TUTT'S PILLS!

AS AN ANTI-BILIOUS MEDICINE, are incomparable. They stimulate the TORPID LIVER, invigorate the NERVOUS SYSTEM, give tone to the DIGESTIVE ORGANS, create perfect digestion and regular movement of the bowels.

AS AN ANTI-MALARIAL

They have no equal; acting as a preventive and cure for Bilious, Remittent, Intermittent, Typhoid Fevers, and Fever and Ague. Upon the healthy action of the Stomach and Liver depends, almost wholly, the health of the human race.

DYSPEPSIA.

It is for the cure of this disease and its attendants, SICK-HEADACHE, NERVOUSNESS, DESPONDENCY, CONSTIPATION, PILES, &c., that these Pills have gained such a wide reputation.

No remedy was ever discovered that acts so speedily and gently on the digestive organs, giving them tone and vigor to assimilate food. This accomplished, the NERVES are BRACED, the BRAIN NOURISHED, and the BODY ROBUST. Try this Remedy fairly and you will gain a Vigorous Body, Pure Blood, Strong Nerves, and a Cheerful Mind. Price 25c. 35 Murray St., N. Y.

TUTT'S HAIR DYE
GRAY HAIR OR WHISKERS changed to a GLOSSY BLACK by a single application of this DYE. It is a Natural Color, and acts positively on the hair by drawing out the roots and forcing out the old hair. Office, 35 Murray St., New York.

"It feels like a ball of fire rolling up and down the chest," is a common expression among sufferers from indigestion. Then use

Tarrant's Seltzer Aperient

get the system into a healthy condition, so that the digestive organs can do their legitimate work, and you won't be troubled after eating. Dyspepsia is the fruitful mother of many sad diseases resulting from the torpid condition of the stomach, and the aperient carries off easily and pleasantly the cause, and thus cures the disease.
