

the sentiments of the Declaration read-yesterday morning. Elder Smoot declared his pleasure in the thought that the saints as a body are sincere. "When they say yes," he stated, "they mean yes; and when they say no, they mean no," Referring to the information the Declaration of yester-

world.

world. At the conclusion of Elder Grant's remaraks, President Smith asked all in the congregation who could do so to answer these two questions by a "yes," whereupon a thunderous yes "yes," whereupon a thunderous yes was the response; and afterwards every Latter-day Saint present who could not sincerely answer yes, to an-swer no. As no one answered no, President Smith said he felt that Elder Grant was justified in his statement that every Latter-day Saint could re-spond "Yes" to the two questions to which there was a "No" by so many ministers ministers

Chicago, April 6 .- A Bohemian fruit cake is believed to have caused the death of Mrs. Mary Mette, 53 years old,

vesterday. Five others of her family were also made violently ill after eat-ing of the same cake. The physicians who attended the family described the symptoms as those which might regult from ar-senical poisoning. The police have begun an investigation. The coro-ner's physician suggested the possi-

way lines probably will begin on Monday. Drawings and plats for the first work-that of replacing all tracks-have been completed by a force of men work-ing under Bion Jarnold, the city's chief engineer, and all that remains is the acceptance of the ordinances by the milliony official

acceptance of the ordinances by the railway officials. President Mitten is now in New York arranging for future contracts. He will return to Chicago tomorrow and it is expected that he will have the authoriexpected that he will have the authori-ty to accept the traction ordinances on behalf of his company. The city still will have 30 days to consider the ordinances before accepting them, but it is generally understood that this right will be waived and orders imme-diately given for carrying on the work becau.

#### REMARKABLE AUTO TOUR.

Paris, France, April 6.- Van Marcke has just finished a remarkable automo-bile tour. Starting out on Feb. 4, for a tour of France, he traveled for 58 days, covering 9,617 kilometers. The automobile club will tender him a hannuet. ley, England, and emigrated to Utab in 1878. Eight years later by the banquet.

Joseph Dadley died yesterday, at his late residence, 413 west Third North

street, from acute indigestion and heart

trouble, after a brief illness. The de-

reased was born July 27, 1843, at Tocks-

down and to argue simply that he went up to Stanford White on the Madison Square roof garden that tragic June night and shot him to death through

motives of revenge and jealousy. His speech cannot be other than an absorb-ing one. Mr. Jerome had assistants and clerks pack the records of the trial.

and clerks pack the records of the trial. the exhibits and the affidavits into three valises yesterday and then had them sent to his Rutgers street flat. There between now and Monday he will pre-pare his summing up. As to the defense, Delphin M. Del-mas has finished his speech. He had abundant time for this work, because Mr. Hartridge has done all the work connected with the relations of the de-fense toward the lunacy commission.

statement in the Declaration of yester-day to the effect that we court enlight-ched investigation, he declared that if the time ever comes when Mormonism receives this kind of investigation, half our battle will be won. There is too little of the spirit of real investigation manifested in the world, else Mormon-ism would not be so misunderstood. The speaker read an extract from the works of Dicken's descriptions of a serie co ment in the Declaration of yesterof Dicken's descriptions of a scene on an emigrant ship filled with 800 Mor-mons, whom he called the "pick and flower of England." Elder Smoot then went on to say that

All he wanted as a member of the Church was intelligent investigation. We are making progress, he thought, in getting out beliefs before the world. Hundreds and thousands of the world's Hundreds and thousands of the world's Intelligent men and women visit Utah and have their ideas changed. He had himself spoken with hundreds of the best women in the United States who frankly admitted that they had signed the petitions to secure his unseating in the senate, but who, after he had ex-plained the circumstances in the case, declared that they would endeavor to undo what they had done. He hoped that the recent investigation of the Mormon creed would only prove intelli-gent and then he would have no fears. We are anxious to become known from one extremity of the world to another. Intelligent men throughtout the world are coming to the conclusion that there is a false balance in modern Christian-ity. The speaker here read from an article to the Saturd are coming to the Saturd from is a take blance in modern Christian-ity. The speaker here read from an article in the Saturday Evening Post to the effect that there is needed a religion that could be put into practise six days of the week instead of only one, a religion that can have a sirmer bold upon the hearts of the rich and make more comfortable the lot of the

peor. Elder Smoot read a few points of in-struction which his mother had giv-en him when a boy, as follows: Pray to your heavenly Father for His subduce and blessing, and with His ove in your heart, rely upon your own strength of body and soul. Take for your motto Faith in God, lef-reliance, honesty and industry. Inscribe in the most conspicuous place in your home, "Luck fs a fool, plack is a hero."

block is a hero." Be careful from what source you take rour advice, and remember that the treat art of commandery is to assume i large share of the work. Rise above the envious and wilful

DATS. Place your ambitions, your aims

ife away above the good you intend to teach.

