LAKE THEATRE

MONDAY & TUESDAY Even'gs Sept. 13th and 14th.

#### The following is extracted from lage were of short duration. But the Sacramento Record-Union-

"The causes of the outbreak are somewhat obscure, but such facts as have come to light seem to jus-tilfy the apprehension that the In-dians have been urged to take the dians have been urged to take the war path by Mormon Influences. After what happened at Corinne, where it is notorious that the Mormons did their best to incite an Indian attack upon the Gentile nent, for it will take many years community, it is in order to suspect these bad citizens and neighbors of any similar treachery, and there are many plausible rensons tending to fasten the responsibility of the Nevada raid upon them.

"I', moreover, as may be appre hended, they are being guided and hended, they are being guided and inspired by Mormons the work of the citizen of a state, equal-the troops and volunteers will be still more arduous.

securing the imperilled settlers and sion and solution. Tariffs, reveninflicting such punishment as is possible upon the Indians, will be to trace back and clearly fix the responsibility for their outbreak, appear that Morman equally with the citizens of New England, while in the correspondence of the appear that Mormon counsels are while, in the government of the at the bottom of the affair, it will Indians, the management of the hardly be worth while for the public land, the improvement of troops or the volunteers to return rivers, the construction of railroads. westward until they have given as the regulation of mining, and many good an account of the instigators other important questions, the cit-as of the miserable agents." other important questions, the cit-

In speaking of Indian affairs the citizen of the States. The peohereabout the writers in the above papers seem to take leave of their senses, and wilfully blind them-selves to the facts. The Corinne scare arose with the Corinnites themselves, for a purpose. This is as well established as any fact can

The whole business of these scares, both at Corinne and near Deep Creek, is a Gentile-Indian who westward follow the star business, and not a "Mormon"-In-dian business. Rather it is a purely Gentile business, for neither "Mor-mons" nor Indians had anything to do with the Casiman had anything to do with the Corinne scare, and in venturous brothers who are conthe Deep Creek affair the truth tented to remain forever within seems to be that what difficulty there has been arose from Gentile unscrupulousness and imposition upon the Indians. Therefore the threatening re-

mons," and indeed towards the states, are surely not less deserving indians as well, are not only ex-codingly unjust, but exceedingly the people of the territories are de-Indians as well, are not only ex-
