

of, and at 2 p.m. meeting was held, at which Pres. Woodruff, Elder Richards and Pres. Taylor were the speakers.

After meeting, drove to Richfield and arrived at 5 15. Here we received letters and papers from Salt Lake.

Saturday, Nov. 26.

Weather pleasant. Conference convened at 10 a.m. Pres. Spencer made a few opening remarks.

The statistical report of the Stake was read.

Seven Bishops reported the condition of their Wards.

Apostle Richards spoke.

2 p.m.

Presidents Woodruff and Taylor occupied the time.

After meeting a number of the leading brethren and sisters met at Pres. Spencer's where much valuable instruction was given.

At 6.30 p.m. a meeting of the Priesthood was held, Presidents Woodruff and Taylor being the speakers.

Sunday, November 27th.

At 10 o'clock conference convened, the house crowded to overflowing. Elder Hans P. Miller made report of the Sunday schools of the Stake. Apostle Richards and Elder Nuttall addressed the assembly.

At 2 p.m., meeting, the sacrament was administered. Elder Morrison presented the general authorities of the Church and the local authorities of the Stake, all of whom were unanimously sustained. Presidents Woodruff and Taylor were the speakers.

The congregation sang, "The Spirit of God like a fire is burning," and Patriarch James McBride offered the benediction.

Conference adjourned for three months.

At 6.30, President Woodruff called a meeting of the young people, at which Bro. Brandle reported the condition of the Y. M. M. I. A. and Sister Cecelia Bean reported the Y. L. M. I. A.

President Woodruff, Elder Richards and President Taylor spoke in an encouraging, fatherly manner, and Elder Nuttall offered prayer.

The health of the party is excellent, weather beautiful and roads good.

We leave this morning for Salina. L. J.

FROM SATURDAY'S DAILY, DEC. 3.

Appointment.—Elder O. F. Whitney has been appointed to travel in the London Conference. When last heard from, he was in good health.

Smallpox in Butte.—As there is a good deal of traffic between here and Butte City, Montana, it may be interesting to know that there is quite a number of cases of smallpox there. The smallpox wave seems to be gradually getting nearer this way.

Cannonville.—From William Osborne, of Cannonville, Iron Co., we have received an account of Thanksgiving services held there on the day appointed.

In addition he says:

The health of the people is good; we have a good climate and there is a good chance for more settlers.

Burglary at Ogden.—Burglars entered the gun manufactory of J. M. Browning & Co., Ogden, on Thursday night, and carried away eighteen pistols of various kinds. Thieves seem to be doing a lively business in our neighborhood in the north and vicinity. The Ogden Herald gives the details of the burglary.

Murderers Sentenced.—Michael Mooney, murderer of Joel Hinckley, was, on Tuesday last, at Malad City, Idaho, sentenced to be hanged on the 20th of January next.

Barnes, a participant in the same crime, having been found guilty of murder in the second degree, was sentenced to imprisonment, in the penitentiary, for 15 years.

Cotton.—We have received from Brother Jesse Hobson, of Mesa City, Maricopa County, Arizona, a piece of beautiful cotton, raised at that place, by Fred Mulin. It rivals in quality the article raised in the Southern States. Cotton cultivation may yet become a prominent industry of our next neighbor south. If it can be raised in goodly quantity, in proportion to the acreage, we see no reason why it should not.

A DESPERADO ARRESTED.

A WYOMING COWBOY CAUGHT NAPPING.

Sheriff Dickey, of Evanston, came to this city yesterday, in search of two desperate characters—cowboys. An attempt had been made to capture them at Evanston, some time since, which failed, as the desperadoes stood the officers off with their pistols.

The sheriff made the police acquainted with his errand, and they kept a look out for the men. At 3.30 this morning, Officer Salmon thought he saw one of them, Jack Williams, sitting by the stove in the White House. To make certain, he found Mr. Dickey, who at once recognized Williams. The latter was sitting on a chair dozing, but Mr. Dickey knowing that the cowboy would shoot on sight, was even then cautious about approaching him. Mr. Salmon, however, walked up and put the bracelets on Williams before he was aware of what was being done.

