the territory, and the Government should take prompt action to remove them.

It is extremely regrettable, however, that there should be any action taken to remove the Indians from the territory. The Indians from any quarter, should not be allowed to remain in the territory, and the Government should take prompt action to remove them.

It is extremely regrettable, however, that there should be any action taken to remove the Indians from the territory. The Indians from any quarter, should not be allowed to remain in the territory, and the Government should take prompt action to remove them.
