

## TURVILLE BREAKS TRACK RECORD.

Defeats Billy Vaughan in Fifteen-Mile Match Race.

## KING CAPTURES HANDICAP.

Bob Waine and Jack Green Make Their Reappearance and Latter Makes First Showing.

The unsteady pacing given to Billy Vaughan last evening had considerable to do with his losing the fifteen-mile match race, but at the same time he had a hard man to go against in Charlie Turville. The riders had some difficulty to contend with in the stiff wind that was blowing, and it was feared that the time would be rather slow on that account. On the fifth lap of the fourth mile Vaughan's tire blew out which caused a wait of several minutes. The race was resumed from that time until Tod Cain fired his blunderbuss the pace set by Charlie Turville was a killing one. The average speed was 1:45 to the mile. The distance from start to finish was 25:22-5. Breaking Turville's previous track record of 25:55. The young Philadelphia took the lead from the start and held it throughout. His exhibition of pace following was the prettiest, barring Gibson's, ever seen on the eastern shore. He never dropped back three inches during the entire race and finished strong.

There was a larger crowd on hand than the management expected, and it was furnished with at least one thrilling surprise. Bob Waine and Jack Green made their reappearance and the latter shows evidence of great improvement. He captured the first heat of the mile handicap professional in a beautiful sprint but in the final there was a different story. Charlie Turville, King, known as the "angel," jumped out from the 45-yard mark and by a combination of head work and speed, he captured first place in as hot a finish as ever took place on the track. Samuelson got second, Green third and Edmonds fourth. Time—2:01-3-5.

## LEAGUE MEETING.

Park City Franchise and Games Declared Forfeited.

Fans, there was a league meeting last night and the organization known throughout the adjacent settlements is now more triangular. The Park City Club was officially declared dead and given a decent burial with an appropriate eulogy inscribed upon its tombstone. Although the managers assembled did the heart to heart business for a long time everything went off just lovely, and the police were not called. For the local magnates to chuck them under the chin and say soft things to them—but it will not happen.

But Logan was represented good and plenty and the fans of the Temple city are anxious to have their team enter the league. Mossberg, Hahn and Keeler spoke in favor of the team being admitted and said that the organization was a strong one and would be able to hold its own with any of them. This matter was continued. The Park City franchise and all the games were declared forfeited. That's all that was done. Those present at the meeting were: President Boardley, W. J. Shauger, of Ogden, John Critchfield of Lagoon, and P. E. Keeler and E. S. Hahn of Logan.

## Sporting Notes.

Great interest is centered in this afternoon's contest at Lagoon between the big red Lobsters and Mr. Bamberger's importations. The latter have been preparing for today's struggle for several days and it is not won't they will surely give the noble champions something to do.

It is expected that "Prisco Borchers" will be on the rubber again for the Ogden crew and there was some talk of putting little Jody Kestel on the slab for the Blue Birds. Both teams are in excellent form and the game is sure to be close and interesting. A big crowd came down from Ogden and

it is believed the attendance will be a record breaker. The White Wings arranged last night for a game this morning with the semi-professionals and Meredith is pitching for them. Their line up is as follows:

Marrow, c.; Meredith, p.; Bert Marquette, 1 b.; Gamble, 2 b. or 3 b.; Bates, s.; King, 3 b. or 2 b.; Ryan, r. f.; Asbury, c. f.; Griffith, l. f.

The White Wings are due to go to Ogden Sunday and they know what will be coming to them if they lose. Therefore the boys are working hard for the big event and fully 500 rooters will accompany the team to the scene of strife and endeavor to help them out a bit.

The Lagoonites went to Ogden this morning for a game with the gilded Lobsters. Newsmen are on the slab for them while Pendergraft will do a stunt for Ogden.

Clerk of the Course W. P. Fowler is now rejecting in the possession of a new title. It was conferred on him by some of the boys at the Salt Palace last evening, and is: "Supreme Exalted Road Bouncer."

Tonight's events on the saucer are as follows:

Fifteen-mile motor-paced match race between Clem Turville and Harry Gibson.

Mile amateur handicap: prizes, \$15, \$10, \$5, \$2.50—Grames, Hendrickson, Smith (Scratch), Williams, Bowers, Hermans, Mossberg, Burgess, Ballentine, Calyton, Leyland, Hume, Angell, Heagren.

## OKLAHOMA INDIAN LANDS.

Secy. Hitchcock Prepared to Meet All Injunction Proceedings.

Washington, July 23—Secy. Hitchcock said today with reference to the effort to prevent the opening of the Oklahoma Indian land to settlement by a junction at El Reno, that the preparations of the department for the opening would proceed as if no suit had been filed. "We cannot let the matter go by default," said he, "but we apprehend no obstacle from the proceeding. Anyone can bring a suit."

The secretary said that cognizance of reports coming from Oklahoma that the men who are registering at El Reno and Fort Sill are doing so with the intention of transferring their rights to others. "The reports are to the effect that they can and will dispose of their numbers at enormous profits. That is absurd, because it is impossible under the regulations for them to transfer their rights. For any of them to attempt to do so would be a clear violation of the law. They take an oath not to do such a thing and to use their rights for their own exclusive benefit. There can be no speculation in these numbers."

The secretary also said that reports are coming to the department of schemes of disposing of numerous townsites, the promoters offering chances to the public. "The only townsites which have been authorized," the secretary said, "are those of the three county seats. No others have been sanctioned and no one knows where there will be. Hence all except the established authorized reports of their establishment should be denounced as intended to deceive the public."
