A PICNIC EVERY WEEK

At home on wash day by using the

STERLING WASHER.

All the honors of wash day transformed into a day of pleasure, for it is really a picnic to run one of these machines. A little child can easily run it. So much has been said about the merits of Washing Machines that you do not wish to multiply words in praise of this, but only ask you to call on us and we will show you one, when you will be convinced of its superiority. We are selling more STERLING WASHERS than any we have ever handled.
