INDEPENDENCE DAY HONORED. Deaths of Respected Veterans-Riv-

Colonia Juarez, Chibuahua, Mexico Sept. 16.-Today we are celebrating the birthday of Mexico's independence in the usual manner-assembling together in the hall, with music, instrumental and vocal, addresses in English and Spanish, recitations and songs. The speakers were Presidents 1vins and Wilson, and Senor Manrigue Gonzales, one of the academy faculty. All went well, and the celebration was truly a success. A children's ball in the afteroon and one for adults in the evening, with outdoor sports, closed the pro-ceedings of the day, held in honor of the establishment in Mexico of civil

and religious liberty. No people can be found who more truly and ardently love and advocate civil and religious liberty than the mis-represented people called "Mormons," and in time to come the liberal minded and noble republic which gave rest, protection and shelter to them when ficeing from religious intolerance and persecution, will find none more loyal the hour of need. We are called to mourn the loss of

the beloved wife of Father John R. Holt, who departed this life Sept. 15 nged 68 years. At her funeral Presi-dents Ivins and Wilson, and Bishor Bentley, were the speakers, and all spoke of her in words of praise and high commendation.

In this connection I would refer to the death of Bishop G. W. Sevy, which curred some months ago, and which I have not seen noticed in the "News." It can be said of him in truth that he was in very deed a good man, and the poor man's friend. In time of scarcity his flour bin was never closed to th ry so long as there was anything He was formerly Bishop of Panhungry guitch ward, and for some years also of Juarez ward. It may be said of him as of Sister Holt: "Blessed are the dead who die in the Lord: they shall rest from their labors and their works do follow them.'