Williams and his companion are charged with horse stealing. He seems to have an intense hatred of Mr. Dickey, and vows vengeance against him. While in the city jail he tried to free himself from the handcuffs by beating them against the wall. He destroyed the lock on them, and as his wrists were swollen and discolored, they had to be removed by the aid of a blacksmith, this afternoon, and ankle-irons put on him in place of them.

This afternoon he laughingly told a News reporter that he guessed they would hang him when they got him back to Evanston, but he didn't know as it mattered much, anyhow.

Williams is of medium height, strongly built, evidently possessing great muscular strength and activity. His features are broad, his nose having a protuberance on the upper part, which physiognomists say denotes aggressiveness. When not angry, he smiles broadly, and has an air of jaunty juvenility. He is the beau ideal of a cowboy of the toughest stripe.

MOVEMENTS OF PRESIDENT TAYLOR AND PARTY.

Editor Deseret News:

On Monday, Nov. 28, 1881, at 9.45 a.m., President Taylor and party started for Salina, and after a pleasant drive of two and three quarters hours, arrived and were suitably provided for by Bishop Jens Jensen and his brethren.

At 2 p.m., a meeting was held, the meeting-house being too small to contain one half of the Saints who were assembled. Presidents Taylor and Woodruff and Elder Richards were the speakers.

At 6.30 a meeting of the young people was held at which President Woodruff and Elders Nuttall and Richards spoke.

Tuesday, Nov. 29.

As per arrangements made last evening President Taylor and Elders Richards and Nuttall started at 9 a.m. for Gunnison and President Woodruff for Mayfield to hold meetings. Three brethren well mounted accompanied the party from Salina, and Elder Clark with his men returned to Richfield. A slight flurry of snow fell last night. President Taylor and party arrived at Gunnison at 11 o'clock. Here we met Apostle F. M. Lyman and Pres. Ira Hinckley who had arrived from Fillmore last evening and held meeting. It was decided as per consultation last night that Elder F. D. Richards proceed direct to Juab this afternoon thence to Salt Lake City and Ogden to-morrow to enable him to attend to matters of importance in which he was concerned. Elder Berglund provided a suitable team and carriage and Bro. Richards left at 12.30.

At the meeting which commenced at 11 o'clock, Pres. Taylor, Apostle Lyman and Elder Nuttall spoke to the assembled Saints.

At 3.25 started for Manti, and arrived at 5.30. Here we were met by Pres. Jos. F. Smith, Apostle J. H. Smith, and Elder C. W. Penrose, who arrived this afternoon from Salt Lake City.

Pres. Woodruff held meeting at Mayfield at 11 a.m., when he and Elder House, of Nephi, spoke to the Saints. These brethren arrived at Manti at 4.30.

At 7 o'clock the Saints assembled in the meeting-house and were addressed by Elder Penrose, Pres. Smith, Elders Lyman, Smith and Pres. Taylor.

Wednesday, Nov. 30.

A fine pleasant morning.

The President and party drove to the Temple grounds, walked through the building and surroundings. The labor having progressed very favorably during the past year.

Apostles Lyman and Smith proceeded to Ephraim to attend the opening services of the quarterly conference.

The party all well.

Ephraim, Nov. 30, 1881.

FROM MONDAY'S DAILY, DEC. 5.

Message.—There is a message at the Western Union Telegraph office for Willard D. Johnson.

Arrived.—President Taylor and party, after a pleasant, profitable and successful trip through the southern settlements, arrived in the city at 10 a.m. to-day.

Delayed Again.—Sentence was to have been pronounced to-day on Jack Emerson, convicted of murdering John F. Turner. The matter was again deferred; this time till Monday.

Appointments.—The *Millennial Star*, of Nov. 14, publishes the following: J. W. McMurrin is appointed Traveling Elder in the Glasgow Conference; J. T. Rich, Traveling Elder in the Leeds. W. Willie, Traveling Elder in the Liverpool; O. F. Whitney and J. Pickett, Traveling Elders in the London; E. Entwistle, Traveling Elder in the Manchester; E. Eyre, Traveling Elder in the Nottingham, and D. Davies, Traveling Elder in the Welsh Conference.

