TO THE BISHOPS AND PRESIDING ELDERS IN ALL THE SETTLEMENTS OF THE LATTER-DAY SAINTS.

DEAR BRETHREN: It is our desire to commence again to assist the scattered poor of God's people in gathering to Zion. To aid in the accomplishment of this purpose we request the Bishops and Presiding Elders in the various settlements to give especial attention to the collection of the debts due to the Perpetual Emigration Fund from those who have been assisted in past years. In view of the near approach of the season of the year when our emigration leaves the shores of Europe, we desire that our brethren give this matter their immediate attention, that we may be enabled to do as much good as possible this present year.

It is the duty of all the Saints who have the means to assist in the gathering of those of their brethren and sisters who are still scattered in Babylon, and we should be pleased to have the local authorities solicit donations from those who are not in debt to the P. E. Fund, and who are able and willing to do their part for the gathering of scattered Israel.

Your Brethren,
BRIGHAM YOUNG,
DANIEL H. WELLS

Stormy and Cold.—A little more snow on Saturday night or Sunday morning, and a little more last night. A piercing cold wind yesterday.

The Utah Pomologist for February comes in an enlarged form, testifying to the irrepressible enterprise of its publisher, J. E. Johnson, of St. George.

School District Meeting.—We are requested to remind those interested that there will be a meeting of the tax-payers of the Fourteenth School District, at the School-rooms, at 7:30 to-night, when it is desired that there be a full attendance.

Surgical Operation.—On Saturday a somewhat critical operation was performed by Drs. W. F. Anderson and J. M. Benedict, upon Elijah Burt, a fifteen-year old son of Marshal Burt, of this city. The unfortunate lad has been suffering a considerable time from a disease in one of his jaws, necessitating the laying open of his cheek and the extraction of several pieces of decayed bone. We understand he is doing tolerably well, considering the character of the complaint and the nature of the operation.

A Hard Time.—Brother Andrew Burt, one of the Brigham City missionaries to Arizona, writes to a relative in this city, under date of March 15th, from Kanab, where himself and the others who started from the same place arrived the day previous. They had a terrible hard time traveling from Panquitch to Kanab, a distance of sixty miles, which it took them eighteen days to get over. There was little or no feed for the teams on that part of the road and the animals were nearly given out in consequence. They purpose lying over a few days at Kanab to recruit. It was reported at the latter point that snow on the Buckskin Mountains, over which they would have to travel, is from three to four feet deep.

Theatre.—There was a well filled house at the Theatre on Saturday evening, to witness Mr. Tullidge's famous play of "Ben Israel," which was well put on the stage and afforded much satisfaction to the audience, though the text might advantageously be pruned a little of a few hackneyed expressions, or rather of their too frequent repetition. Mr. Vinson was laboring under a severe cold, which prevented his doing full justice to the part.

On Wednesday evening, Mr. Vinson will appear in his great character of "Old Fidelity" in the play of that name, supported by Miss Walters, Messrs. Graham and Lindsay and the full strength of the company.

There will also be a grand matinee on Saturday.

Democratic County Convention.—On Saturday afternoon the Democrats of Salt Lake County held a convention, in the City Hall, for the purpose of electing nineteen delegates to the Democratic Territorial convention to be held in this city April 8th. Mr. J. P. Page called the meeting to order, Mr. A. Miner was chosen chairman, and Mr. E. N. Fuller, Secretary.

The following were elected delegates to the Territorial convention, with power to fill vacancies in their number—

J. P. Page, E. N. Fuller, Ben Sheeks, Jacob Weller, A. Miner, Parley L. Williams, William Jennings, J. R. Park, Hosea Stout, Dr. J. M. Benedict, J. L. Rawlins, Geo. Jackson, Samuel Bringhurst, William Cooper, Amos Neff, Z. Snow, Sr., C. R. Barratt, John C. Liddell.

The chair appointed the following a County Central committee—J. P. Page, A. Miner, H. J. Faust, Ben Sheeks, J. M. Benedict, C. R. Barratt, A. C. Pyper.

Co-Operation.—The ladies of St. George have come to the conclusion to get their goods cheaper than at present sold here. Put in a small sum each, and from a *real* Co-op., employ one of their number as clerk, and leave the sterner sex to seek more manly and fitting employment. That is right; let us finish up all the rest of the speculation rings, buy our goods of the women, and leave the men to go to legitimate employment. Go in, ladies and win; the *people* desire a change here commercially with a programme of reduced rates.—*Utah Pomologist.*

The St. George Temple.—This building is being pushed along towards completion with much spirit and energy. The basement, with its numerous rooms and font in centre, is nearly completed, and already cleaned out ready for use. The tower and dome are also nearly or quite finished, and the outside finish is daily creeping nearer and nearer terra firma, and is about two thirds done. The floor of one of the large halls, 78x99, is finished, and a large corps of carpenters are pushing along the inside finish, and have already got many of the windows in or ready.—*Utah Promologist.*

Second District Court.—Judge Boreman was on hand yesterday morning for the drawing of the jury list, but did not draw it or have it drawn. The reason was that there was no Marshal—Mr. Stokes not having received his commission. The Judge will dispose of all matters which can be got along with by the court alone, but the regular Spring term goes over till the first Monday in May.—*Beaver Enterprise, March* 21.

Sudden Death.—Mrs. Naomi Sumner, wife of S. A. Sumner, and sister of W. S. Reed, of this city, who was residing at Slaterville, went to bed last night in apparently her usual health, which has been rather poor for some time. This morning Mrs. Foy, who lives in the same house, went into Mrs. Sumner's room to learn why she did not arise as usual, when she found her dead in bed. Mrs. Sumner was about 50 years of age. The funeral will take place on Tuesday next, at noon, from the residence of Mr. F. Foy, Slaterville. Friends are invited.—*Ogden Junction, March* 25.

Wellsville.—This morning we received a call from Brother William K. Reid, school teacher, of Wellsville, who informs us that, in addition to other co-operative matters, the people there have thrown 105 acres of their land into a co-operative farm, which is to be sown in grain the coming season independently of their private farming arrangements.

Snow is from six inches to two feet on the level yet, making the season unusually late. Feed is very scarce and consequently numbers of cattle are dying of starvation.

Last Fall, after the crops were harvested, a quantity of grasshoppers made their appearance at Wellsville, but it is thought they will not hatch out early enough the coming season to do much damage.

It is the intention of the people to sow an unusually large breadth of their land in grain this season.

A Foundling.—About 5 o'clock last Wednesday morning the wife of Brother Joseph Nobles, of Springville, heard a gentle tap at her door, and called out, "Who is there?" to which there was no response but another gentle rap on the door, when she said, being somewhat timid, "What do you want?" "Come and see," was the answer. She did go to see, and on opening the door saw a man riding away on a bay horse. On looking down upon the doorstep she espied there a bundle, which, on examination, proved to be a genuine, live, healthy baby. With it were a couple of changes of clothing, in which was found a note, to the effect that the party into whose hands the little innocent happened to fall should take good care of it, as it would never be called for, to be discreet about feeding it properly, and not give it too much at a time.

Of course the little one was taken in and cared for. It is said to be somewhere from four to twelve days old. It is believed that the foundling was not born in Springville, but at some distance from that place, there being a bottle of milk with it, the milk being curdled, as if it had been partially churned—owing probably to the jolting action of the horse, giving the impression that the child had been brought from some distance.

Such circumstances are of recent invention in Utah, and the scarcer they are the better, being evidence of a peculiar kind of civilization, foreign to the spirit of this community.
