DESERET EVENING NEWS

THIS COUNTRY AND EUROPE.

THIS COUNTRY AND EUROPE. The difference between this country and the countries of the Old World is aver more strikingly liberated than is the matter of home. There, few people ever expect to own their own each still sever to save that be had on which their home strade. On the contrary, in this country, any man possessed of health, eavery and holdlyperes is sure that before many years be may not only totich bimedia average of head and you're morent is house, hou may also own the least average foundation dy out morent is passed by system of leasting that age of foundation factories upon the countries of Fouries To you pay upon the purchase grine of a home for powers in a press of also in the fourth of some forme the least in the powers of the forme the part in this countries of Forest Dala. In this counting the press the site in this counting shouse you can be be on the powers in a former the least in this counting the former the least in the least of the least the system of the more the least of the least the system of the more the least of the least the system of the system of the least of the least the system of t upon the purchase prime of a holes for poraneit in Evenes Dakie I in this delightful subarb you can buy lead, hold your house, and pay for 18 with life more exertion than is required to pay your isudiord. If you real, very nail you drive, every weed you hereofting holes weed you be seeding holes to improve year isomparary quariers, hat eventaily results only in benefiting him wheas leannt you are. If you hoy a home, every shrub, flower or tree you plant grows for you and your children. If you have money enough, pay all cash, and get discount therefor. If you have only your wages, kay on the insatineast plan, paying so much each month, and your wife and children will gleidly help you save rather than live in a you save tailor than live in a

We have at Forest Dale the test of We have at Forest Jake the test of well, first-class water, both from springs and arissism wells, district eshould founday schools and good neighbors. Yes may how lead by the root, by the lot or by the acre. Depth of lots varies from 100 feet to 65 roots. No fromble to show property. Call and roots and Constitution block, and make arrangea with my sgents. Correspond