Still Prevalent.—Mumps still continue prevalent. The course of some parents in sending their children to school while affected with the disease is reprehensible on two grounds. It is dangerous to the patients to expose them to the liability of taking cold, and is unfair to other children not afflicted with the complaint in exposing them to infection. As parents do not, in many cases, act with good judgment in this matter, would it not be well for school trustees to institute some precautionary measures?

Gone to Rest.—Uncle Robert Carter's heart is heavy. As will be seen by a notice in another column, his partner in life departed early yesterday morning. Mother Carter was a most excellent woman, true to her religious convictions, kindly and upright in her ways. She embraced the gospel on the 3rd of December, 1851, and came to Utah in 1862.

The funeral services will be conducted at the Ninth Ward School-house, beginning at 10 a.m., on Wednesday. Friends are invited.

Ogden Street Railroad.—The Ogden Herald publishes the fact that the long spoken of street railroad for that town will soon be a reality. The incorporators are:

S. W. Sears, M. H. Beardsley, Wm. Van Dyke, V. M. C. Silva, L. B. Adams, J. M. Lansdorf, A. J. Pattison, M. Buchmillgr and William Wright.

The capital stock is \$50,000, five percent of which is already paid in.

The following are the officers of the company:

M. H. Beardsley, President; Wm. Van Dyke, Vice-President; J. M. Lansdorf, Treasurer; V. M. C. Silva, Secretary.

The Cannon-Campbell Case.—In the Third District Court, in the case of the United States *ex rel.* A. G. Campbell *vs.* George Q. Cannon, defendant appeared, by his counsel, on Saturday afternoon, and moved to amend a journal entry and order heretofore made, so as to read as follows:

"The demurrer of the defendant to the complaint filed in this action having been heretofore argued by counsel for the respective parties, and taken under advisement, and the court having duly considered the same; and it appearing to the court that the Attorney General of the United States should file complaint in behalf of the government in such case, and that from the facts stated in the complaint, there is no sufficient cause shown for annulling it; it is ordered that the said demurrer be and the same is hereby sustained, and that the complaint be, and is hereby dismissed."

The amendment proposed in the motion consists in the striking out of the entry and order of the following, which, being superfluous and untrue, was evidently introduced for effect:

"Which are admitted by defendant's demurrer, that there is no record of defendant's naturalization, and that no proceeding for that purpose ever took place in court, and that the certificate held by defendant as a certificate of naturalization was obtained by fraud and has been fraudulently used, and is void on its face in not professing to be the copy of a record and not certifying a regular naturalization."

DEATH OF SISTER HEYWOOD.

At one o'clock on Sunday morning Mrs. S. M. Heywood departed this life, after an illness of about six weeks. Her demise was not a surprise to her family and numerous friends, as she had been so feeble during the latter part of her sickness that hope of her recovery had about vanished.

The funeral services were conducted at the residence, 17th Ward, by Bishop R. T. Burton. A very large assembly of friends was present to pay their last tribute of respect to one universally loved and admired. A choir of selected voices from the Tabernacle choir sang the hymn beginning "Come ye disconsolate."

Prayer was offered by Bishop L. W. Hardy, and the beautiful hymn, "Nearer my God to Thee," was sung by a quartette.

Counselor Daniel H. Wells, Apostle John Henry Smith and Bishop Burton spoke, testifying in eloquent words to the virtue, heroism and nobility of the life of the deceased, and exhorting all to emulate the worthy example of her life. Choir sang, "Weep, weep not for me Zion," and the closing prayer was offered by Bishop Tingey, of the 17th Ward.

Sister Heywood was 58 years old on the 28th of November, and is the wife of Elder Joseph L. Heywood. She came to Utah in 1848, and is widely and favorably known, her career having been one worthy of emulation in many respects. She has for years been intimately connected with woman's sphere of operations in the community, and passes away with a record glowing with good deeds. Our sympathies are with the bereaved family.
