

# C. J. GUSTAVESON'S

## Axle Grease

**Pronounced the Best ever used.**

*Satisfaction is Fully Guaranteed.*

It will not melt if you put it in the sun all day, even in July, and it is impossible to gum axles. It possesses all the lubricating, softening, preservative and healing properties that any one can reasonably ask for. All those who have given axle grease up, and have adopted castor oil will certainly use oil no more after trying

## GUSTAVESON'S AXLE GREASE

Nothing better for all kinds of agricultural implements. It is the most practical and satisfactory lubricant known.

For LEATHER and ENAMELED GOODS it is very softening, and for resisting the effects of rain, cold, or animal salts when applied upon a clean and dry surface.

For SORES, BURNS, SCALDS and CHAPPED HANDS, it is cooling and curative.

As a HOOF OINTMENT there is nothing better. For TICKS in SHEEP it is a perfect remedy; destroying the grub without injuring the fleece. For CAKED UDDER, SORES, ABRASURES of the SKIN, or CRACKS in COWS' TEATS, there is no better application; it is invaluable and indispensable in every Household and Stable.
