

MOHAMMEDAN  
ATROCITIES

Authentic Reports of Those Committed Near Tarsus Coming In With Sickening Detail.

## SOME TOO HORRIBLE TO NAME

At Least Ten Thousand Persons Were Massacred in This Province.

## Whole Villages Wiped Out—Young Turks Trading Armenian Girls for Horses.

Tarsus, Asiatic Turkey, Saturday, April 24, via Constantinople, May 4.—Authentic details of the atrocities committed by the fanatical Mohammedans in the villages and farms in this district are now coming into Tarsus with sickening abundance. The worst particulars of these narratives cannot be mentioned, but they set forth without doubt that at least 10,000 persons lost their lives in this province and some 10,000 villages like Osmanli, Basschi, Hamahli, Kakra, Kizilhan, Koy and others were actually wiped out. Each of these places had populations of from 500 to 1,000 people. In one town of 4,000 people there are less than 100 left, nearly all women and children. It was the same thing with the hundreds of villages, or farms, that dot this wide fertile plain. The slaughter was unrelenting. Even Greeks and Syrians were struck down with the Armenians. Entire families were burned to death in their homes. Hundreds of girls and young women were maltreated and carried off to the harems.

The correspondent was informed that at one place a party of 100 Armenians surrendered to the soldiers. The prisoners were taken to an open field, where the women were ordered to stand apart from the men. Every one of the men was then shot. In many cases the women went to their deaths clinging to their husbands, trying to save their lives. A large number of women were injured because of their resistance. Many men were brought down into this district from Hadjin and are now held as slaves.

## TRADE GIRLS FOR HORSES.

Young Turks around Tarsus today are trading Armenian girls for horses and modern repeating rifles. The entire 10 days seem to have been an incessant orgy of lust and violence in the name of race and religion. In the massacres of 14 years ago there was no such desire to kill women and children as has been the case in the last massacre. There have been numerous instances of murdering women and children with deliberation and there are others on a visit to the city who were brought out one by one and shot down, the by-standers clapping their hands at each fresh execution.

The local authorities estimate that a day for each refugee in Tarsus. The government allowance is being supplemented from funds of the American mission. The local officials say they are soon going to discontinue their contributions, and if this is done there will soon be a famine. The yard of the local house looks like a prison penitentiary. When the captain of a French man-of-war at Tarsus came up to Tarsus with a number of officers on a visit to the city at the mission house. "My God," he said, "this is terrible. Where do all these people sleep? Round all night trying to keep warm. The women and children sleep at night on the floors of the school rooms. Few of them have beds."

## ADANA STILL LAWLESS.

Adana, Monday, May 3, via Laranea, Cyprus, May 4.—Adana is still lawless. More people were killed yesterday. There are 30,000 dead in Adana province as a result of the massacre and 35,000 homeless and penniless refugees are wandering in the wlayet.

## TO ESTABLISH REGULAR AIRSHIP LINE

Stuttgart, May 4.—At a meeting today of the Württemberg Aerial Navy league, a representative of Count Zeppelin declared the company formed in Germany with the Zeppelin airship construction company had undertaken to establish a regular line of airships from Luerne of Friedrichshafen to Germany, via Frankfurt-on-the-Main. The actual cost of the line will depend on the offers of landing places made by cities on the line. It is hoped to open the line for traffic next year.

## WANT CONGRESS TO FURNISH WORK FOR UNEMPLOYED

Cincinnati, May 4.—C. Jefferson Davis, president, and "Arizona Bob" Gillespie, vice president of the Cincinnati Unemployed Protective association, started last night to hobo their way to Washington, where they expect to present to President Taft and Congress a petition asking that the government give employment to the nation's unemployed by the construction of a great national road from New York to San Francisco. The petition is signed by Drs. C. L. Bonfield and L. J. Carter of the Cincinnati Automobile club and by Park Supt. J. W. Rodgers, who is chairman of the executive committee of the Good Roads Federation of Ohio.

Minister of Public Instruction—Azmi Bey. Minister of Mines and Forests—Arif Pasha. The other ministries will be retained by the last incumbents. INTERNATIONAL  
POLICE FOR WORLD

At Chicago Peace Congress is Predicted That This Century Will See One Established.

## NAVIES AND ARMIES DOOMED.

A Comparatively Few Influential Persons in a Comparatively Few Influential Countries End War.

Chicago, May 4.—"The world surely will see during this century an international police, but rival navies and armies are doomed. These monstrous anachronisms of civilization must be turned into beneficent messengers of commerce."

This was the declaration of Mrs. Lucia Ames Meade of Boston in an address at the woman's session of the National Peace congress here today. She spoke on "Five Dangerous Fallacies," and continued:

"Human nature is changing, but whether the changes or not, the business of the world will no longer tolerate two nations making a cockpit of the people's highways and dragging neutral nations into commercial loss. Industrial aspects of universal and permanent peace was the feature of today's session. Special sessions were set apart for consideration of woman's work in the interests of peace, and for all women and children. It was the same thing with the hundreds of villages, or farms, that dot this wide fertile plain. The slaughter was unrelenting. Even Greeks and Syrians were struck down with the Armenians. Entire families were burned to death in their homes. Hundreds of girls and young women were maltreated and carried off to the harems."

JAPANESE AND  
NATURALIZATION

U. S. Judge Edmund Waddill, Jr., Denies Nanyo Bessho's Application for Citizenship.

## HE WILL TAKE AN APPEAL.

Claimed Right Under Act of July 16, 1894, Giving Aliens Who Had Served in Navy Privilege.

Norfolk, Va., May 4.—Federal Judge Edmund Waddill, Jr., of the U. S. circuit court for the Eastern district of Virginia in the application for naturalization of Nanyo Bessho, a Japanese "chief steward," in the United States navy, denied the petition, holding that under the federal statutes, no Japanese or alien except of white blood or African descent or of native can become an American citizen although he has seen service in the navy or marine corps. Bessho claims the right of naturalization under the act of July 16, 1894, giving an alien of the age of 21 years and upward who has served honorably in the navy or marine corps the right of citizenship after proper court form. Dist. Atty. Robert H. Talley, appearing for the government, resisted this, holding that under section 2169 of the federal statutes, as amended in 1875, only "free white persons" and "aliens of African descent," are entitled to naturalization. Judge Waddill sustaining this, ruled that the act of 1894 could not repeal by implication the statute of 1875 and that there are no direct terms of appeal.

Bessho is preparing an appeal.
