A party of capitalists started a news-

Sen. Hick's army at El Obeid he en-Major General Charles George Gorered the reading room of the club perectly radiant with joy. Very soon we all knew that he was going at once to gypt, and in a day or two he was off, the *Figaro*. Gemel-el-Din, the illustrious sheik from Afghanstan, furnished him with a warm letter of in-troduction to the Mahdi, who used to be his pupil. Arrived in Egypt, Pain sent letters to the Figuro for a while, holdest and most adventurous ship but as they criticised the English in a way anything but agreeable, the autho-rities at Cairo soon stopped him in his vork. Then he started up the Nile on land and reached Assouan when his escort abandoned him in the desert, timally be managed to join a caravan, and succeeded in crossing the desert and succeeded in crossing the desert after a journey of seventy days and reached the army of the Mahdi. Later advices from the Soudau report that he has become a general; that he is in the confidence of the "emissary of God;" that he has beome an out-and-out Mussulman; went to the Crimea, where he served until May, 1856. He took a deep and careful interest in the events that he assisted in the direction of the and that the Mahdi has appointed him herein he participated, and wrote no wherein he participated, and wrote no less than fifty-five letters to his friends at home. He received a wound in the transform Schentersol

ches before Sebastopol. In May, 1856, with the appointment of Assistant Commissioner, he was or-lered to join Major Stanton in survey-ng and setfling the Turkish and Fer-ng and setfling the Turkish and Ferian frontier in Asia, a work of no litt dive of her majesty the Queen of great luficulty and danger, owing to the wild baracter of the tribes of Armenia and Britain and Ireland and Empress o India.
