PUBLIC NOTICE.

YEAR 1868.

WE return our sincere thanks to the People for the liberal Patronage we have received, and in view of the great scarcity of money and the decline in the value of some kinds of Goods east, we have determined to offer our Stock at a heavy Discount for

CASH!

We will allow a Discount of TEN PER CENT. on all Groceries, except Tea, Sugar, Coffee, Candles and Soap.

A Discount of TEN PER CENT. on all Dry Goods, Clothing and Hardware, except Nails, Horse and Mule Shoes.

A Discount of TWENTY PER CENT. on Hoods, Nubias, and all Goods of this description, including Hats and Caps.

A Discount of from TEN to TWENTY PER CENT. on all kinds of Dishes, Plates, Cups and Saucers, Glassware, Castors, &c., &c.

ARGUMENT:

THIS we think better for the Customer than Enterprises on the Lottery Plan, these having been tried elsewhere and not found profitable to the investors.

The People know quite well already who sells the Cheapest and Best Goods, and when they get them, knowing them to be cheap, and then get a Discount of from Ten to Twenty per Cent., we think they will come to the conclusion that it is better to have the full benefit of what they spend at once and on the spot, than take ONE Chance in FIFTY of drawing something, some time in the future.

You are not required to purchase "Ten Dollars" worth to entitle you to the Discount, but we will allow it in all cases, whether the purchase be large or small.

This is to give the poor man or poor woman, who cannot get hold of "Ten Dollars," a chance to buy Goods Cheap.

COME AND TRY IT.

Because we are like most of our neighbors, wanting money badly.

Ross & Barratt.

TO THE MUSICALLY INCLINED, And to those desirous of Learning Music.

Mrs. WHITE, of Rochester.

THEACHERS Robbins' American Method for the Piano-forte, which is so far superior to the old method of teaching the Piano-forte, Melodeon or Organ that its full importance can scarcely be estimated. It is a century ahead of all other methods for the Piano-Pupils acquiring a knowledge of Music in an almost incredibly short time.

References to and letters of recommendations from the most eminent Professors of Music in the East.

Mrs. WHITE is stopping at the TOWNSEND HOUSE for a limited time, where she can be found, and full particulars learned. Private tuition given.
