KETTELER MEMORIAL ARCH. Dedicated in Pekin with Imposing Ceremonies.

Pekin, Jan. 18.-The dedication of the Von Ketteler memorial arch, which occurred today, was an impressive ceremony. The arch was erected by China. Barov Von Ketteler was the German minister who was killed by Boxers at the outbreak of the Boxer trouble. The dedication took place in the presence of a brilliant assemblage of diplomats, many Chinese officials, all the military officers of Pekin, the entire foreign community of the city, as well as German officers and civilians from Tien Tsin and other coities.

The streets and roads from which a view of the function was to be had were crowded with Chinese. The German troops were aligned in the street south cupied the corresponding position to the

escorted to the arch by Baron von Der Goltz and he poured out a libation in honor of the dead man. He then spoke as follows: "This monument is to be a warning to the people, a sign of the friendly relations between our two countries and a symbol of peace."

To these words Baron von Der Goltz replied: "This monument has been

consecrated to the emperor of Germany by the emperor of China as a perma-nent proof of the anger of the emperor at this crime. In erecting this monu-ment in China he fulfills an obligation he took up after the events of 1900. The monument shall stand as a sermon to posterity and as a lasting symbol of the desire of the Chinese government to promote and perpetuate friendly rela-

M a pistress , re, alls in London, .vew York, Jan. 19.-There can be no longer any question as to the distress now prevailing in London says the Tribune's correspondent in London. Many thousands of men in excess of the usual average are out of employ-ment this winter, and the work houses cannot accommodate all the people demanding shelter. Things have reache a serious pass in the East End of the metropolis, while the tide of alien immigration is steadily rising higher and higher. A serious state of affairs exists also in other parts of Great Britain. An endless stream of country bred folk is pouring into the overcrowded cities, while Canadian farmer organize expeditions to search the obcountry for much needed labor, offer good wages for efficient men with out satisfactory response. Official statistics show that the British emigrant does not generally elect to make his home in the British colonies. Of 205,910 emigrants from their last year, 108,501 went to the United States. This condition of things induced one newspaper to declare that the future of the British race is im-perilled by the draughts made upon it from America, and that the greates and most beneficent work a British statesman could perform for the welfare of the nation would be the inauguration of some scheme for redistri-buting the British people in the Brit-

DEPARTMENT OF COMMERCE.

House Passes Substitute to the Senate Bill on subject.

Washington, Jan. 17.—At the end of a struggle which prolonged the day's session until after 6 o'clock, the house passed the substitute to the senate bill to establish a department of commerce and labor. The vote stood 137 to 40, All the Republicans and 29 Democrats vot-ed for the bill.

In committee of the whole the Dem-ocrats and a sprinkling of Republicans led by Mr. Corliss, Republican, of Mich-igan, struck out the portion of the bill providing for a bureau of insurance Ey a piece of parliamentary sstrategy Mr. Hepburn, Republican, of Iowa chairman of the interstate commerc commission, sought to have this provision restored, but the opposition stood fast and he was overcome. The Democrats then attempted to recommit the bill with instructions to report back a separate bill for the creattion of a de-parment of labor, but the motion was Lost.
