As a last resort I commenced the use of Dr. David Kennedy's Favorite Remedy, (made at Rondout, N. Y.) The result is little short of a miracle. All the terrible symptoms of this disease are gone. I do not have any more difficulty in voiding the urine, ho pain or ache in the small of the back, no more somess across the loins or over the bladder, no more Constitution of the Bowels, no swelling of feet, hands and legs, and many other symptoms of disease of the Kidneys, Liver or Bladder.

Who would begrudge the cost of this mesicine (One Dollar a bottle) for such a blessing, or refuse this simple though sincere token of gratitude, for being perfectly cured? I owe everything to Dr. David Kennedy's Favorite Remedy, of Rondout, N. Y., and hope my writing this will induce others to use the medicine who suffer from a Kidney or Blood disorder. But my recove y was not more remarkable than that of my son George, who when a boy fell from a fence, bruising his leg, which was followed by disease of the bone. Large pieces were removed by surgical operations. His Blood Was Impure.

Dear Doctog:—Before leaving for the east I wish to express my appreciation of your treatment of a complicated case of the eyes. I have tried for several years to get far-seeing glasses, and I had concluded that I could get none that would be of any benefit to the. But after I saw the wonderful benefit of your system, I take pleasure in saying that the glasses furnished by you have restored my vision both for reading and far-seeing to the same condition as in my Ddyhood. I resolved to have you furnish me glasses after I witnessed your system to a beautiful young lady of sixteen years, from Summit County, afflicted with a complicated condition of the eyesight.