Remember that energy, indomitable ictermination, with a proper incentive, are the levers that move the world. Don't drink intoxicating liquors, on't chew, Don't smoke, Keep the Vord of Wisdom, Don't swear, Don't seeive. Don't read trashy books, and Don't chew eceive. maye your time and peace of mind by paying no attention to vicious and ly-

paying no attention to victous and hy-ing newspapers. Be in earnest. Be generous. Be civit. Love your God and fellow men. Love truth and virtue. Love your bountry, and pray for its success. Be strong. We are not here to play, to doe and loads to lift: shun not the truggle; face it: 'tis God's gift. He strong; soy not 'The days are will; who's to blame?' and fold the lands and acquiesce. Oh, shame: lands and acquiesce. Oh, shame: land up, speak out and bravely, in iod's nume. At the conclusion of Elder Smoot's

ad's name. At the conclusion of Elder Smoot's scourse, Wm. D. Phillips rendered cautifully a tenor solo entitled, "The erfect Life."

AUDITING COMMITTEE'S REPORT.

The closing hymn was, "For the strength of the hills we bless Thee," Before the benediction, however, Presi-dent Smith read the report of the Church auditing committee. The bene-diction was pronounced by Bishop Or-ria P. Miller. The report of the com-mittee is as follows: mittee is as follows:

Salt Lake City, March 20, 1907. President Joseph F. Smith and Counsel-

ors. Dear Brethren: We, the undersigned members of the general Church audit-ing committee, beg leave to report as

follows: We have carefully examined the ac-counts of the trustee-in-trust, presid-ing bishopric, the Deseret News, the Latter-day Saints' hospital and other business concerns in which the Church is interested, for the year 1906. We find that the accounting in the various de-concerns is to measure define. partments is properly done; every dollar received has been correctly entered, and the disbursements under your di-rection have been economically and

rection have been economically and wisely made for the exclusive benefit of the various interests of the Church. And we heartly endorse your judicious and conservative administration. The Church is to be congratulated upon the fact that the Church bonds have been redeemed, that the Church is entirely free from debt and has suffi-cient funds on hand to meet necessary requirements. requirements.

Your brethren, RUDGER CLAWSON, REED SMOOT, (Signed) W. W. RITER, C. W. NIBLEY, A. W. CARLSON, W. General Church Auditing Committee.

-JUMPS THE TRACK.

Streetcar on Second South Street Line Encountered Defective Switch.

Running at a fair rate of speed, car No. 74 on the East Second South line, crashed into a defective switch last night about 9:30 o'clock and left the John T. Tuke, who lives at 522 rails. east Third South street, was standing on the rear platform at the time, and was thrown off as the car started on its way over the ties for a forty foot run before it could be stopped. Mr. Take sustained a slight wrench of the right hip in falling, and was somewhat bruised. He was taken at once to the L. D. S. hospital where Dr. Pinkerton attended him, and had him put to bed after applying a few bandages. It is not thought that his injuries are at all

not thought that his injuries are at all serious. The cause of the accident was a de-fective construction switch, which had been placed in for temporary service while the street was being repaired, During the day the rains and heavy service had caused the switch to work locse, and when car 74 attempted to cross it was detailed. Conductor Vickers was in charge. Passengers in-side the car received a rood shaking up, but no one except Tuke was in-wed,

her's physician, suggested the possi-bility of ptomaine poisoning, but all theories have been laid aside awaiting the result of post mortem examina-tion and a further analysis of the flour used in the making of the cake THE POPE.

Attends Entertainment Where Views

Of American Cities Are Shown.

Rome, April 8 .- The pope, his sisters, Cardinal Merry del Val and several other prelates attended an entertainment recently given by Engineer Vanment recently given by Engineer van-nucci, an employe of the Vatican, who showed views of the chief cities of the United States by means of a bioscope. The pictures were mainly of New York and Washington. He explained each picture briefly. The pope thanked the engineer warning and said that he felt that he had almost realized his wish to visit the new world.

