John James is confined to his home in consequence of a fall from a sixth floor car the other evening, which bruised him up and cut his head over the left eye, necessitating several stitches by the surgeon.

Rev. Dr. Coburn of Boston made a stirring plea last night, in the First Baptist church, speaking from Hebrews II, which he said was the great epic poem of the Bible. Several persons professed conversion.

"From Sunshine to Shadow" will be the subject of Dr. Talmage's lecture at the University Sunday school tomorrow. An invitation is extended to everybody who is interested in the life and teachings of Christ.

"The Rights and Wrongs of Unionism" will be the subject of the Sunday evening lecture by W. S. Dalton of the Industrial Workers of the World at the University of Utah. Mr. Dalton will deal with the question of the open shop, the eight-hour day and the so-called strike.

Addresses were made at last night's Canadian association meeting by H. G. Tyrell and G. B. Scott on what the Canadian clubs in the United States were doing. Misses Brecken and Nichols played piano solos, and Miss Scott gave a reading. Messrs. W. V. Rice and W. S. McCormick were appointed a committee to select quarters for a permanent home of the association, which now has a membership of 150. The rest of the evening was spent in card playing and dancing.

Chief Charles T. Vail of the fire department returned last evening from northern Utah and southern Idaho, whither he went in quest of horses for the department. He states that there is a great scarcity of suitable animals throughout that part of the country, a locality that is usually well supplied with the very best. Agents of railroad construction companies have gone through Cache, Oneida, Malad and other counties and have bought up nearly every first class horse that was for sale. However, the chief succeeded in getting three animals to his liking. These he obtained from the region of Malad, paying \$15 for each.

The Presbyterian church in the United States has planned a series of revival meetings to begin Feb. 25, the last Sunday in the month, and the churches of that denomination in this city will participate in the movement. The object is to make converts and arouse the spirit of those already in the church. The evangelist general committee is composed of Rev. Dr. J. Wilbur Chapman of New York, chairman; President James D. Moffatt of Washington and Jefferson college, and President John D. Converse of the Baldwin Locomotive Works. In April all of the evangelist churches of Salt Lake propose holding union services, when Rev. Dr. Bulgin of California will be here to help on the work. The meetings will be held in either the First Presbyterian or the First Methodist church.

AN ENTERTAINING EVENING.

It Was Furnished at Barratt Hall Last Night by Edmund Vance Cook.

A large audience greeted Edmund Vance Cook, the Ohio poet, who appeared last night, in Barratt hall, in the series of lectures being given under the auspices of the Mutual Improvement association bureau, and as was expected, the lecturer proved himself a versatile and entertaining artist. He included in the program a recital of a number of his own excellent poetic writings, as well as impersonations of the characters of his own creation. Then Prof. Cook gave some clever stories of the stage and "The Football Girl" is a burlesque on the game that he made highly interesting. "The Twelve Pound Tyrant" furnished much amusement as did "Zis Anglia Langueid" illustrating the efforts made by a Frenchman in endeavoring to acquire a knowledge of the English language.

Prof. Cook also showed himself a philosopher, and proved particularly interesting in giving advice along that line. The entire evening was much enjoyed, and it is not too much to say that the bureau management has done well in bringing to this city such entertaining and instructive lecturers.

This Day In History.

FEB. 10th.

- 1688—Isaac Vossius, celebrated German scholar, died.
- 1762—The French and Indian war ended by treaty at Paris. The French and Indian war, waged by Great Britain in the interest of her American colonies, was nearly simultaneous with the Seven Years' war in Europe. It originated over boundary disputes on the Ohio. In one of its campaigns, under Braddock, Washington gained his great victory upon the popular system. Decisive events were the taking of Louisburg, the fall of Ticonderoga and the capture of Quebec. The latter victory decided the war in favor of the British. The terms of the treaty Canada and its dependencies were ceded to Great Britain.
- 1776—Montesquieu, noted French philosopher, author of "Spirit of the Laws," died.
- 1876—Reverly Johnson, statesman, died in Annapolis, born 1796.
- 1904—President Roosevelt proclaimed the neutrality of the United States in the Russo-Japanese war.

SANG JAPANESE ANTHEM.

One of the Features at Ward Entertainment for Famine Sufferers.

The entertainment given in the Eleventh ward meetinghouse last night, under the auspices of the Returned Missionary society, for the benefit of the Japanese famine sufferers, was largely attended and was a financial as well as an artistic success.

A feature of the evening was the singing of the Japanese national hymn by the ward choir, augmented by 30 Salt Lake Japs, under the direction of Horace S. Ensign, conductor. The other program numbers, as already printed in the "News," were carried out with spirit and enthusiasm, and speeches were made by two members of the Japanese colony, who expressed their profound admiration for the people who had taken such an interest in the poor of their own land so far away, at a time when they were just emerging from the terrible distress occasioned by the recent war with Russia.

The announcement was made for the benefit of those not present who feared to contribute to the aid of the famine sufferers, that they might leave their contributions with either of the following gentlemen: George Coulam, Ellipse, 52 East First South; Joseph H. Felt, Z. C. M. L. or T. Albert Hooper, of the Deseret News business office. The sum of \$55 was realized last night, and this it is hoped, will be increased before the money is forwarded to Japan, which will be in the very near future.