# CAPITAL AND LABOR.

# August Belmont Warns Employer and

Employe to Prepare for Reaction. New York, April 6 -- August Belmont, who presided at last night's meeting of th representatives of capital and labor in the mansion of Andrew Carnegie, spoke of a possible change in the times and warned employer and employe to

and warned employer and employe to prepare for a reaction from our creat prosperity. Mr. Belmont said. "There is no time more important than this for a gathering of this na-ture. It is very easy to remain at peace during prosperity, but sometime times changes and I feel greatly impressed that the unparaileled development of our country and its prosperity have been so extraordinary that it is un-doubtedly time to strike a halt, and it is not wholly undesirable. "I do not desire to be either a prophet or an alarmist, nor will I discuss the

or an alarmist, nor will I discuss the causes which appear to lead to the be-ginning of it; but it is questioned that we should prepare ourselves through just such gatherings as this to under-stand and solve the problems with stand and solve the problems , with which we are at any time likely to be confronted."

# BARNUM AND BAILEY.

### Receipts Have Fallen Off and Expenses Increased.

New York, April 6 .- The receipts of the Barnum & Balley circus, according to a circular issued to the shareholders, show a falling off in the last few years, while the expenses have corfew years, while the expenses have cor-respondingly increased. The gross re-ceipts for 1905 and 1906, for instance, were about the same, but owing to the big increase in expenses the profit last year was only about \$3,000 compared with about \$16,000 in 1905. The directors say, however, that the present year's business promises to be more satisfac-tors. tory

MERRY DEL VAL MAY RESIGN. London, April 6.-A Rome disputch to a news agency here states that there is every propability that Cardinal Mer-ry del Val will resign his post as papal socretary as a result of the publication of the seized Montagnial papers. He will not do this, however, until the sensation caused by their publication has abated.

work of April 52.

begun. The new rails are to be of the heavy type which will give the maxi-n of speed with the minimum of flat 1111111 power.

### SAMUEL H. HARMON DEAD.

San Francisco, April 6.-Samuel H. Harmon, president of the lumber com-pany which bears his name, has just died here. He had been in the lumber business in California for 50 years. He was a member of the Vigilantes committee of 1556 and owned the Gua-laia mills. He was a native of Machias, Maine 31 years of ner Maine, S1 years of age.

### DEDICATION OF CARNEGIE ENGINEERING BUILDING.

New York, April 6 .- The dedication of the building in this city which is now

of the building in this city which is now the common home of three national en-gineering societies and for the erection of which Andrew Carnegle gave \$1,500.-600, will be held on Tuesday and Wed-nesday, April 16 and 17. In the exercises of the first day Charles F. Scott, chairman of the con-ference and buildings committee, E. O. Elliott, president of the United Engi-neering society, a corporation formed to manage the building. Mr. Carnegie and President Hadley of Yale university are expected to participate. Charles Wallace Hunt will preside, prayer will be offered by the venerable Edward Everett Hale of Boston, and letters from the president of the United States and the governor general of Canada will be read. Wednesday's program includes ad-dresses by the presidents of the founded

dresses by the presidents of the founded societies and the presentation of the John Fritz gold medal to Dr. Alexan-der Graham Bell and of its medals for distinguished services to Ralph W. distinguished services to Ralph W. Pope, Dr. F. R. Hutton and Dr. R. W. Raymond.

### WHY BOOKER T. WASHINGTON DOES NOT ABANDON SOUTH.

Chicago, April 6 -- Booker T. Wash

ington addressed 3,000 colored people last night at Olive Baptist church.

last night at Oilve Baptist church. In opening, Mr. Washington declared his loyalty to his race. "People frequently ask me why I do not move out of the south," he said. "It might seem to some that one could educate himself and cortch himself to that point where he would desire to tear himself away from the hegro race, but as long as I live my home will be down there among the black men of the south." Above all, Mr. Washington encour-aged the idea of industrialism. He urged that every man see that his son

aged the idea of industrialism. He urged that every man see that his son learns a trade and the young be in-structed to save their money. "Every kind of honest labor is hon-orable." he soid, "but the negro should rise to the more dignified stations of life."

The negro is so associated with cer-in humbler walks of life that only this morning in the train a traveler took me for a porter and asked me the way to the dining car. I told him. They often have asked me to make up their berths, but I had to decling ba-cause I did not know how."

#### COL. STOFFEL DEAD.

Paris, April 6.—Col. Stoffel, a noted army officer, is dead. He was military attache in Berlin in 1870, and sent to Napoleon III, the famous reports show-ing the menacing activity and organ-ization of the German army just before the outbreak of the war between Bernes and Germany France and Germany.

# A CRAZY MAN'S DEED.

### Edward Murphy Saturates Clothing With Benzine and Sets Them on Fire.

Memphis, Tenn., April 6.-Edward Mur-phy, a palater, who was employed upon the new Bushess Men's club, in course of crection, climbed to the roof of the building today and, pouring a gallen of benzine over his clothing, set firs to him-self. Efforts made to rescue Murphy were without avail and the young man was literally cremated. He probably was in-

#### BUSSE'S FLURALITY 12,923.

Chicage, April 6.—The board of election commissioners today announced that the priceal plurality of Frederick A. Busse, who was elected mayor last Tuesday, is

#### TENNIS CHAMPION MARRIED.

London, April 6.-Miss D. K. Douglas, champion laws tennis singles player, was married to R. L. Chambers today. It is expected that the champion will not de-tend her title this year.

# BEGGER GETS 40 DAYS.

Able-Bodied Fellow Didn't Have a Chance to Explain.

T. J. Tobin, an able-bodied fellow appeared before Judge C. B. Diehl this morning on the charge of vagrancy, the specific act being that of begging, and entered a plea of guilty. He attempted an explanation but was cut short by his who sentenced Tobin to 40 days in the city jail.

## JANITOR TOOK COAL.

Clerk Judd Surprised by Receiving Two Dollars "Conscience Money."

> Laboring under the impression that an honest confession is good for the soul, and firmly believing that a reparation of wrongs done in the past will greatly benefit his spiritual welfare, a former janitor of one of the public schools has sent to Clerk Judd money order for \$2 in payment of

some coal which he wrongfully took from the school some years ago. The communication which accompanied the money order reads as follows, leaving out the names and postmark:

"A good many years ago I wrongful-ly took and used two dollars' worth of coal when junitor of one of the schools, It now comes up before me when I am earnestly seeking the Lord. I con-fessed it shortly afterwards, but have never paid for the coal. Enclosed find money order for \$2, please acknowledge receipt of the same.

receipt of the same." Just what will be done with the money has not yet been decided by the clerk, but it is thought that a "con-science" fund will be started as an inducement to others who might have done wrong to make reparation in a financial way. Some of the teachers have suggested that the money be used towards their increase of salary. Clerk Judd has also been requested to use it in treating the office force of the beard of education. The matter will A LONG VOYAGE. Superior, Wis, April 5.-Capt. J. H. Ewars of San Francisco has arrived here o take out the steamer Wunebago, yound for San Francisco, the entire trip eing over 15,000 miles. The Winnebago till probably take on a catrgo of Car-olite at Deiroit. The longest stretch of he voyage will be from Port Sidney to peronel. Chile. The ship, together with the Langy Neff of Milwankee and Minnie elton of Tonawanda, has been purchas-i for the San Francisco-Puget Sound anber trade. board of education. The matter will probably be brought to the attention of the board to decide what shall be done with the money.

# INCREASES CAPITAL

### Utah Construction Co. Now Incorporated for a Million Dollars.

The Utah Construction company of Ogden filed an amendment to its ar-

ticles of incorporation with the sec-

fense toward the lunacy commission. All of Thaw's lawyers look forward to next week with the utmost conf-dence, they say. Mrs. Evelyn Nesbit Thaw, since the menace of weary weeks That, since the menace of weary weeks of waiting involved in Mr. Jeronne's threat to seek the appellate division has vanished, is cheerful again, as is the prisoner. She visits That in the Tombs daily and spends as long a time there are able out. there as she can. FIRE IN SANITARIUM. One Patient Burned to Death, Others Barely Making Their Escape

Barely Making Their Escape. South Windham, Conn., April 6.–Mrs, Laira Backus, an insane patient, lost her life in a fire that destroyed the Grand view sanitarium here early today. The other patients were taken out of the building without harm, although there was no time to clothe them. There were is patients and sever at of them had to be removed by force. There were is patients and sever at of them had to be removed by force. One man refused to leave his room en building down a ladder after a har, and down and the house physician but the function of the house physician but them had to be not be the form a final the sound and the house physician but the sound and the house physician but them. The leas is placed at \$20,000.

A LONG VOYAGE.

SCURVY FOLLOWS FAMINE.

SCHERT FOLLOWS FAMILE. St. Petersburg, April 4.—Scurvy is mak-ing great strides in the familier districts. The official reports for the second fort-pipt of March abow 1.65 cases in Ufa province, and 711 in Saratov, compared with 45% in Ufa the first forthight of March and 351 in Saratov province during the same period. There has been a slight decrease in the space of typhus. The project to transfer the familie relief from the government to the familie relief the submitted to parliament

Lodz. Russian Poland. April 5.—Ten workmen were shot and killed by strikers in the factory district here today because they attempted to resume work. The managers of the factories have be-gun to re-engage men but the strikers are bitterly concerns a wavemention of work.
